Elizabethan Recusant Prose 1559 158:

Elizabethan Recusant Prose, 1559-1582 A. C. Southern, 1950 *The Brotherhood of the Common Life and Its Influence* Ross Fuller, 1995-01-01 This book presents a lost tradition of inner work the way of the householder which was believed by the Brotherhood of Common Life to have been the teaching of the Apostles It focuses on the emergence amidst the decay of medieval culture of the mixed life this reconciliation of action and contemplation as the essential link between Catholic spirituality and Protestantism The transmission of this work to lay persons seeking the interior dimensions of their lives without withdrawing from the world is presented The hitherto monastic spiritual exercises for strengthening attention are discussed in depth The traditional and vital Christian knowledge of the human condition which the Brothers and Sisters verified for themselves is emphasized especially the crucial significance of the force of attention in the recollection of oneself and God The importance of strengthening attentive awareness is everywhere alluded to in the sources but virtually ignored in current accounts of the Christian heritage The book traces a transmission of spiritual exercises supported by a strong psychological base that is strangely familiar to the climate of today's search for meaning

Edmund Campion Gerard Kilroy, 2016-12-05 Edmund Campion A Scholarly Life is the response at long last to Evelyn Waugh's call in 1935 for a scholarly biography to replace Richard Simpson's *Edmund Campion 1867* Whereas early accounts of his life focused on the execution of the Jesuit priest this new biography presents a more balanced assessment placing equal weight on Campion's London upbringing among printers and preachers and on his growing stature as an orator in an Oxford riven with religious divisions Ireland chosen by Campion as a haven from religious conflict is shown paradoxically to have determined his life and his death Gerard Kilroy here draws on newly discovered manuscript sources to reveal Campion as a charismatic and affectionate scholar who was finding fulfilment as priest and teacher in Prague when he was summoned to lead the first Jesuit mission to England The book argues that the delays in his long journey suggest reluctant acceptance even before he was told that Dr Nicholas Sander had brought holy war to Ireland so that Campion landed in an England that was preparing for papal invasion The book offers fresh insights into the dramatic search for Campion the populist nature of the disputations
