**Robert E. Bonner**

## **Embattled Banner A Reasonable Defense Of The Confederate Battle Flag:**

*Embattled Banner* Don Hinkle, 1997-03-01 The first book devoted to the defense of the battle flag Written by newspaper editor reporter Don Hinkle With hundreds of interviews striking photos learn the true story about the Confederacy's beloved banner with roots so deep that it endured despite relentless attempts by those who confuse heritage with hate The Confederate Battle Flag John M. COSKI, 2009-06-30 Beautiful Minds explains how and why apes and dolphins are so distantly related yet so cognitively alike and what this teaches us about another large brained mammal Homo sapiens Noting that apes and dolphins have had no common ancestor in nearly 100 million years Bearzi and Stanford describe the parallel evolution that gave rise to their intelligence The Confederate Flag Anne Cunningham, 2017-12-15 Is it a symbol of pride in one's heritage or an ugly reminder of slavery and the fruits of racism The issue of whether the Confederate flag belongs in front of government buildings or even on Southern pride paraphernalia has been a hot button for more than a century long after the Civil War was fought and won This book takes a close look at the flag's origins its controversial history what meaning it has for Americans living today and the ongoing debate on its use and display **Confederate Symbols in the Contemporary South** J. Michael Martinez, William D. Richardson, Ronald L. McNinch-Su, 2017-10-15 A timely collection of essays examining the controversy surrounding the use display of Confederate symbols in the modern South Across the Bloody Chasm M. Keith Harris, 2014-11-24 Long after the Civil War ended one conflict raged on the battle to define and shape the war's legacy Across the Bloody Chasm deftly examines Civil War veterans commemorative efforts and the concomitant and sometimes conflicting movement for reconciliation Though former soldiers from both sides of the war celebrated the history and values of the newly reunited America a deep divide remained between people in the North and South as to how the country's past should be remembered and the nation's ideals honored Union soldiers could not forget that their southern counterparts had taken up arms against them while Confederates maintained that the principles of states rights and freedom from tyranny aligned with the beliefs and intentions of the founding fathers Confederate soldiers also challenged northern claims of a moral victory insisting that slavery had not been the cause of the war and ferociously resisting the imposition of postwar racial policies M Keith Harris argues that although veterans remained committed to reconciliation the sectional sensibilities that influenced the memory of the war left the North and South far from a meaningful accord Harris's masterful analysis of veteran memory assesses the ideological commitments of a generation of former soldiers weaving their stories into the larger narrative of the process of national reunification Through regimental histories speeches at veterans gatherings monument dedications and war narratives Harris uncovers how veterans from both sides kept the deadliest war in American history alive in memory at a time when the nation seemed determined to move beyond conflict *Neo-Confederacy* Euan Hague, Heidi Beirich, Edward H. Sebesta, 2009-09-15 A century and a half after the conclusion of the Civil War the legacy of the Confederate States of America continues to influence national politics in profound ways Drawing on magazines such as

Southern Partisan and publications from the secessionist organization League of the South as well as DixieNet and additional newsletters and websites Neo Confederacy probes the veneer of this movement to reveal goals far more extensive than a mere celebration of ancestry Incorporating groundbreaking essays on the Neo Confederacy movement this eye opening work encompasses such topics as literature and music the ethnic and cultural claims of white Anglo Celtic southerners gender and sexuality the origins and development of the movement and its tenets and ultimately its nationalization into a far reaching factor in reactionary conservative politics The first book length study of this powerful sociological phenomenon Neo Confederacy raises crucial questions about the mainstreaming of an ideology that founded on notions of white supremacy has made curiously strong inroads throughout the realms of sexist homophobic anti immigrant and often orthodox Christian populations that would otherwise have no affiliation with the regionality or heritage traditionally associated with Confederate history

**Politically Incorrect Guide to The South** Clint Johnson,2007-01-17 The latest installment in the New York Times bestselling Politically Incorrect Guide series expands on the pro South slant of the hugely successful Politically Incorrect Guide to American History Author Clint Johnson shows why the South with its emphasis on traditional values family faith military service good manners small government and independent minded people should certainly rise again

National Symbols, Fractured Identities Michael E. Geisler,2005 A fascinating look at national symbols worldwide and the important role they play in creating and maintaining individual and collective identity

