Michael G. Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars **Tibet in Chains** International Campaign for

Tibet,2021-01-20 In the early 1990s the notorious prisons in the Tibetan capital of Lhasa held hundreds of political prisoners

who protested against China's misrule in Tibet. Among them were a group of 14 nuns mostly from Garu nunnery near Lhasa who were imprisoned in the dreaded Drapchi Prison. On account of their comradeship and solidarity including in recording a song in praise of His Holiness the Dalai Lama and Tibet they came to be known as the Drapchi 14. This book tells the story of nine of those nuns and provides a better understanding of the role played by Tibetan nuns in the Tibetan freedom movement. Through their personal stories we are able to have a sense of their life in Tibet, of their motivation to speak up against oppression despite the certainty that they would be severely punished and of the importance of Tibetan religion, culture and identity and why the world should not forsake the Tibetan people. I will always remember my former prison mates who suffer ill health. I always support and participate in movements for the cause of Tibet and the Tibetan people. In the beginning I had little knowledge of the history of Tibet but knew clearly that China and Tibet were separate. Because the cause of Tibet is deeply embedded in our hearts and until this long felt aspiration is fulfilled my spirit will never die. Sonam Choedon, one of the nuns featured in the book.

Bhagat Singh's Jail Note Book Malwinder Jit Singh Waraich, Harish Jain, 2016-06-01

Shaheed Bhagat Singh's Jail Notebook opens a window into his exploration of ideas of distinguished thinkers and philosophers. Well known among his comrades as an avid and voracious reader, Bhagat Singh managed to procure during his imprisonment in jail a large number of selected books by prominent authors of his choice. The excerpts, notes and quotes from those books which he wrote down in his jail notebook reflected not only the seriousness with which he studied the books but also his intellectual sophistication and social and political concerns. However, the perfunctory reference to the sources or books from which these notes and quotes were taken left a rather perplexing question mark with regard to the authentic source, i.e. from exactly which editions of which books by which particular authors were these taken. As a result, fantastic claims and wild speculations came to be made by admiring scholars as to the number of books and the kind of original works of great thinkers that Bhagat Singh was able to study in the jail. As a sequel to that, the present work, *Bhagat Singh's Jail Note Book: Its Context and Relevance* by Harish Jain, represents an exceptionally tenacious and laborious search and research into the specific and authentic sources of the particular notes and quotes entered in the Jail Notebook. The story of the author's exploration for over a decade, searching and identifying books by following astute guesses and hunches and rummaging through many likely or probable books accessible at that time, many of which were not easily available now, makes a fascinating reading. Contextualising the importance and reach of the ideas of the various authors in those times helps one to understand why they might have appeared significant to Bhagat Singh. Besides discussing the ideas central to the books he read, an attempt has been made here to explain the import of the quotes he chose to copy. A unique work of its kind, this study is both enriching and a pleasure to read.
