The Freedom in Christ Discipleship Course facilitates important steps in every spiritual journey. The course is flexible enough to be used in a variety of church situations from Sunday teachings to small groups as well as for a variety of audiences from people who have not yet committed to Christ to established Christians. The course materials include a Leader's Guide with a CD of PowerPoint slides, a workbook for course participants, and a set of DVDs. The workbooks contain exercises that are incorporated into the lessons and are strongly recommended especially in the small group setting. The DVD set is optional. It contains footage of each lesson as taught by Steve Goss, international head of Freedom in Christ ministries, and offers a way to teach the course without having a leader prepare each lesson.