**Warriors of the Wiregrass** ,2000

*Civil War* ,1998     The Southern Partisan ,1997     **North & South** ,2000     **Times, Places, Passages** International Society for Ethnology and Folklore. International Congress,Attila Paládi-Kovács,2004 Times Places Passages Ethnological Approaches in the New Millennium was the theme expressed in the title of the Seventh International Congress of the Societ Internationale d'Ethnologie et de Folklore SIEF in Budapest This ethnological congress held at the beginning of the new millennium takes its inaugural role seriously What is demanded from us is that we should try to imagine what will happen to human society and that we should be prepared for the historical moment of transition We should know where we have come from where we are now and where we are going in the new era we are entering These tasks require a critical and reflective discussion of the theoretical and methodological possibilities of ethnology including the new politics of forming ethnological knowledge in a global world This book is a selection of the papers presented at the congress and contains approximately 80 articles

**The Battle of Gettysburg 1863 (2)** Timothy Orr,2023-06-22 This work provides an authoritative illustrated examination of the second day of the Battle of Gettysburg analyzing both grand strategy and the tactical decisions of Day Two and the ensuing combat July 2 1863 was the bloodiest and most complicated of the three days of the Battle of Gettysburg On this day the clash involved five divisions of Confederate infantry and their accompanying artillery battalions as well as a cavalry skirmish at nearby Hunterstown The bulk of the Union army engaged on the second day of fighting including men from the 2nd 3rd 5th 6th 11th and 12th Corps Assisted by superb maps and 3D diagrams this fascinating work

describes the tactical play by play the customary who did what of the battle Among the famous actions covered are Hunterstown and Benner s Hill Little Round Top Devil s Den the Rose Wheatfield the Peach Orchard and Culp s and Cemetery hills The critical decisions taken on the second day are examined in detail and why the commanders committed to them Gettysburg was first and foremost a soldier s battle full of raw emotion and high drama and this work also examines the experience of combat as witnessed by the rank and file bringing this to life in stunning battlescene artworks and primary accounts from common soldiers Confederate Veteran ,1916 **The Confederate Battle Flag** John M. Coski,2006-04-30 Pursuing the flag s conflicting meanings Coski suggests how this provocative artifact which has been viewed with pride fear anger nostalgia and disgust might ultimately provide Americans with the common ground of a shared and complex history

The Flags of the Confederacy Devereaux D. Cannon,1994-10-31 A Civil War historian provides an in depth look at Confederate flags covering their symbolism historical background and political significance In the decades that followed the fall of the Confederate States of America much information on the flags of the member states was lost By the same token many misunderstandings about these flags have persisted in popular myth In The Flags of the Confederacy Devereaux Cannon provides an authoritative and detailed overview of these flags and their various meanings Devereaux provides essential context for each flag with an overview of the civil and political structures of the Confederate States of America He also delves into the many stories surrounding each flag s development and usage providing both an essential historical reference and a rare window into Confederate life **Confederate Flags of the Civil War** Philip R. N. Katcher,2003

Colors and Blood Robert E. Bonner,2004-07-26 As rancorous debates over Confederate symbols continue Robert Bonner explores how the rebel flag gained its enormous power to inspire and repel In the process he shows how the Confederacy sustained itself for as long as it did by cultivating the allegiances of countless ordinary citizens Bonner also comments more broadly on flag passions those intense emotional reactions to waving pieces of cloth that inflame patriots to kill and die Colors and Blood depicts a pervasive flag culture that set the emotional tone of the Civil War in the Union as well as the Confederacy Northerners and southerners alike devoted incredible energy to flags but the Confederate project was unique in creating a set of national symbols from scratch In describing the activities of white southerners who designed sewed celebrated sang about and bled for their new country s most visible symbols the book charts the emergence of Confederate nationalism Theatrical flag performances that cast secession in a melodramatic mode both amplified and contained patriotic emotions contributing to a flag centered popular patriotism that motivated true believers to defy and sacrifice This wartime flag culture nourished Confederate nationalism for four years but flags martial associations ultimately eclipsed their expression of political independence After 1865 conquered banners evoked valor and heroism while obscuring the ideology of a slaveholders rebellion and white southerners recast the totems of Confederate nationalism as relics of the Lost Cause At the heart of this story is the tremendous capacity of bloodshed to infuse symbols with emotional power Confederate flag

culture black southerners charged relationship to the Stars and Stripes contemporary efforts to banish the Southern Cross and arguments over burning the Star Spangled Banner have this in common all demonstrate Americans passionate relationship with symbols that have been imaginatively soaked in blood      *Confederacy's First Battle Flag, The Kent*  
Masterson Brown, 2015-08-21 Who actually designed the first Confederate flag Initially produced without permission or guidance from the Confederate government the first St Andrew s Cross battle flags were stitched in secret by a group of Virginian women The flag was obviously a military necessity as it unified the troops under an identifiable banner This striking design was quickly adopted as an official banner Illustrations depict the creation of the celebrated flag as it evolved through a series of designs The symbol of a proud people the story of this flag will inspire all true Southerners
