THE BIG BOOK OF ELLEN G. WHITE ERRORS Earl Pickett, 2013-12-07 She is held in high esteem as a prophetess of God to millions of Seventh day Adventists According to their books and research she passes every test of a Biblical prophet However not all the information is being shared This book will reveal 200 amazing and shocking things that Ellen G White said that the SDA Church doesn t want you to know about This book was written to expose sincere Bible loving Adventists to a side of Mrs White that they have never seen before It is my hope that this book will be the truth that sets them free and causes the powers that be in the SDA church to make the Bible and only the Bible their source of all authority **Walking with Ellen White** George R. Knight, 1999 Ellen G White: Prophet of Destiny Rene Noorbergen, 2011-10-26 In April 1906 Ellen G White was granted a vision foreseeing the destruction of the city of San Francisco Two days later an earthquake struck leveling the city Once again Ellen G White had somehow seen into the future Since girlhood she had had more than 2

000 visions revealing truths of religion history medicine and nutrition often foreshadowing scientific discoveries yet to be made Inspired by these visions and her sense of the presence of God Ellen G White worked throughout her life first to help found the Seventh day Adventist Church then to spread its word around the world She lived to see it become one of the major religious forces of our time and during her lifetime wrote more than fifty books which have been translated into one hundred languages and sold in the millions of copies All of this she accomplished in the face of dire poverty with no formal schooling beyond the third grade Rene Noorbergen s bestseller is a full and fascinating portrait of a truly remarkable yet strangely little known woman
