Facing the East in the West Barbara Korte, Eva Ulrike Pirker, Sissy Helff, 2010 Over the last decade migration flows from Central and Eastern Europe have become an issue in political debates about human rights, social integration, multiculturalism and citizenship in Great Britain. The increasing number of Eastern Europeans living in Britain has provoked ambivalent and diverse responses including representations in film and literature that range from travel writing, humorous fiction, mockumentaries, musicals, drama and children's literature to the thriller. The present volume discusses a wide range of representations of Eastern and Central Europe and its people as reflected in British literature, film and culture. The book offers new readings of authors who have influenced the cultural imagination since the nineteenth century such as Bram Stoker, George Bernard Shaw, Joseph Conrad and Arthur Koestler. It also discusses the work of more contemporary writers and film directors including Sacha Baron Cohen, David Cronenberg, Vesna Goldsworthy, Kapka Kassabova, Marina Lewycka, Ken Loach, Mike Phillips, Joanne K. Rowling and Rose Tremain. With its focus on post-Wall Europe, *Facing the East in the West* goes beyond discussions of migration to Britain from an established postcolonial perspective and contributes to the current exploration of new European identities.

Don't Look Behind You Ann Rule, 2020-12-01 The #1 New York Times bestselling author and true crime master Ann Rule presents her fifteenth volume of the acclaimed Crime Files series focusing on disturbing stories of people in danger, sometimes from strangers and sometimes from the people they know and love. Walking home on a dark night, you hear footsteps coming up behind you. As they get closer, your heart pounds harder. Is it a dangerous stranger or someone you know and trust? The answer is as simple as turning around, but don't look behind you. Run. With her signature in-depth research and compelling writing, Ann Rule chronicles fateful encounters with the secret predators hiding in plain sight. First in line is a stunning case that spanned thirty years and took one determined detective to four states, ending finally in Alaska where he unraveled not one but two murders. A second case appears to begin and end with the hunt for the Green River Killer, focusing on a Washington State man who was once cleared as a suspect in that deadly chain of homicides. In another true story, a petite woman went to a tavern looking only for conversation and fun. Instead, she met violent death in the form of a seven-foot-tall man who had seemed shy and harmless. You'll feel a chill as you uncover these and numerous other cases of unfortunate victims who made one tragic mistake: trusting the wrong person, even someone they thought they knew.

"Gypsies" in European Literature and Culture V. Glajar, D. Radulescu, 2008-04-28 This book traces representations of Gypsies that have become prevalent in the European imagination and culture and influenced the perceptions of Roma in Eastern and Western European societies.

Django Generations Siv B. Lie, 2021-10-22 The distinctive sound of the swing-driven guitar style of Django Reinhardt has become almost synonymous with a carefree bohemian Frenchness to fans all over the world. However,

we in the US refer to his music using a telling designation Django is known here as the father of gypsy jazz In France the cultural significance of the musical style called jazz manouche in reference to his origins in the Manouche subgroup of Romanies known pejoratively as Gypsies is fraught both for the Manouche and for the white French men and women eager to claim Django as a native son In Django Generations ethnomusicologist Siv B Lie explores the complicated ways in which Django s legacy and jazz manouche express competing notions of what it means to be French Though jazz manouche is overwhelmingly popular in France Manouche people are more often treated as outsiders However some Manouche people turn to their musical heritage to gain acceptance in mainstream French society Considering all of the characteristics and roles attributed to Django as a world renowned jazz musician as an artistic pioneer as a representative of French heritage and as a Manouche jazz manouche becomes a potent means for performers and listeners to articulate their relationships with French society actual or hoped for Weaving together a history of jazz manouche and ethnographic fieldwork undertaken in the bars festivals family events and cultural organizations where jazz manouche is performed and celebrated Lie offers insight into how a musical genre can channel arguments about national and ethnoracial belonging She argues that an uncomfortable cohabitation of Manouche identity and French identity lies at the heart of jazz manouche which is what makes it so successful and powerful

