Frontier, 1870-1906 Roger A. Hall, 2001-08-16 Performing the American Frontier 1870 1906 examines how the American frontier was presented in theatrical productions during the critical period from the end of the Civil War to the beginning of cinema In chronological fashion the book explores the post Civil War resurgence of interest in drama about the frontier which led to a host of action packed melodramas From famous personalities such as Mark Twain and Buffalo Bill Cody to lesser known individuals such as native American playwright and actress Gowongo Mohawk Hall examines the plays the players and the playwrights who helped to define the American westward migration in theatrical terms and covers the complete dramatic experience including scenery performance and staging The book demonstrates the extraordinary variety of subject matter and theatrical styles used to dramatize the frontier and places frontier drama within the context of its society by framing the productions with the contemporary debates on national policies *The Improbable Victoria Woodhull* Eden Collinsworth, 2025-09-02 From the acclaimed author of *What the Ermine Saw* and *Behaving Badly* a portrait of Victoria Woodhull a celebrated and maligned 19th century businesswoman and activist and a leader in the fight for women's suffrage and labor reforms In 1894 a remarkably self possessed American woman with no formal education to speak of stood before a British court seeking damages for libel from the trustees of the British Museum It was yet another stop along the unpredictable route that was Victoria Woodhull's life Born dirt poor in an obscure Ohio settlement Woodhull was the daughter of an illiterate mother entranced by the fad of Mesmerism a therapeutic pseudoscience and a swindler father whose cons exploited his two daughters It was through her mother though that Woodhull familiarized herself with the supernatural realm earning a degree of fame as a clairvoyant and her first taste of financial success Woodhull's life would continue to turn on its axis and then turn again Despite a deeply troubled first marriage at the age of fourteen countless attempts by the press to discredit her and a wrongful jail sentence Woodhull thrived through sheer determination and the strength of her bond with her sister Tennie She co founded a successful stock brokerage on Wall Street launched a newspaper and became the first woman to run for president Hers was a rags to riches story that saw her cross paths with Karl Marx Henry Ward Beecher and Frederick Douglass In an era when women's rights were circumscribed and the idea of leaving a marriage was taboo she broke the rules to carve out a path of her own Vividly written and exhaustively researched Collinsworth tells the story of a woman truly ahead of her time a radical visionary who made defying mores a habit and brought to the fore societal and political issues still being addressed today Neither a saint nor a villain Woodhull emerges as an iconic complex woman an entrepreneur lover of freedom and a fiercely loyal family member whose political activism and suffragist legacy will cement her in history **A History of American Life: The coming of the white man, 1492-1848** Arthur Meier Schlesinger, Dixon Ryan Fox, 1929 [More Books](#) Boston Public Library, 1926 [A Bibliography of the History of Agriculture in the United States](#) Everett Eugene Edwards, 1930 **The American Journal of Sociology** Albion W.
