charismatic politicians. The Benn Diaries kept for almost seventy years are a uniquely authoritative fascinating and readable record of the political life of our times. This single volume edition is the selected highlights of the complete diaries from Tony's schooldays in the 1940s until he ceased keeping a record of his day to day thoughts in 2009. The narrative starts with Tony as a schoolboy and takes the reader through his experience as a trainee pilot during the war his tentative first days as a backbencher in Atlee's post war government through his battle to remain in the Commons after the death of his father. The most comprehensive look at the draft ever. *The Sporting News* The Draft follows a handful of NFL hopefuls through the ups and downs of the 2004 college football season and the pre draft process culminating with the 2005 draft. Among the prospects are Virginia defensive end Chris Canty who overcomes a devastating early season knee injury to reestablish himself as a top draft hopeful only to suffer a detached retina in a nightclub skirmish and Fred Gibson a talented but rail thin Georgia wide receiver who struggles

to put on the weight needed to go over the middle in the NFL It s a complex environment with college coaches attempting to protect their student athletes from exploitation while fully aware that they can only remain competitive if they attract NFL caliber players to their schools along with sports agents and NFL scouts trying to stay a step ahead of their competition These parties provide a multi angled view of the world of emerging NFL talent The reader follows the season through the eyes of a host of power players and scouts from veteran agent Pat Dye Jr to Jerry Maguire clone Jack Scharf to the coaching divisions of Florida State University and the University of Virginia headed by longtime Bill Parcells disciple Al Groh Also central to the narrative are the Atlanta Falcons and executives Rich McKay and Tim Ruskell now with Seattle who use a character based evaluation system to set their draft board These parallel stories weave together culminating in draft weekend to create a gripping and fascinating look at a world few see from the inside Fans will appreciate Williams s patient explanation of the vagaries of professional football s exhaustive job interview process Publishers Weekly Pete Williams as he has done throughout his career applies good old time journalism to provide a modern and important eye opener Phil Mushnick New York Post
