Good Boys And Dead Girls And Other Essays:

Good Boys and Dead Girls Mary Gordon, 2013-08-06 DIVDIVA collection of dazzling and thought provoking essays from lauded author Mary Gordon divDIV Much acclaimed for her novels Mary Gordon is also a brilliant and wide ranging essayist Gathering together twenty eight of her forays into nonfiction *Good Boys and Dead Girls* provides a richly autobiographical context for the themes that mark her fiction such as Irish American life Catholicism embattled families and the redeeming power of art Many of the pieces offer insights into artists and other writers There are admiring accounts of Edith Wharton Stevie Smith and Ford Madox Ford and a piquant critique of the depiction of women by certain celebrated male novelists Whatever the topic at hand Gordon proves lively and illuminating company divDIV div div [Conversations with Mary Gordon](#) Mary Gordon, 2002 This collection allows the reader to trace the roots both literary and autobiographical of one of America s most fiercely intelligent and thoughtful writers **The Cambridge Companion to John Updike** Stacey

Olster, 2006-04-06 John Updike is one of the most prolific and important American authors of the contemporary period with an acclaimed body of work that spans half a century and is inspired by everything from American exceptionalism to American popular culture This Companion joins together a distinguished international team of contributors to address both the major themes in Updike s writing as well as the sources of controversy that Updike s writing has often provoked It traces the ways in which historical and cultural changes in the second half of the twentieth century have shaped not just Updike s reassessment of America s heritage but his reassessment of the literary devices by which that legacy is best portrayed With a chronology and bibliography of Updike s published writings this is the only guide students and scholars of Updike will need to understand this extraordinary writer **Catholic Lives, Contemporary America** Thomas J. Ferraro, 1997 What does it

mean to be or to have been raised Catholic in America today now that formally nonpracticing Catholics outnumber the memberships of any other single denomination *Catholic Lives Contemporary America* is a collection of informed and spirited essays focusing on Catholic lay practices not commonly recognized or at times officially sanctioned For the formidable array of scholars and writers gathered here being Catholic is not simply a matter of going to confession or attending Mass and Catholicism s contributions to American cultural identity remain open to question Edited and with an introduction by Thomas J Ferraro *Catholic Lives Contemporary America* offers a banquet of essays and interviews at once subtle and accessible treating American Catholic lives and legacies with compassion and flair Contributors Patrick Allitt Paul Crowley Thomas J Ferraro James T Fisher Paul Giles Mary Gordon Stanley Hauerwas Frank Lentricchia Robert A Orsi Camille Paglia David Plante Richard Rodriguez Kathy Rudy Andrew Sullivan Mary Jo Weaver *Kindred Spirits* Brenna Moore, 2021-07-02 *Kindred Spirits* takes us inside a remarkable network of Catholic historians theologians poets and activists who pushed against both the far right surge in interwar Europe and the secularizing tendencies of the leftist movements active in the early to mid twentieth century With meticulous attention to the complexity of real lives Brenna Moore explores how this

group sought a middle way anchored in spiritual friendship religiously meaningful friendship understood as uniquely capable of facing social and political challenges For this group spiritual friendship was inseparable from resistance to European xenophobia and nationalism anti racist activism in the United States and solidarity with Muslims during the Algerian War Friendship they believed was a key to both divine and human realms a means of accessing the transcendent while also engaging with our social and political existence Some of the figures are still well known philosopher Jacques Maritain Nobel Prize laureate Gabriela Mistral influential Islamicist Louis Massignol poet of the Harlem renaissance Claude McKay while others have unjustly faded from memory Much more than an idealized portrait of a remarkable group of Catholic intellectuals from the past *Kindred Spirits* is a compelling exploration of both the beauty and flaws of a vibrant social network worth remembering

