Kavet,1994 *Somewhere in Ireland, A Village is Missing an Idiot* David Feherty,2013-08-27 Golf is not a game it s a punishment David Feherty If you re one of those people who think golf is a religion prepare for some seriously funny blasphemy Troon McAllister author of The Green Somewhere in Ireland A Village is Missing an Idiot is a collection of Feherty s most popular Golf Magazine columns intermingled with his most outrageous work from Golfonline com As an added bonus readers will be treated to some notorious pieces from his work at the British publication Golf Monthly Edited by and with a running commentary by Feherty and accompanied by some of the priceless letters to the editor from readers across the country and around the globe complaining about Feherty s perversity Somewhere in Ireland is the perfect Father s Day gift for the crankiest duffer in every family **Golf and Life** Major General Anil Sengar,2022-01-31 There are two ways to win a golf tournament The golfing way or the Taliban way i e either shoot the lowest score or shoot the rest of the field dead The second is easier but that is not a choice for you and me In life you always have the power to choose which ball to play and that makes all the difference Both golf and life must be productive and fun This book is all about How does one do it After four decades on the golf course and six of life I could describe both as a combination of great good bad and ugly I believe it would be no different for most I realise while that won t change too much they can be fun no matter what It s all up to you When you miss a three foot putt or misjudge a chip you tell yourself Oh shit I should have done that rather than this And when you play the same shot well the second time you say Any fool can do it the second time Alas we get just one chance to live A lot of people do not get it right and wish they had lived differently This book shares in a lighter vein things that would make your golf and life more fun and more purposeful Golf is not a hole in one place and life is not a sprint both are full of intangibles Neither is the fairway a level

playing surface nor is life Yet some excel more often than others Of those some seem to enjoy the grind and some do not And that is not about talent alone This book derives life s lessons from golf It covers varied aspects covered in five Parts and 19 Holes It also includes brief life changing aspects of self development and leadership subjects on which I have written five books that continue to transform lives While Part IV is on leadership Part V deals with Kay El s resolution to make a difference in society for the better Ekla Chalo re Paradoxically this book is both hilarious and serious at the same time Like the greens the business end is serious but the walk through the fairways is fun and energising It guarantees a chuckle and helps you become a smarter and a happier version of yourself You have just one life make sure it is fun no matter what
