A novel of the 2nd world wa Marge Piercy, 1987 Women's Holocaust Writing S. Lillian Kremer, 1999-01-01 Women's Holocaust Writing the first book of literary criticism devoted to American Holocaust writing by and about women extends Holocaust and literary studies by examining women's artistic representations of female Holocaust experiences Beyond racial persecution women suffered gender related oppression and coped with the concentration camp universe in ways consistent with their prewar gender socialization Through close insightful reading of fiction S Lillian Kremer explores Holocaust representations in works distinguished by the power of their literary expression and attention to women s diverse Taking Leave, Taking Liberties Aaron Hiltner, 2020-09-01 American soldiers overseas during World War II experiences were famously said to be overpaid oversexed and over here But the assaults rapes and other brutal acts didn t only happen elsewhere far away from a home front depicted as safe and unscathed by the good war To the contrary millions of American and Allied troops regularly poured into ports like New York and Los Angeles while on leave Euphemistically called friendly invasions these crowds of men then forced civilians to contend with the same kinds of crime and sexual assault unfolding in places like Britain France and Australia With unsettling clarity Aaron Hiltner reveals what American troops really did on the

home front While GIs are imagined to have spent much of the war in Europe or the Pacific before the run up to D Day in the spring of 1944 as many as 75% of soldiers were stationed in US port cities including more than three million who moved through New York City In these cities largely uncontrolled soldiers sought and found alcohol and sex and the civilians living there women in particular were not safe from the violence fomented by these de facto occupying armies Troops brought their pocketbooks and demand for dangerous fun to both red light districts and city centers creating a new geography of vice that challenged local police politicians and civilians Military authorities focused above all else on the war effort invoked written and unwritten legal codes to grant troops near immunity to civil policing and prosecution The dangerous reality of life on the home front was well known at the time even if it has subsequently been buried beneath nostalgia for the greatest generation Drawing on previously unseen military archival records Hiltner recovers a mostly forgotten chapter of World War II history demonstrating that the war s ill effects were felt all over including by those supposedly safe back home A Collar Well Worn Rev. Paul F. McDonald, 2017-04-29 A Collar Well Worn is the work of an ninety year old Catholic priest who spent more than thirty years each in civilian ministry and another thirty years as an Air Force chaplain Rev Paul F McDonald has knitted together sixty years of events from the 20th century by describing stories about those periods the geography and history of places where he lived and served some of the notable people he had known during fifteen assignments and a few dozen temporary duty assignments in Western Europe the Pacific region and the United States He served the Catholic Church and his Country during and after the dynamic times of the Second Vatican Council 1962 65 during this time he listened to his people in a collaborative ministry in bringing about the necessary pastoral and liturgical changes Such reforms and others continue to shape a revitalized church and a resilient people who feel empowered as the people of God to work with all people of good will Surely such an abundance of experiences provide a panorama of a life s journey in the service of God Church and Country during which time he was proud to wear A Collar Well Worn **Understanding Marge Piercy** Donna M. novels Women on the Edge of Time and He She and It and the domestic novels Fly Away Home and The Longings of Women Bickford also explores Piercy's poetry and discusses her forms and themes while engaging some of her observations about the practice of writing Power and Passion Donald Miller, 2019-07-11 Diane Howard holds a strange secret that not even she understands As the great great granddaughter of abolitionist general Oliver Otis Howard the contemporary student believes it is her calling to address the unresolved issues of Jim Crow left over from her ancestor s time Though African American progress has been in hibernation for a century she witnesses its resurgence in her time But even more intriguing whenever her father tells stories of the Civil War she feels a blinding sometimes painful sense of D j vu Like she was not only tethered to that age of black carriages and hoop skirts but played an integral role Days after president Kennedy's death Diane meets Cleveland high school student Erich Metzger as the result of a car accident Their quirky not exactly traditional boy meets girl moment establishes a life affirming counterpoint to the tragedy that has gripped the nation Drawn into the 1960s like matter to a black hole a road map has been drawn for the most incredible adventure of their lives Yet as her boyfriend is stubbornly skeptical of her belief in a past life He realizes that as his coming of age grows out of the golden era of rock n roll her transformation seems to have begun much earlier exactly one century earlier Beginning Guitar Superbook Hal Leonard Corporation Staff, Will Schmid, 1996-07-01 Aimed at those with a basic understanding of music theory provides step by step instructions for learning to play guitar and includes songs to practice Strange Bright Blooms Randy Malamud, 2021-09-27 Virginia Woolf famously began one of her greatest novels Mrs Dalloway said she would buy the flowers herself Of course she would why would anyone surrender the best part of the day to someone else Flowers grace our lives at moments of celebration and despair We eat drink sing dance and flirt with them writes Kakuzo Okakura Flowers brighten our homes our parties and our rituals with incomparable notes of natural beauty but the nature in these displays is tamed and conscribed Randy Malamud seeks to understand the transplanted nature of cut flowers of our relationship with them and the careful curation of their very existence It is a picaresque unpredictable ramble through the world of flowers but also the world itself exploring painting murals fashion public art glass flowers pressed flowers flowery church hats weaponized flowers deconstructed flowers flower power and much more Holocaust Literature: Lerner to Zychlinsky, index S. Lillian Kremer, 2003 Review This encyclopedia offers an authoritative and comprehensive survey of the important writers and works that form the literature about the Holocaust and its consequences The collection is alphabetically arranged and consists of high quality biocritical essays on 309 writers who are first second and third generation survivors or important thinkers and spokespersons on the Holocaust An essential literary reference work this publication is an important addition to the genre and a solid value for public and academic libraries The Top 20 Reference Titles of the Year American Libraries May 2004
