Essays on Aesthetic Education for the 21st Century ,2010-01-01 *Essays on Aesthetic Education for the 21st Century* co edited by Tracie Costantino and Boyd White brings together an international collection of authors representing diverse viewpoints to engage in dialogue about the ongoing critical relevance of aesthetics for contemporary art education Inspired by a conference symposium in which the four authors in the first section of the text titled *Initiating a Dialogue* explore a range of concepts including aesthetic experience beauty wonder and aesthetics this book enlarges the dialogue with eight additional chapters by authors from North America and Europe In addition to chapters that address issues of social awareness curriculum theory and research and applications to practice with pre service teachers there are several chapters that acknowledge historical influences on current notions of aesthetics as a basis on which to open the gate into the twenty first century This book will be a valuable resource for graduate students in art education and curriculum studies as well as practicing art educators pre service teachers and anyone interested in the significance of aesthetics not only in contemporary art education but the wider field of general education as well **Hans Werner Henze: Tristan (1973)** Stephen

Downes,2017-07-05 Hans Werner Henze is a prolific and internationally famous composer of the post Second World War period He is amongst the most frequently performed and recorded composers of his generation and has been the subject of numerous festivals in several continents But he is also a composer of controversy His music has stimulated a critical polemic of notable vigour *Tristan 1973* Henze s large scale work for piano full orchestra and electronic tape explores Henze s creative stance with regard to Wagner The work represents a powerful contribution to the tradition of *Tristan* alluding twentieth century works those by Berg and Messiaen being amongst the best known *Tristan* has been heard as a piano concerto and as

a symphonic poem and is a fine example of how a single piece can interrogate the styles expressions genres and aesthetics of major often conflictual trends in European culture In this book Stephen Downes begins by placing Henze s Tristan in its wider context and in the context of Henze s compositional output and writings He considers Henze s description of the genesis of the work by examining row tables and sketches draft and annotated parts and a full score with corrections and conductor s annotations This analysis of form raises issues of genre harmony and melody temporality unity and intertextuality and places the work in the formal aesthetics characteristic of romanticism modernism and postmodernism Key concepts in the critical legacy of Tristan are discussed and the book concludes by considering Henze s later works placing the techniques and aesthetics of Tristan in the context of the composer s subsequent developments The book is accompanied by a CD containing the 1975 DG recording of Tristan conducted by Henze

Critical Terms for Art History, Second Edition Robert S. Nelson, Richard Shiff, 2010-03-15 Art has always been contested terrain whether the object in question is a medieval tapestry or Duchamp s Fountain But questions about the categories of art and art history acquired increased urgency during the 1970s when new developments in critical theory and other intellectual projects dramatically transformed the discipline The first edition of Critical Terms for Art History both mapped and contributed to those transformations offering a spirited reassessment of the field s methods and terminology Art history as a field has kept pace with debates over globalization and other social and political issues in recent years making a second edition of this book not just timely but crucial Like its predecessor this new edition consists of essays that cover a wide variety of loaded terms in the history of art from sign to meaning ritual to commodity Each essay explains and comments on a single term discussing the issues the term raises and putting the term into practice as an interpretive framework for a specific work of art For example Richard Shiff discusses Originality in Vija Celmins s To Fix the Image in Memory a work made of eleven pairs of stones each consisting of one original stone and one painted bronze replica In addition to the twenty two original essays this edition includes nine new ones performance style memory monument body beauty ugliness identity visual culture visual studies and social history of art as well as new introductory material All help expand the book s scope while retaining its central goal of stimulating discussion of theoretical issues in art history and making that discussion accessible to both beginning students and senior scholars Contributors Mark Antliff Nina Athanassoglou Kallmyer Stephen Bann Homi K Bhabha Suzanne Preston Blier Michael Camille David Carrier Craig Clunas Whitney Davis Jas Elsner Ivan Gaskell Ann Gibson Charles Harrison James D Herbert Amelia Jones Wolfgang Kemp Joseph Leo Koerner Patricia Leighton Paul Mattick Jr Richard Meyer W J T Mitchell Robert S Nelson Margaret Olin William Pietz Alex Potts Donald Preziosi Lisbet Rausing Richard Shiff Terry Smith Kristine Stiles David Summers Paul Wood James E Young