Gypsies and the British Imagination, 1807-1930
Deborah Epstein Nord,2008-11-28 *Gypsies and the British Imagination 1807 1930* is the first book to explore fully the British obsession with Gypsies throughout the nineteenth century and into the twentieth Deborah Epstein Nord traces various representations of Gypsies in the works of such well known British authors John Clare Walter Scott William Wordsworth George Eliot Arthur Conan Doyle and D H Lawrence Nord also exhumes lesser known literary ethnographic and historical texts exploring the fascinating histories of nomadic writer George Borrow the Gypsy Lore Society Dora Yates and other rarely examined figures and institutions Gypsies were both idealized and reviled by Victorian and early twentieth century Britons Associated with primitive desires lawlessness cunning and sexual excess Gypsies were also objects of antiquarian literary and anthropological interest As Nord demonstrates British writers and artists drew on Gypsy characters and plots to redefine and reconstruct cultural and racial difference national and personal identity and the individual s relationship to social and sexual orthodoxies Gypsies were long associated with pastoral conventions and in the nineteenth century came to stand in for the ancient British past Using myths of switched babies Gypsy kidnappings and the Gypsies murky origins authors projected onto Gypsies their own desires to escape convention and their anxieties about the ambiguities of identity The literary representations that Nord examines have their roots in the interplay between the notion of Gypsies as a separate often despised race and the psychic or aesthetic desire to dissolve the boundary between English and Gypsy worlds By the

beginning of the twentieth century she argues romantic identification with Gypsies had hardened into caricature a phenomenon reflected in D H Lawrence s *The Virgin and the Gipsy* and thoroughly obscured the reality of Gypsy life and history News for Farmer Cooperatives ,1947 *Sexual Politics and the Romantic Author* Sonia Hofkosh,1998-06-18 Exploring a range of early nineteenth century cultural materials from canonical poetry and critical prose to women s magazines and gift book engravings *Sexual Politics and the Romantic Author* offers new perspectives on the role of gender in Romanticism s defining paradigms of authorship The Romantic author s claim to individual agency is complicated by its articulation in a market system perceived to be impelled in large part by fantasies of female desire by what women read and write what they buy and sell how they look and where they look for pleasure These studies in the contested public spaces of literary labour elaborate the fundamental if invisible function of the woman as embodiment of authorial ambivalence in writing by Austen Byron Coleridge William Hazlitt Sarah Hazlitt Leigh Hunt Keats Mary Shelley William Wordsworth and others **The Survey** ,1928 *East of West* NA NA,2019-06-12 This ambitious collection offers an innovative look at crosscultural theatrical exchanges Overturning the argument that Western culture has been imposed on subject cultures in favor of the paradigm of exchange *East of West* examines the rich intersection of East and West in film television shows stage plays and operas from a range of countries The essays show how the East not only has resisted the cultural imperialism of the West but has transformed Western culture into local tradition at the same time as Western performances have poached images themes and characters from the East The essays provide a lively glimpse of creative hybridization and crosscultural adaptation as East meets West on the world s stages **A Community of One** Martin A. Danahay,1993-08-24 Complementing recent feminist studies of female self representation this book examines the dynamics of masculine self representation in nineteenth century British literature Arguing that the category autobiography was a product of nineteenth century individualism the author analyzes the dependence of the nineteenth century masculine subject on autonomy or self naming as the prerequisite for the composition of a life history The masculine autobiographer achieves this autonomy by using a feminized other as a metaphorical mirror for the self The feminized other in these texts represents the social cost of masculine autobiography Authors from Wordsworth to Arnold including Samuel Taylor Coleridge Thomas De Quincey John Ruskin Alfred Tennyson Robert Louis Stevenson John Stuart Mill and Edmund Gosse use female lovers and family members as symbols for the community with which they feel they have lost contact In the theoretical introduction the author argues that these texts actually privilege the autonomous self over the images of community they ostensibly value creating in the process a self enclosed and self referential community of one **Muslim Peoples: Acehnese** Richard V.