Transgression and Redemption in American Fiction Thomas J. Ferraro, 2020-12-03 *Transgression and Redemption in American Fiction* is a critical study of classic American novels Ferraro returns to Hawthorne's closet of secreted sin to reveal *The Scarlet Letter* as a deviously psychological turn on the ancient Mediterranean Catholic folk tales of female wanderlust cuckolding priests and demonic revenge This lights the way to explore what Ferraro calls the Protestant temptation to Marian Catholicism in seven modern American masterworks including Chopin's *The Awakening* Fitzgerald's *The Great Gatsby* Cather's *The Professor's House* and Hemingway's *The Sun Also Rises* *Transgression and Redemption in American Fiction* explores stories of forbidden passion and sacrificial violence with ultra radiant women and sometimes men at their focus It examines how these novels speak to readers across religious and social spectrums generating an inclusive mode of address and near universal relevance Ferraro breaks the codes of contemporary criticism in his thematic focus and critical style going beyond Protestantism and even Judeo Christian Orthodoxy itself *Transgression and Redemption in American Fiction* encourages the attentive reader to think about the American imagination the myriad arts of writing about the passion plays of love and even our canonical structures for reading and thinking about literature in new ways

Catholics in the Movies Colleen McDannell, 2008 Catholicism was all over movie screens in 2004 Mel Gibson's *The Passion of the Christ* was at the center of a media firestorm for months A priest was a crucial character in the Academy Award winning *Million Dollar Baby* Everyone it seemed was talking about how religious stories should be represented marketed and received Catholic characters spaces and rituals have been stock features in popular films since the silent era An intensely visual religion with a well defined ritual and authority system Catholicism lends itself to the drama and pageantry of film Moviegoers watch as Catholic visionaries interact with the supernatural priests counsel their flocks reformers fight for social justice and bishops wield authoritarian power Rather than being marginal to American popular culture Catholic people places and rituals are all central to the world of the movie *Catholics in the Movies* begins with an introductory essay that orients readers to the ways that films appear in culture and describes the broad trends that can be seen in the movies hundred year history of representing Catholics Each chapter is written by a noted scholar of American

religion who concentrates on one movie that engages important historical artistic and religious issues and then places the film within American cultural and social history discusses the film as an expression of Catholic concerns of the period and relates the film to others of its genre Tracing the story of American Catholic history through popular films Catholics in the Movies should be a valuable resource for anyone interested in American Catholicism and religion and film Global Literatures and Cultures of Modernity Srirupa Chatterjee, Sharada Chigurupati, 2025-04-29 Global Literatures and Cultures of Modernity Critical Perspectives from India brings together essays written by academicians and scholars from India to scrutinize how global modernities have been shaped since World War II from the Indian perspective It examines the literary musings of Anglophone writers hailing from various parts of the globe whose diverse voices present compelling narratives on modernity vis vis the human condition This volume brings together critical essays on writers such as Girish Karnad Anita Desai Anita Nair and Jean Arasanayagam to examine the South Asian experience by Chimamanda Ngozi Adichie and Naguib Mahfouz to explore the African and Arabic world order by Jane Harrison and Wesley Enoch to address the Australian aboriginal condition by William Golding Kazuo Ishiguro and Sarah Kane to scrutinize British cultural politics by Jamaica Kincaid and Elizabeth Acevedo to highlight Latin American and Caribbean modernity and last but not the least by John Updike Cormac McCarthy and Mary Gordon to analyze North American politico religious experiences of modernity The diverse themes in this book therefore touch upon historical trauma religious revisioning masculinity feminist debates gender studies ethnic discrimination and diversity and caste and class politics among many others The book's varied themes are united by the fact that they all converse with global and transnational dynamics shaped by post war modernity that define our world today The book crafts narratives on contemporary global literatures and the modern conditions they represent and does so from the vantage point of postmillennial Indian literary scholarship *The Continuum Encyclopedia of American Literature* Steven R. Serafin, Alfred Bendixen, 2005-09-01 More than ten years in the making this comprehensive single volume literary survey is for the student scholar and general reader The Continuum Encyclopedia of American Literature represents a collaborative effort involving 300 contributors from across the US and Canada Composed of more than 1 100 signed biographical critical entries this Encyclopedia serves as both guide and companion to the study and appreciation of American literature A special feature is the topical article of which there are 70 **Fun & Games & Higher Education** Randle W. Nelsen, 2010-12-08 Fun Games Higher Education ranges from Wayne's World to hot rodding from automobility to the popular phenomenon known as the tailgate party from German sociologist George Simmel to Canadian Media Guru Marshall McLuhan all in the interests in exploring North American obsession with play and particularly the intersection between education work and leisure *Moral Imagination* Edward Tivnan, 1996-07-12 When it comes to the most controversial moral questions of our lives abortion euthanasia suicide capital punishment racial justice and affirmative action there is a right and wrong but no one owns the truth This book guides us through the opposing arguments on these profound

