**Elizabethan and Other Essays** Sir Sidney Lee, 1929      Elizabethan and Other Essays Sidney Lee, 1968      Elizabethan and Other Essays ... Selected and Edited by Frederick S. Boas. Vaughan, Virginia Mason Vaughan, 1991 Shakespeare's Caliban examines The Tempest's savage and deformed slave as a fascinating but ambiguous literary creation with a remarkably diverse history The authors one a historian and the other a Shakespearean explore the cultural background of Caliban's creation in 1611 and his disparate metamorphoses to the present time      *Annual Bibliography of English Language and Literature* ,      Historical Dictionary of the Elizabethan World John A. Wagner, 2000 Provides clear definitions and descriptions of people events institutions ideas and terminology relating in some significant way to the Elizabethan period The first dictionary of history to focus on Elizabeth's reign      A Selective Bibliography of Shakespeare James Gilmer McManaway, Jeanne Addison Roberts, 1975 This bibliography provides easy access to the most important Shakespeare studies in the past four decades Brief annotations a detailed table of contents cross references and a complete index make this bibliography especially useful      *William Empson: Essays on Renaissance Literature: Volume 1, Donne and the New Philosophy* William Empson, 1993-03-18 Following the success in paperback of William Empson's Essays on Shakespeare 1986 this first volume of his Essays on Renaissance Literature 1993 now appears in an accessible format The volume gathers Empson's passionate and controversial essays on John Donne in the context of contemporary science and includes previously unpublished pieces on some of the most influential Renaissance writers and scientists Edited and introduced by leading Empson scholar John Haffenden this is a book for anyone interested in the Renaissance the history of science and the history of literary criticism Some of these passages have a sweep as grand as Empson found in Donne Eric Griffiths The Times Literary Supplement Empson's achievement here as elsewhere comes from the generosity of spirit which made him consistently a great critic The New York Review of Books      *Annual Bibliography of English Language and Literature* Modern Humanities Research Association, 1928 Includes both books and articles      **Biography** Ira B.

Shakespeare has never been more ubiquitous not only on the stage and in academic writing but in film video and the popular press On television he advertises everything from cars to fast food His birthplace the tiny Warwickshire village of Stratford Upon Avon has been transformed into a theme park of staggering commercialism and the New Globe in its second season is already a far bigger business than the old Globe could ever have hoped to be If popular culture cannot do without Shakespeare continually reinventing him and reimagining his drama and his life neither can the critical and scholarly world for which Shakespeare has for more than two centuries served as the central text for analysis and explication the foundation of the western literary canon and the measure of literary excellence The Shakespeare the essays collected in these volumes reveal is fully as multifarious as the Shakespeare of theme parks movies and television Indeed it is part of the continuing reinvention of Shakespeare The essays are drawn for the most part from work done in the past three decades though a few essential enabling essays from an earlier period have been included They not only chart the directions taken by Shakespeare studies in the recent past but they serve to indicate the enormous and continuing vitality of the enterprise and the extent to which Shakespeare has become a metonym for literary and artistic endeavor generally     The Routledge Research Companion to Anglo-Italian Renaissance Literature and Culture Michele Marrapodi,2019-03-05 The aim of this Companion volume is to provide scholars and advanced graduate students with a comprehensive and authoritative state of the art review of current research work on Anglo Italian Renaissance studies Written by a team of international scholars and experts in the field the chapters are grouped into two large areas of influence and intertextuality corresponding to the dual way in which early modern England looked upon the Italian world from the English perspective Part 1 Italian literature and culture and Part 2 Appropriations and ideologies In the first part prominent Italian authors artists and thinkers are examined as a direct source of inspiration imitation and divergence The variegated English response to the cultural ideological and political implications of pervasive Italian intertextuality in interrelated aspects of artistic and generic production is dealt with in the second part Constructed on the basis of a largely interdisciplinary approach the volume offers an in depth and wide ranging treatment of the multifaceted ways in which Italy s material world and its iconologies are represented appropriated and exploited in the literary and cultural domain of early modern England For this reason contributors were asked to write essays that not only reflect current thinking but also point to directions for future research and scholarship while a purposefully conceived bibliography of primary and secondary sources and a detailed index round off the volume     *A Shakespeare Reference Library* Sir Sidney Lee,Edmund Kerchever Chambers,1925
