in full color throughout this delightful collection puts the riches of world mythology at the fingertips of students and storytellers alike. It is a treasury of favorite and little known tales from Africa, Asia, Europe, the Americas, Australia, and Oceania, gracefully retold and accompanied by fascinating detailed information on their historic and cultural backgrounds. The introduction provides an informative overview of mythology, its purpose in world cultures, and myth in contemporary society and popular culture. Mythic themes are defined and the often misunderstood difference between myth and legend explained. Following this, the main sections of the book are arranged thematically, covering The Creation, Death and Rebirth, Myths of Origins, Myths of the Gods, and Myths of Heroes. Each section begins by comparing its theme cross culturally, explaining similarities and differences in the mythic narratives. Myths from diverse cultures are then presented, introduced, and retold in a highly readable fashion. A bibliography follows each retelling so readers can find more information on the culture, myth, and deities. Character, geographical, and general indexes round out this volume, and a master bibliography facilitates research. For students, storytellers, or anyone interested in the wealth of world mythology, *Mythology: Stories and Themes from Around the World* provides answers to common research questions, sources for myths and stories that will delight, inform, and captivate.

*Origins of The Wheel of Time* Michael Livingston, 2022-11-08. Jordan has come to dominate the world. Tolkien began to reveal The New York Times on The Wheel of Time series. Explore never before seen insights into the Wheel of Time, including a brand new redrawn world map by Ellisa Mitchell using changes discovered in Robert Jordan's unpublished notes. An alternate scene from an early draft of The Eye of the World. The long-awaited backstory of Nakomi. 8 page full color photo insert. Take a deep dive into the real world history and mythology that inspired the world of Robert Jordan's The Wheel of Time. *Origins of The Wheel of Time* is written by Michael Livingston, Secretary General of the United States Commission on Military History and professor of medieval literature at The Citadel, with a Foreword by Harriet McDougal, Robert Jordan's editor, widow, and executor of his estate. This companion to the internationally bestselling series delves into the creation of Robert Jordan's masterpiece, drawing from interviews and an unprecedented examination of his unpublished notes. Michael Livingston tells the behind-the-scenes story of who Jordan was, how he worked, and why he holds such an important place in modern literature. The second part of the book is a glossary to the real world in The Wheel of Time. King Arthur is in The Wheel of Time. Merlin too. But so are Alexander the Great and the Apollo Space Program, the Norse gods, and Napoleon's greatest defeat, and so much more. *Origins of The Wheel of Time* provides exciting knowledge and insights to both new and longtime fans looking to either expand their understanding of the series or unearth the real-life influences that Jordan utilized in his world-building, all in one accessible text.