The Beautiful, the Sublime, and the Grotesque Michael J. Matthis, 2020-06-01 The eighteenth century Enlightenment represents a turn toward experience that is toward the experiencing subject Still the Enlightenment involves an aspiration toward objective truth in the ideals of the newly emerging

sciences and in the experiments in democracy that were beginning to transform the political landscape of Europe and America Immanuel Kant's towering philosophical achievement in his critical works helps to reformulate a meaning of objectivity that is congenial to the climate of inquiry and freedom in that remarkable century a meaning that is unburdened of the metaphysical commitments of many of his predecessors Kant's revolution in philosophical thought gives us an objectivity that is crucially related to epistemic conditions rooted in subjectivity a correlation between subjectivity and objectivity that carries over as well into his critical treatises concerned with ethics and aesthetics This book of essays explores the tension between subjectivity and objectivity as it develops in the Enlightenment in Winkelman Hume and Kant The focus is upon aesthetic theories concerning the beautiful the sublime and the grotesque The question by two of the authors as to whether aesthetic enjoyment of the blues is morally justified underscores an interest in these essays in the connection between aesthetics and ethics This concern of the relation of aesthetics to judgments in cognition and in morality underlies an area of peculiar interest to Kant and therefore to many of these essays Finally the authors examine a turn toward the subjective in the Postmodern world of art and aesthetic theory a turn that represents a relaxation of the original Enlightenment tension between subjectivity and objectivity It also represents perhaps a grotesque turn toward the extreme of subjectivity in the realm of Postmodern theory an extreme toward which at least one of the authors casts a critical eye

Visual Shock Michael Kammen, 2009-04-22 In this lively narrative award winning author Michael Kammen presents a fascinating analysis of cutting edge art and artists and their unique ability to both delight and provoke us He illuminates America's obsession with public memorials and the changing role of art and museums in our society From Thomas Eakins's 1875 masterpiece *The Gross Clinic* considered too big bold and gory when first exhibited to the bitter disputes about Maya Lin's Vietnam War Memorial this is an eye opening account of American art and the battles and controversies that it has ignited

The Law of Beauty Fabio Macioce, 2025-07-25 This book examines the longstanding yet ambiguous and deeply complex relationship between law and aesthetics Despite numerous studies dedicated to the topic the relationship between aesthetics and law tends to be interpreted as one between two approaches two thematic horizons two disciplines or two distinct semantic universes Conversely the book argues that legal phenomena cannot be properly understood without grasping the relevance of aesthetics within the experience of law itself nor the intrinsically political and regulatory character of aesthetic experience considering how it shapes our social world by affecting people as sensate bodies The book examines a series of current issues that arise from the ambiguous relationship between law and aesthetics such as the legal status of aesthetic objects the aesthetic analysis of legal texts the conflicts between aesthetics and legal principles as well as the legal relevance of ugliness It is only by taking into account the inextricable nexus between aesthetics and aesthesis that is both the epistemological level and the question of how people see hear and feel that we can understand these issues This book will appeal to scholars and students in legal theory and philosophers with interests in law and aesthetics

The Aesthetics of

Comics , Science of Valuations Salvatore Giuffrida, Maria Rosa Trovato, Paolo Rosato, Enrico Fattinnanzi, Alessandra Oppio, Simona Chiodo, 2024-04-16 This volume collects the best papers presented at the 2019 Conference SIEV Italian Society of Appraisal and Valuation on the Science of Evaluation foundations actuality and prospects The book consists of twenty six papers and is organized into four parts the first one collects reflections on the nature of the value judgement on the truth of the evaluative statement and on the authenticity its contents the values the next three present operational experiences in the three fields of natural urban and cultural heritage where the knowledge of the value of the human space supports decisions and policies highlighting feature concerning value and valuations in the dialectic between earth and the city the value bearers between heuristic and normatively the role of valuation for the complementarity of rules and creativity The book is being published in the midst of the new radical transformations of the equilibrium between social system and environment generated by the serious and unexpected crises of the third decade of this century Reflections on the reality that fills evaluative statement with truth the reality of values is more topical than ever in a historic phase in which the role of democracies and the destiny of civil coexistence is called into question claiming the order of unamendable values like truth justice and beauty The book brings together experiences that focus on the intentional evaluative consciousness as a condition for the responsibility of the subject individual and collective concerning the saliences and urgencies most significantly contributing to the formation of orderly communities *The Golden Avant-garde* Raphael Sassower, Louis Cicotello, 2000 A philosopher and an artist place the phenomenon of avant garde in different perspectives They wonder how avant garde artists navigate the cultural financial and technological challenges in past and present They draw the conclusion that artists have become adept at manipulating the same forces that they seek to exaggerate and articulate in their work *The Retrieval of the Beautiful* Galen A. Johnson, 2010 In this elegant new study Galen Johnson retrieves the concept of the beautiful through the framework of Merleau Ponty s aesthetics Although Merleau Ponty seldom spoke directly of beauty his philosophy is essentially about the beautiful In Johnson s formulation the ontology of Flesh as element and the ontology of the Beautiful as elemental are folded together for Desire Love and Beauty are part of the fabric of the world s element Flesh itself the term at which Merleau Ponty arrived to replace Substance Matter or Life as the name of Being Merleau Ponty s Eye and Mind is at the core of the book so Johnson engages as Merleau Ponty did the writings and visual work of Paul C zanne Auguste Rodin and Paul Klee as well as Rilke s commentary on C zanne and Rodin From these widely varying aesthetics emerge the fundamental themes of the retrieval of the beautiful desire repetition difference rhythm and the sublime The third part of Johnson s book takes each of these up in turn bringing Merleau Ponty s aesthetic thinking into dialogue with classical philosophy as well as Sartre Heidegger Nietzsche and Deleuze Johnson concludes his final chapter with a direct dialogue with Kant and Merleau Ponty and also Lyotard on the subject of the beautiful and the sublime As we experience with Rodin s Balzac beauty and the sublime blend into one another when the beautiful grows powerful majestic mysterious