issues opening up ways for our pluralistic society to think about them How does one make up one's mind about the difficult yet everyday inescapable social and moral problems we all face The public debate often degenerates into name calling and even violence Conservatives and liberals alike act as if there is only one way to think In a format that is accessible anecdotal and concrete Edward Tivnan lays out the best arguments on all sides of these visceral topics He explores the most sophisticated thinking from philosophy theology medicine and the law as well as examples from the emotional complexities of everyday life and carefully mediates between opposing ideals not to lead us to a position of convenience but to help us toward independent decisions of conviction Tivnan's analysis therefore does not dictate answers but calls for an effort to understand and respect why people believe so strongly in their own values Only by facing up to our differences of opinion can we make progress expand our moral imagination and achieve a decent and respectful society In concluding chapters Tivnan describes the peculiar nature of American democracy invented by men who knew that freedom would breed conflicting values and expected that such differences would secure the nation's future as a republican democracy The first premise of a decent free society Tivnan writes is tolerance the first sparks of tolerance and decency reside in the imagination what I want to call the moral imagination He concludes that expanding our moral imagination will cleanse debate of hatred and moral arrogance

Contemporary American Women Fiction Writers Laurie Champion, Rhonda Austin, 2002-11-30 American women writers have long been creating an extraordinarily diverse and vital body of fiction particularly in the decades since World War II Recent authors have benefited from the struggles of their predecessors who broke through barriers that denied women opportunities for self expression This reference highlights American women writers who continue to build upon the formerly male dominated canon Included are alphabetically arranged entries for more than 60 American women writers of diverse ethnicity who wrote or published their most significant fiction after World War II Each entry is written by an expert contributor and includes L DBLA brief biography L DBLA discussion of major works and themes DBLA survey of the writer's critical reception L DBLA bibliography of primary and secondary sources

The Banshees Sally Barr Ebest, 2013-10-22 Although much has been written about American feminism and its influence on culture and society very little has been recorded about the key role played by Irish American women writers in exposing women's issues protecting their rights and anticipating if not effecting change Like the mythical Irish banshee who delivered fore warnings of imminent death Irish American women through their writing have repeatedly warned of the death of women's rights These messages carried the greatest potency at liminal times when feminism was under attack due to the politics of civil society the government or the church The Banshees traces the feminist contributions of a wide range of Irish American women writers from Mother Jones Kate Chopin and Margaret Mitchell to contemporary authors such as Gillian Flynn Jennifer Egan and Doris Kearns Goodwin To illustrate the growth and significance of their writing the book is organized chronologically by decade Each chapter details the progress and setbacks of Irish American women during that period by revealing key themes in their novels and

memoirs contextualized within a discussion of contemporary feminism Catholicism Irish American history American politics and society The Banshees examines these writers roles in protecting women s sovereignty rights and reputations Thanks to their efforts feminism is revealed as a fundamental element of Irish American literary history *Moral Status* Mary Anne Warren,1997-11-13 Mary Anne Warren explores a theoretical question which lies at the heart of practical ethics what are the criteria for having moral status In other words what are the criteria for being an entity towards which people have moral obligations Some philosophers maintain that there is one intrinsic property for instance life sentience humanity or moral agency Others believe that relational properties such as belonging to a human community are more important In Part I of the book Warren argues that no single property can serve as the sole criterion for moral status instead life sentience moral agency and social and biotic relationships are all relevant each in a different way She presents seven basic principles each focusing on a property that can in combination with others legitimately affect an agent s moral obligations towards entities of a given type In Part II these principles are applied in an examination of three controversial ethical issues voluntary euthanasia abortion **Home Territories** David Morley,2000 Home Territories examines how traditional ideas of home homeland and nation have been destabilised both by new patterns of migration and by new communication technologies which routinely transgress the symbolic boundaries around both the private household and the nation state David Morley analyses the varieties of exile diaspora displacement connectedness mobility experienced by members of social groups and relates the micro structures of the home the family and the domestic realm to contemporary debates about the nation community and cultural identities He explores issues such as the role of gender in the construction of domesticity and the conflation of ideas of maternity and home and engages with recent debates about the territorialisation of culture

