The One, Elton John (cassette). Elton\* John,      *Sleeping with the Past, Elton John (cassette)*. Elton\* John,      **Elton**

**John's Blue Moves** Matthew Restall, 2020-05-14 By 1976 Elton John was the best selling recording artist and the highest grossing touring act in the world With seven 1 albums in a row and a reputation as a riveting piano pounding performer the former Reggie Dwight had gone with dazzling speed from the London suburbs to the pinnacles of rock stardom his songs never leaving the charts his sold out shows packed with adoring fans Then he released Blue Moves and it all came crashing down Was the commercially disappointing and poorly reviewed double album to blame Can one album shoot down a star No argues Matthew Restall Blue Moves is a four sided masterpiece as fantastic as Captain Fantastic as colorful as Goodbye Yellow Brick Road a showcase for the three elements piano playing troubadour full orchestra rock band with which Elton John and his collaborators redirected the evolution of popular music Instead both album and career were derailed by a perfect storm of circumstances Elton s decisions to stop touring and start his own label the turbulent shiftings of popular culture in the punk era the minefield of attitudes toward celebrity and sexuality The closer we get to Blue Moves the better we understand the world into which it was born and vice versa Might that be true of all albums      **The Encyclopedia of Popular Music** Colin Larkin, 2011-05-27 This text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day      **Top 40 Democracy** Eric Weisbard, 2014-11-27 If you drive into any American city with the car stereo blasting you ll undoubtedly find radio stations representing R B hip hop country Top 40 adult contemporary rock and Latin each playing hit after hit within that musical format American music has created an array of rival mainstreams complete with charts in multiple categories Love it or hate it the world that radio made has steered popular music and provided the soundtrack of American life for more than half a century In Top 40 Democracy Eric Weisbard studies the evolution of this multicentered pop landscape along the way telling the stories of the Isley Brothers Dolly Parton A M Records and Elton John among others He sheds new light on the upheavals in the music industry over the past fifteen years and their implications for the audiences the industry has shaped Weisbard focuses in particular on formats constructed mainstreams designed to appeal to distinct populations showing how taste became intertwined with class race gender and region While many historians and music critics have criticized the segmentation of pop radio Weisbard finds that the creation of multiple formats allowed different subgroups to attain a kind of separate majority status for example even in its most mainstream form the R B of the Isley Brothers helped to create a sphere where black identity was nourished Music formats became the one reliable place where different groups of Americans could listen to modern life unfold from their distinct perspectives The centers of pop it turns out were as complicated diverse and surprising as the cultural margins Weisbard s stimulating book is a tour de force shaking up our ideas about the mainstream music industry in order to tease out the

cultural importance of all performers and songs      **Popular Music** Roman Iwaschkin, 2016-04-14 This is a comprehensive guide to popular music literature first published in 1986 Its main focus is on American and British works but it includes significant works from other countries making it truly international in scope      London and New York, Elton John (cassette).

Elton\* John,      **The Mix** ,1995      On Elton John Edwin Erle Sparks Professor of History Anthropology and Women's Gender & Sexuality Studies and Director of Latin American Studies Matthew Restall, Matthew Restall, 2025 Sir Elton John is a living superlative As the solo musical artist who has sold more records worldwide than any other his biography is packed with mosts buoyed by the fact that he is now in his sixth decade in the music business enacting his retirement Jexit as the British press have dubbed it while simultaneously working as hard as ever to burnish his status as an icon not just of popular music but of popular culture Although the literature on John is consequently extensive a novel approach to his career and music is here offered by historian Matthew Restall      The Popular Music Teaching Handbook B. Lee Cooper, Rebecca A. Condon, 2004-04-30 The function of print resources as instructional guides and descriptors of popular music pedagogy are addressed in this concise volume Increasingly public school teachers and college level faculty members are introducing and utilizing music related educational approaches in their classrooms This book lists reports dealing with popular music resources as classroom teaching materials and will stimulate further thought among students and teachers It focuses on the growing spectrum of published scholarship available to instructors in specific teaching fields art geography social studies urban studies and so on as well as on the multitude of general resources including biographical directories and encyclopedias of artist profiles Building on two recent publications Teaching with Popular Music Resources A Bibliography of Interdisciplinary Instructional Approaches Popular Music and Society XXII no 2 Summer 1998 and American Culture Interpreted through Popular Music Interdisciplinary Teaching Approaches Bowling Green State University Popular Press 2000 this volume focuses on the growing spectrum of published scholarship that is available to instructors in specific teaching fields art geography social studies urban studies and so on as well as on the multitude of general resources including biographical directories and encyclopedias of artist profiles      **Prohibiting piracy of Sound Recordings** United States.