and transcendent **Aesthetics Primer** Boyd White, 2009 The Aesthetics Primer is intended for anyone interested in the topic of aesthetics and how it can influence directions in education The text is suitable for university courses that address aesthetics specifically but also art education values education philosophy of education and qualitative research methods While examples are frequently taken from art the primer is applicable beyond the discipline of aesthetic education The text approaches its topic from two directions First there is a theoretical and philosophical section providing a historical context for the term aesthetics It then provides a practical application describing a research protocol that examines how participants respond to record and reflect on their aesthetic encounters These activities result in a merging of aesthetic responses and in the examples provided art criticism The implication is that the exercise could be extended to include other educational disciplinary foci as well The research clearly indicates emerging patterns of self and social awareness that result from subjects participation *A Companion to Arthur C. Danto* Jonathan Gilmore, Lydia Goehr, 2022-05-03 A Companion to Arthur C Danto paints a detailed portrait of one the most significant figures in twentieth century philosophy and art criticism offering unparalleled coverage of all aspects of Danto s writings artworks and thought Edited by two long time colleagues of Arthur Danto this interdisciplinary resource presents more than 40 original essays from both prominent Danto scholars and leading practitioners from various sub fields of philosophy The Companion illuminates Danto s many contributions to the artworld aesthetics criticism and philosophy of knowledge action science history and politics The essays explore central concepts and intersecting themes in Danto s writings while providing new interventions into the areas of philosophy in which Danto engaged Topics include Danto s mode of writing and art production his critical engagement with artists and philosophers conflicts in Danto s views and in interpretations of his works and much more An important addition to Danto studies A Companion to Arthur C Danto is essential reading for practitioners scholars and advanced students looking for a critical provocative and insightful treatment of Danto s philosophy art and criticism *Arthur Danto's Philosophy of Art: Essays* Noël Carroll, 2021-07-19 For over thirty years Arthur Danto was the most important art critic and philosopher of art and aesthetics in the English speaking world Arthur Danto s Philosophy of Art Essays provides a comprehensive and systematic view of his philosophy and criticism by Noël Carroll Distinguished Professor of the Philosophy of Art CUNY and himself a former journalist specializing in arts criticism Danto s writings attracted and still attracts diverse audiences including aestheticians artists art critics historians and art lovers In this book they will find his major themes not only analyzed in depth but also discussions of his political significance views on history cinema and more *Six Names of Beauty* Crispin Sartwell, 2020-07-24 Beauty may be in the eye of the beholder but it s also in the language we use and everywhere in the world around us In this elegant witty and ultimately profound meditation on what is beautiful Crispin Sartwell begins with six words from six different cultures ancient Greek s to kalon the Japanese idea of wabi sabi Hebrew s yapha the Navajo concept hozho Sanskrit sundara and our own English language beauty Each word becomes a door onto another way of

thinking about and looking at what is beautiful in the world and in our lives In Sartwell s hands these six names of beauty and there could be thousands more are revealed as simple and profound ideas about our world and our selves The Faithful Artist Cameron J. Anderson,2016-11-10 Drawing upon his experiences as both a Christian and an artist Cameron J Anderson traces the relationship between the evangelical church and modern art in postwar America While acknowledging the tensions between faith and visual art he casts a vision for how Christian artists can faithfully pursue their vocational calling in contemporary culture Believing and Acting G. Scott Davis,2012-03-16 How should religion and ethics be studied if we want to understand what people believe and why they act the way they do In the 1980s and 90s postmodernist worries about led to debates that turned on power truth and relativism Since the turn of the century scholars impressed by cognitive science have introduced concepts drawn from evolutionary biology neurosciences and linguistics in the attempt to provide naturalist accounts of religion Deploying concepts and arguments that have their roots in the pragmatism of C S Peirce Believing and Acting argues that both approaches are misguided and largely unhelpful in answering the questions that matter What did those people believe then How does it relate to what these people want to do now What is our evidence for our interpretations Pragmatic inquiry into these questions recommends an approach that questions grand theories advocates a critical pluralism about religion and ethics that defies disciplinary boundaries in the pursuit of the truth Rationality on a pragmatic approach is about solving particular problems in medias res thus there is no hard and fast line to be drawn between inquiry and advocacy both are essential to negotiating day to day life The upshot is an approach to religion and ethics in which inquiry looks much like the art history of Michael Baxandall and advocacy like the art criticism of Arthur Danto