Flannery O'Connor Sarah Gordon,2000 Disturbing ironic haunting brutal What inner struggles led Flannery O Connor to create fiction that elicits such labels Much of the tension that drives O Connor s writing says Sarah Gordon stems from the natural resistance of her imagination to the obedience expected by her male centered church society and literary background Flannery O Connor The Obedient Imagination shows us a writer whose world was steeped in male presumption regarding women and creativity The book is filled with fresh perspectives on O Connor s Catholicism her upbringing as a dutiful upper class southern daughter her readings of Thurber Poe Eliot and other arguably misogynistic authors and her schooling in the New Criticism As Gordon leads us through a world premised on expectations at odds with O Connor s strong and original imagination she ranges across all of O Connor s fiction and many of her letters and essays While acknowledging O Connor s singular situation Gordon also gleans insights from the lives and works of other southern writers Eudora Welty Caroline Gordon and Margaret Mitchell among them Flannery O Connor The Obedient Imagination draws on Sarah Gordon s thirty years of reading teaching and discussing one of our most complex and influential authors It takes us closer than we have ever been to the creative struggles behind such literary masterpieces as Wise Blood and A Good Man Is Hard to Find **Irish**

America Maureen Dezell, 2002-03-05 Old time politics piety and St Patrick's Day parades loom large when the Irish come to the American mind. None truly represents the complex legacy or contributions of the nation's oldest ethnic group who rank among the most highly educated and affluent Americans today. In *Irish America* Maureen Dezell takes a new and invigorating look at Americans of Irish Catholic ancestry: who they are and how they got that way. A welcome antidote to so many standard-issue sentimental representations of the Irish in the United States, *Irish America* focuses on popular culture as well as politics: the Irish in the Midwest and West as well as the East; the new Irish immigrants; the complicated role of the Church today; and the unheralded heritage of Irish American women. Deftly weaving history, reporting, and the observations of more than 100 men and women of Irish descent on both sides of the Atlantic, Dezell presents an insightful and highly readable portrait of a people and a culture.

Crazy for Democracy Temma Kaplan, 2016-01-08 *Crazy for Democracy* vividly shows through the lives of six women in the United States and South Africa just what can be and is being accomplished to change our lives. At a time when we're depressed about democracy, pessimistic about race relations, and anxious about feminism, *Crazy for Democracy* vividly shows through the lives of six women in the United States and South Africa just what can be and is being accomplished to change our lives. In building real social movements to achieve a safe environment, win human rights, and safeguard their homes, these grassroots feminist leaders have been creating democratic institutions to achieve social justice for us all.

Mobility Peter Adey, 2017-05-23 *Mobility* aims to take the pulse of this enormously expanded and energetic field. It explores the breadth of the disciplinary areas; mobility studies now encompass examining the diverse conceptual and methodological approaches wielded within the field and explores the utility of mobility to illuminate a cornucopia of mobile lives: from the mass movements of individuals within global processes such as migration and tourism to homelessness and war; from the entangled relations caught up in the movement of disease, people, and aid across borders to the inability of someone to cross over a road. The new edition explores the more sustained elaboration of mobility studies within a wide variety of disciplinary approaches and subject matters. It echoes the growing internationalization of mobility research reflected in diverse case studies from the Global South, South Asia, Latin America, the Caribbean, and so far under-represented perspectives from China, Australasia, post-socialist Eastern Europe, the Middle East, and elsewhere. The book also features an additional chapter on mobility studies to survey and explore the diverse quality of the field and methodologies in order to reflect the growing diversity of methodological approaches to mobilities: from walk-alongs and critical cartography to the mobile arts. The book offers an accessible reading of the way mobility has been tackled and understood, neatly exploring and summarizing a topic that has exploded into different variations and nuances. The text allows scholars and students alike to grasp the central importance of mobility to social, cultural, political, economic, and everyday terrains by providing accessible writings on key authors, within key ideas, and case study boxes, suggested further readings, and summaries, while at the same time making a significant contribution to scholarly writings and debates.

Sub City: Young People, Homelessness and

Crime Julia Wardhaugh, 2017-07-05 Documenting young people's experiences of homelessness, crime and danger, this book analyzes the construction of homelessness as a social and legal problem. It addresses themes of home and homelessness, exclusion and marginality, and risk and urban incivilities.
