Elmer Grunon:

El Dios de la historia Daniel Schwabauer, 2025-09-16 Muchos de nosotros hemos sido enseñados a leer las Escrituras como una colección de información que necesita ser categorizada sistematizada y analizada versículo por versículo concepto por concepto Pero la Biblia no es un rompecabezas y no fue escrita solo en hebreo arameo y griego También fue escrita en el lenguaje de las historias Y como sucede con toda buena historia podemos conocer personajes vibrantes desentrañar misterios y ver el mundo desde una perspectiva diferente Todo tiene más sentido cuando se entiende desde la perspectiva de la narración En *The God of Story* Daniel Schwabauer explora los principios narrativos de tema contexto caracterización voz y trama como un lente para comprender el arco narrativo cósmico de la relación de Dios con la humanidad Al incluir reinterpretaciones creativas de historias bíblicas demuestra cómo involucrarse con las Escrituras a través de la imaginación Para una forma renovada de leer la Biblia y descubrir cómo sus historias se conectan con la tuya comienza aprendiendo a ver a Dios como el maestro narrador _____ Many of us have been taught to read Scripture as a collection of information that needs to be categorized systematized and analyzed verse by verse concept by concept But the Bible isn't a jigsaw puzzle and it wasn't written in just Hebrew Aramaic and Greek It was also written in the language of story And as with every good story we get to meet colorful characters unravel mysteries and see the world from a different point of view It all makes more sense when understood from the perspective of storytelling In *The God of Story* Daniel Schwabauer explores the narrative principles of theme context characterization voice and plot as a lens for understanding the cosmic story arc of God's relationship to humanity By including creative retellings of biblical stories he demonstrates how to engage Scripture with imagination For a fresh approach to reading the Bible and discovering how its stories connect to your own start by learning to see God as the master storyteller
