Limonov: The Outrageous Adventures of the Radical Soviet Poet Who Became a Bum in New York, a Sensation in France, and a Political Antihero in Russia Emmanuel Carrère, 2014-10-21 This deft timely translation of French writer

and filmmaker Carrere's sparkling 2011 biography of Edward Limonov is an enthralling portrait of a man and his times. The subtitle is no exaggeration: Limonov, a prolific and celebrated author, cofounder of Russia's National Bolshevik Party, onetime coleader of the *Drugaya Rossiya* opposition movement and current head of Strategy 31, which organizes protests in Russia aimed at securing the right to peacefully assemble, has led an extraordinary life. Carrere suggests that Limonov's haphazard turns from budding poet, disillusioned emigre, New York City butler and Parisian literary rock star to Russian countercultural maverick, Putin opponent and political prisoner have been prompted by his drive for adventure and fame. Though his behavior is frequently reprehensible, including his lasting flirtation with authoritarian and fascist figures, Carrere's Limonov never dissolves in a mess of unfathomable contradictions. Instead, he emerges as a mirror through which the vortex of culture and politics in the late Soviet and New Russian eras is reflected. In this astute, witty account, Limonov has found his ideal biographer. There are few more enjoyable descriptions of Russia today. *Publisher's Weekly*

The Oxford Companion to English Literature Dinah Birch, 2009-09-24 The Oxford Companion to English Literature has long been established as the leading reference resource for students, teachers, scholars and general readers of English literature. It provides unrivalled coverage of all aspects of English literature, from writers, their works and the historical and cultural context in which they wrote, to critics, literary theory and allusions. For the seventh edition, the Companion has been thoroughly revised and updated to meet the needs and concerns of today's students and general readers. Over 1,000 new entries have been added, ranging from new writers Chimamanda Ngozi Adichie, Patrick Marber, David Mitchell, Arundhati Roy, to increased coverage of writers and literary movements from around the world. Coverage of American literature has been substantially increased with new entries on writers such as Cormac McCarthy and Amy Tan, and on movements and publications. Contextual and historical coverage has also been expanded with new entries on European history and culture, post-colonial literature, as well as writers and literary movements from around the world that have influenced English literature. The Companion has always been a quick and dependable source of reference for students, and the new edition confirms its pre-eminent role as the go-to resource of first choice. All entries have been reviewed, and details of new works, biographies and criticism have been brought right up to date. So also has coverage of the themes, approaches and concepts encountered by students today, from terms to articles on literary theory and theorists. There is increased coverage of writers from around the world, as well as from Ireland, Scotland and Wales, and of contextual topics including film and television, music and art. Cross-referencing has been thoroughly updated with stronger linking from writers to thematic and conceptual entries. Meanwhile, coverage of popular genres such as children's literature, science fiction, biography, reportage, crime fiction, fantasy or travel literature has been increased substantially with new entries on writers from Philip Pullman to Anne Frank, and from Anais Nin to Douglas Adams. The seventh edition of this classic Companion, now under the editorship of Dinah Birch, assisted by a team of 28 distinguished associate editors and over 150 contributors, ensures that it retains its status as the most authoritative, informative and

accessible guide to literature available To Try Her Fortune in London Angela Woollacott,2001-08-30 Between 1870 and 1940 tens of thousands of Australian women were drawn to London their imperial metropolis and the center of the publishing art musical theatrical and educational worlds Even more Australian women than men made the pilgrimage home seeking opportunities beyond those available to them in the Australian colonies or dominion In tracing the experiences of these women this volume reveals hitherto unexamined connections between whiteness colonial status gender and modernity

Queering the Subversive Stitch Joseph McBrinn,2021-04-08 The history of men s needlework has long been considered a taboo subject This is the first book ever published to document and critically interrogate a range of needlework made by men It reveals that since medieval times men have threaded their own needles stitched and knitted woven lace handmade clothes as well as other kinds of textiles and generally delighted in the pleasures and possibilities offered by all sorts of needlework Only since the dawn of the modern age in the eighteenth and the nineteenth centuries did needlework become closely aligned with new ideologies of the feminine Since then men s needlework has been read not just as feminising but as queer In this groundbreaking study Joseph McBrinn argues that needlework by male artists as well as anonymous tailors sailors soldiers convalescents paupers prisoners hobbyists and a multitude of other men and boys deserves to be looked at again Drawing on a wealth of examples of men s needlework as well as visual representations of the male needleworker in museum collections from artist s papers and archives in forgotten magazines and specialist publications popular novels and children s literature and even in the history of photography film and television he surveys and analyses many of the instances in which needlemen have contested resisted and subverted the constrictive ideals of modern masculinity This audacious original carefully researched and often amusing study demonstrates the significance of needlework by men in understanding their feelings agency identity and history **Gender, Sexuality and Colonial Modernities** Antoinette Burton,2005-08-05
