impact *Chronic: A Sick Novel* Paul Lima, 2020-12-05 Chronic Readers React If this book were a movie the cleaners would
have to mop up buckets of tears Of joy Of laughter And yes of sadness I m lucky I had a box of tissues close by You cracked
my heart and then fixed it Broke my heart and then repaired it Smashed my heart but somehow left me feeling that it was
fully mended I don t know if it s because I have MS but I laughed cheered and cried Sometimes all three in the same chapter
You don t have to be sick to love this book I had to pause at the end of the final chapter and have a good cry Mostly tears of
joy Once composed I read the epilogue And damn it if I was not in tears again As a cat lover kitty was my favorite part of a
mighty fine book About the Book Paul and Deena are friends with MS and Parkinson s Disease respectively They ve found a
wonderful flat renovated for people with disabilities only they can t afford it Enter Albert a former nurse with cancer and
Bolton an athletic paraplegic They too look at the flat and love it But can t afford it The solution The four of them move in
together And life happens Paul who has retired from motivational speaking is motivated into accepting another talk while
working on his painting Bolton a former sprinter tries out for the wheelchair racing team and wheelchair basketball team
while setting up his web design business Deena a former PhD student needs help with her renovation business Instead of
helping to heal people which he did as a nurse Albert begins to help Deena heal houses Our main characters also have to sort
out issues with former partners some of whom have broken up on good terms and some on terms that were not so good all
while dealing with their maladies and helping each other deal with their chronic issues In short illness does not make life
especially if you are determined to live as full a life as possible despite your malady And that is just what Paul Deena Albert
and Bolton try their damndest to do About the author Paul Lima has had MS for over 20 years moving from relapsing
remitting MS to secondary progressive MS about five years ago He has been a professional writer all his healthy and all his
sick life It s been more difficult when ill but it has just meant he has had to work harder at it **Everything You Wanted to
