Elizabeth Dole Public Servant:

Elizabeth Dole Carolyn Mulford, 1992 A biography of the current president of the American Red Cross from her childhood in North Carolina through her years of public service in Washington D C **Elizabeth Dole** Dana Meachen Rau, 2007-07 A biography of Elizabeth Dole who held the posts of U S Senator U S Secretary of Transportation U S Secretary of Labor and President of the American Red Cross **Elizabeth Hanford Dole** Molly M. Wertheimer, Nichola D. Gutgold, 2004-12-30 As a politician what you say and how you say it is almost as important as what you do Political careers are made based not only on substantive achievements but also on style presentation speeches and debates Dole s is no exception After a career in government service spanning six presidents from Lyndon B Johnson to George H W Bush she became widely recognized as a leading Republican politician in her own right after her 1996 speech at the GOP convention In 1999 she spent six months campaigning for president before dropping out of the race due to a lack of adequate funds and in 2002 she was elected U S Senator from North Carolina In this biography of Dole the authors show how she has been able to advance the causes she cares about as well as her political career through her consummate skills as a public speaker Dole s career included service in two cabinets as Secretary of Transportation Reagan and Secretary of Labor Bush and she also served as president of the American Red Cross The authors quote liberally from her speeches and interviews to illustrate the events of her political career and to place her choices personal career and political in the context of the times and places in which she grew up and came of age Her trajectory from Southern belle debutante to Harvard Law School student and from political wife to presidential candidate and U S senator is fascinating and the deftness with which she has been able to deflect the criticisms thrown her way is instructive for women of both political parties and for politicians of both genders The Style and Rhetoric of Elizabeth Dole Rachel B. Friedman, Ronald E. Lee, 2013-12-18 This book analyses the public discourse of Elizabeth Dole It explores the way in which this trail blazing public figure navigated the double binds that confront women who obtain and exercise political power The text argues that Dole crafted a conservative feminine persona in which she depicted herself as a selfless public servant This sense of servant was defined through Dole s appeal to the transcendent moral purposes of Christianity She used this image to great effect in her most noteworthy public addresses especially her 1996 Republican National Convention speech in support of her husband s presidential campaign In her 2008 unsuccessful North Carolina U S Senate reelection campaign Elizabeth Dole s political style unraveled in the face of a series of effective attacks by her opponent Kay Hagan and her own desperate rhetorical appeals to stave off defeat *Marine, Public Servant, Kansan* Dennis Raphael Garcia, 2018-08-07 For Ernest Ernie Garcia the American dream began in Mexico more than a hundred years ago Ernie raised in Kansas became the US Senate sergeant at arms and escorted President Ronald Reagan to the podium to deliver the State of the Union address After the president s speech Ernie reflected on his family s long and arduous journey from Zacatecas to El Paso to Kansas as well as on his presence in the Capitol alongside the president Congress and the

Supreme Court He was certain his ancestors never imagined that their dreams would lead him to the White House Ernie's experience as sergeant at arms is just one chapter in the inspiring life story told in this book Drawing upon oral histories recounted by family members friends and Ernie himself Dennis Raphael Garcia reaches back to the travails and grit of great grandfather Pedro as he made his way to the American heartland with his son Jose Like so many immigrants with courage and determination they found great hardship but also great opportunity A decade of field labor the Great Depression the Dust Bowl and two world wars laid the groundwork for Ernie's story Marine Public Servant Kansan describes how this Mexican American boy fatherless at a young age and facing discrimination found his way to a place alongside a senator and a president through hard work and education and some basketball Along the way he realized his own ambition to become an officer in the Marine Corps The book follows Ernie through both Iraq wars to his service even in retirement as superintendent of the Kansas State Highway Patrol In Marine Public Servant Kansan the remarkable character of not just one Kansan son of Mexican immigrants but also the immigrant experience itself is eloquently and poignantly weaved into the story of Ernie and his family's American dream

Gender and Political Communication in America Janis L. Edwards, 2009-01-01 At a time when presidential campaigns are shaped to appeal to women voters when masculinity constructs impinge on wartime leaders and when the

United States appears to move towards the possibility of a woman president it is vital that communication scholarship addresses the issue of gender and politics in a comprehensive manner Gender and Political Communication in America Rhetoric Representation and Display takes on this challenge as it investigates from a rhetorical and critical standpoint the intersection and mutual influences of gender and political communication as they are realized in the nation s political discourse Representing some of the leading investigators on gender and political communication as well as emerging scholars the volume s contributors update and interrogate contemporary issues of gendered politics applicable to the 21st century including the historic 2008 election Through their original research the contributors offer critical examinations of the impact of salient theories and models of gender studies as they relate to historical and contemporary roles and practices in the political sphere Gender and Political Communication in America s broad and diverse engagement with the subject matter makes it a must read for those interested in women s studies and political communication *Paving the Way for Madam President* Nichola D. Gutgold,2006-01-01 This book chronicles the lives communication styles and presidential bids of five remarkable women_Margaret Chase Smith Shirley Chisholm Patricia Schroeder Elizabeth Dole and Carol Moseley Braun_ while also addressing the obstacles and opportunities for women as presidential contenders *Congressional Record* United States. Congress,2001 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 The Alumni Factor Amanda Atkins,2013-09-10 Most college and university ranking guides give insight into who comes into the college The Alumni Factor is more interested in who comes out Woman President Kristina Horn Sheeler,Karrin Vasby Anderson,2013-09-01 What elements of American political and rhetorical culture block the imagining and thus the electing of a woman as president Examining both major party and third party campaigns by women including the 2008 campaigns of Hillary Clinton and Sarah Palin the authors of *Woman President Confronting Postfeminist Political Culture* identify the factors that limit electoral possibilities for women Pundits have been predicting women s political ascendancy for years And yet although the 2008 presidential campaign featured Hillary Clinton as an early frontrunner for the Democratic presidential nomination and Sarah Palin as the first female Republican vice presidential nominee no woman has yet held either of the top two offices The reasons for this are complex and varied but the authors assert that the question certainly encompasses more than the shortcomings of women candidates or the demands of the particular political moment Instead the authors identify a pernicious backlash against women presidential candidates one that is expressed in both political and popular culture In *Woman President Confronting Postfeminist Political Culture* Kristina Horn Sheeler and Karrin Vasby Anderson provide a discussion of US presidentiality as a unique rhetorical role Within that framework they review women s historical and

contemporary presidential bids placing special emphasis on the 2008 campaign They also consider how presidentiality is framed in candidate oratory campaign journalism film and television digital media and political parody

Inside Affirmative Action Karin Williamson Pedrick, Sandra Arnold Scham, 2018-08-06. Affirmative action is still a reality of the American workplace. How is it that such a controversial Federal program has managed to endure for more than five decades? Inside Affirmative Action addresses this question. Beyond the usual ideological debate and discussions about the effects of affirmative action for either good or ill upon issues of race and gender in employment, this book recounts and analyzes interviews with people who worked in the program within the government, including political appointees. The interviews and their historical context provide understanding and insight into the policies and politics of affirmative action and its role in advancing civil rights in America. Recent books published on affirmative action address university admissions, but very few of them ever mention Executive Order 11246 or its enforcement by an agency within the Department of Labor, let alone discuss in depth the profound workplace diversity it has created or the employment opportunities it has generated. This book charts that history through the eyes of those who experienced it. Inside Affirmative Action will be of interest to those who study American race relations, policy, history, and law.
