Education Mobility Among Harijans:

Education and Mobility Among Harijans M. Showeb,1986 **Social Mobility Among Scheduled Castes** C. L.

Sharma,1996 The book is an outcome of a report of a major research project sponsored by UGC New Delhi entitled A study of scheduled castes in two districts of rural Rajasthan which was submitted by the author in March 1995 It deals with the various dimensions of social change which are largely affected by occupational mobility and or continuity in the people of two major categories viz leatherworking and scavenging **Occupational Mobility among Scheduled Castes** Jagan

Karade,2020-10-27 The book discusses the educational achievements and occupational mobility among the Scheduled Castes in India the group that is a large section of Indian population called as Dalit was deprived of their basic legitimate and human rights to live with dignity The book shows that the second generation of Scheduled Castes is highly mobile as compared to their fathers generation It also attempts to measure the impact of Inclusive Policy provided by the Government of India In this book author found that after the religious conversion under the leadership of Dr Babasaheb Ambedkar the Mahars converted to Buddhism Therefore the Buddhist community is more aware about the occupational development as compared to other communities Hence the development of the Buddhists could be treated as an ideal model for all the Backward Classes in India **Scheduled Caste Welfare** R. B Singh,2003 Study conducted at Amritsar District of Punjab State India

The Challenges of Culture-based Learning Samuel Yim,2009-06-16 This book investigates the impact of culture based learning among secondary school children in India The bias of cultural values can determine a student s learning preference This study reflects that students have the potential to adapt and develop their learning styles according to society family religion and cultural demands While traditional values are against certain types of students there is still hope for strategic change by stimulating educators to transform the way students should be allowed to learn **Education and Caste in**

India Ghanshyam Shah,Kanak Kanti Bagchi,Vishwanatha Kalaiah,2020-06-04 Seven decades since Indian Independence education takes the centre stage in every major discussion on development especially when we talk about social exclusion Dalits and reservations today This book examines social inclusion in the education sector in India for Scheduled Castes SCs The volume Foregrounds the historical struggles of the SCs to understand why the quest for education is so central to shaping SC consciousness and aspirations Works with exhaustive state level studies with a view to assessing commonalities and differences in the educational status of SCs today Takes stock of the policymaking and extent of implementations across Indian states to understand the challenges faced in different scenarios Seeks to analyse the differential in existing economic conditions and other structural constraints in relation to access to quality educational facilities Examines the social perceptions and experiences of SC students as they live now A major study the volume will be of great interest to scholars and researchers of education sociology and social anthropology development studies and South Asian studies **Social**

Mohanty, 2003 Contents Introduction Socio Economic Background of the Study Villages Development Process and Dalits The Bauris Development Impact on the Bauri Beneficiaries Consequential Changes Quality of Life Summary and Conclusion *Protective Discrimination* A. K. Lal, 2001 Contributed seminar articles with reference to India Structure and Change in Indian Society Milton B. Singer, Bernard S. Cohn, Recent theoretical and methodological innovations in the anthropological analysis of South Asian societies have introduced distinctive modifications in the study of Indian social structure and social change This book reporting on twenty empirical studies of Indian society conducted by outstanding scholars reflects these trends not only with reference to Indian society itself but also in terms of the relevance of such trends to an understanding of social change more generally The contributors demonstrate the adaptive changes experienced by the studied groups in particular villages towns cities and regions The authors view the basic social units of joint family caste and village not as structural isolates but as intimately connected with one another and with other social units through social and cultural networks of various kinds that incorporate the social units into the complex structure of Indian civilization Within this broadened conception of social structure these studies trace the changing relations of politics economics law and language to the caste system Showing that the caste system is dynamic with upward and downward mobility characterizing it from pre British times to the present the studies suggest that the modernizing forces which entered the system since independence parliamentary democracy universal suffrage land reforms modern education urbanization and industrial technology provided new opportunities and paths to upward mobility but did not radically alter the system The chapters in this book show that the study of Indian society reveals novel forms of social structure change They introduce methods and theories that may well encourage social scientists to extend the study of change in Indian society to the study of change in other areas Milton Singer
