Littlefield, 2020-12-30 Prior to the twenty first century most historical writing about women in South Carolina focused on elite White women even though working class women of diverse backgrounds were actively engaged in the social economic and political battles of the state Although often unrecognized publicly they influenced cultural and political landscapes both within and outside of the state s borders through their careers writing art music and activism Despite significant cultural social and political barriers these brave and determined women affected sweeping change that advanced the position of women as well as their communities The entries in *101 Women Who Shaped South Carolina* which include many from the landmark text *The South Carolina Encyclopedia* offer a concise and approachable history of the state while recognizing the sacrifice persistence and sheer grit of its heroines and history makers A foreword is provided by Walter Edgar Neuffer Professor of Southern Studies Emeritus and Distinguished Professor Emeritus of History at the University of South Carolina **Biographical Dictionary of Modern American Educators** Shirley Ohles, Frederik Ohles, John Ramsay, 1997-10-28 Widely praised Greenwood s *Biographical Dictionary of American Educators* Greenwood 1978 quickly became a standard reference work for students and scholars of American education This new volume includes biographical sketches of more than 400 notable researchers leaders reformers critics and practitioners from all major fields of education and extends the coverage of its predecessor to the mid 20th century Its topical range encompasses such diverse areas as psychology music health measurement and evaluation science special education history and administration It treats education at all levels including early childhood elementary and secondary higher and adult Most of the educators profiled were active in the 20th century but several dozen have been included from the 19th century A

special effort has been made to include women and educators of color whose contributions have often been overlooked in the past Each biographical sketch includes information on family background a description of the educator s accomplishments and a digest of the person s education and career professional and civic service major publications and principal honors Each profile ends with a list of references and the volume closes with appendices listing birth places states of major service fields of work a chronological listing of educators and a list of important dates in American education A comprehensive index concludes the volume Educators are included from all fifty states and were selected from numerous suggested candidates for inclusion Most of the educators profiled were active in the 20th century but several dozen have been included from the 19th century A special effort has been made to include women and educators of color whose contributions have often been overlooked in the past

*101 African Americans Who Shaped South Carolina* Bernard E. Powers, Jr.,2020-10-12 The first people of African descent to live in what is now South Carolina enslaved people living in the sixteenth century Spanish settlements of San Miguel de Gualdape and Santa Elena arrived even before the first permanent English settlement was established in 1670 For more than 350 years South Carolina s African American population has had a significant influence on the state s cultural economic and political development 101 African Americans Who Shaped South Carolina depicts the long presence and profound influence people of African descent have had on the Palmetto State Each entry offers a brief description of an individual with ties to South Carolina who played a significant role in the history of the state nation and in some cases world Drawing upon the landmark text *The South Carolina Encyclopedia* edited by Walter Edgar the combined entries offer a concise and approachable history of the state and the African Americans who have shaped it A foreword is provided by Walter Edgar Neuffer Professor of Southern Studies Emeritus and Distinguished Professor Emeritus of History at the University of South Carolina

*South Carolina Women* Marjorie Julian Spruill,2010-01-25 The biographical essays in this volume provide new insights into the various ways that South Carolina women asserted themselves in their state and illuminate the tension between tradition and change that defined the South from the Civil War through the Progressive Era As old rules including gender conventions that severely constrained southern women were dramatically bent if not broken these women carved out new roles for themselves and others The volume begins with a profile of Laura Towne and Ellen Murray who founded the Penn School on St Helena Island for former slaves Subsequent essays look at such women as the five Rollin sisters members of a prominent black family who became passionate advocates for women s rights during Reconstruction writer Josephine Pinckney who helped preserve African American spirituals and explored conflicts between the New and Old South in her essays and novels and Dr Matilda Evans the first African American woman licensed to practice medicine in the state Intractable racial attitudes often caused women to follow separate but parallel paths as with Louisa B Poppenheim and Marion B Wilkinson Poppenheim who was white and Wilkinson who was black were both driving forces in the women s club movement Both saw clubs as a way not only to help women and children but also to showcase these

positive changes to the wider nation Yet the two women worked separately as did the white and black state federations of women s clubs Often mixing deference with daring these women helped shape their society through such avenues as education religion politics community organizing history the arts science and medicine Women in the mid and late twentieth century would build on their accomplishments

**An Architecture of Education** Angel David Nieves,2018 Examines material culture and the act of institution creation especially through architecture and landscape to recount a deeper history of the lives of African American women in the post Civil War South

**American Black Women in the Arts and Social Sciences; A Bibliographic Survey** Ora Williams,1994-01-01 Calls attention to the many contributions African American women have made to American and world culture Includes pictures of artists art works and authors
