spiritual and heartfelt reflection on the power of Seton's wise words of hope for any crisis **A Saint of Our Own** Kathleen Sprows Cummings, 2019-02-27 What drove U S Catholics in their arduous quest full of twists and turns over more than a century to win an American saint The absence of American names in the canon of the saints had left many of the faithful feeling spiritually unmoored But while canonization may be fundamentally about holiness it is never only about holiness reveals Kathleen Sprows Cummings in this panoramic passionate chronicle of American sanctity Catholics had another reason for petitioning the Vatican to acknowledge an American holy hero A home grown saint would serve as a mediator between heaven and earth yes but also between Catholicism and American culture Throughout much of U S history the making of a saint was also about the ways in which the members of a minority religious group defined defended and celebrated their identities as Americans Their fascinatingly diverse causes for canonization from Kateri Tekakwitha and Elizabeth Ann Seton to many others that are failed forgotten or still under way represented evolving national values as Catholics made themselves at home Cummings's vision of American sanctity shows just how much Catholics had at stake in cultivating devotion to men and women perched at the nexus of holiness and American history until they finally felt little need to prove that they belonged Living Word 2021-2022 Jesse Bezan, Andrew Mountin, Jena Thurow-Mountin, 2021-02-03
