Freewheelers To The Rescue:

Freewheelers to the Rescue! Eric Johns,2013-04-04 The Freewheelers Gina Mandy and Claire are a bicycle gang with just one thing missing bikes When they discover that a little girl has been kidnapped in their home town with a GBP1000 reward for her rescue it seems like their chance for an adventure and at the same time earn the bike money they need But as usual with their plans things don t go as they expect and before they know it they are freewheeling into more trouble than they ever imagined Will their luck make everything turn out all right in the end Freewheelers Save The World! Eric Johns,2014-07-12 We solemnly swear to seek adventure excitement and danger and to rescue anyone in peril So proclaim the Freewheelers Gina Claire and Mandy as they set out on a new adventure to stop aliens taking over the world No one believes them when they try to warn the world about the danger it faces It is up to the Freewheelers to act alone Can they stop the aliens before it is too late or will their plans go wrong as usual Freewheelers and the Great Carnival Robbery Eric Johns,2014-02-17 We solemnly swear to seek adventure excitement and danger and to rescue anyone in peril So proclaim the Freewheelers Gina Claire and Mandy as they set out on a new adventure to stop the Greatest Robbery Ever in the seaside town of Coombe Bay where they live When the Freewheelers learn about a plot to steal the carnival charity collection they know they have to foil it If all goes according to plan they will stop the robbery and fix their deadly enemies the Plunketts at the same time But who will get the blame if their plans go wrong as usual The Dragon and the Sunshine Eggs Eric Johns,2016-04-04 The stories in this book are about a fed up guard dragon a skateboard which turns into a time machine a disaster caused by Prince Neptune and his friend Gloria the crab who aren t as clever as they think they are an ancient box of potions which give amazing powers to anyone who takes them a girl who tells herself scary stories at bedtime there are also three poems **GOODBYE, GRANNY** Eric Johns,2014-10-02 At least you once had a life and perhaps one day I ll have one Seb tells his great grandmother but only occasional words draw a response Her bitterness at being placed in an old people s home is fading as her memory melts away During Seb s visits she scatters hints of a life she has kept secret from her family Did she once have another identity What did she do in the war Why does no one know And what has she forgotten that torments her Seb tries to unravel her past and reconstruct her life At times she falls silent and drifts away clinging to a fragment of memory Then Seb is left to soliloquise about the dissatisfactions of his own life He describes his attempts to begin a relationship with a girl any girl and in desperation hits on the idea of an arranged romance But his efforts are being sabotaged *PRISONERS OF A SHADOW WORLD* Eric Johns,2012-11-08 Prisoners of a Shadow World tells the story of Louis Philippe who is half French half English and of Madeleine who is Jewish They live in France during the Second World War under the German Occupation which casts a terrifying shadow over their lives and the darkest shadow is cast by the Gestapo the secret police To make the situation even more dangerous Louis Philippe s grandfather runs an escape network for RAF aircrew who have been shot down and Louis Philippe is helping him At the same time there is a growing danger to

Madeleine since Jews in France face the threat of being arrested and transported to death camps in eastern Europe As the shadows deepen so their attempts to stay alive become ever more desperate **Aliens and Earthlings** Eric

Johns,2015-09-10 There are shortcuts through spacetime from one part of the universe to another The trouble is you can never be sure what s at the other end of one or going to come through one to visit you Suppose you make contact with aliens can you be sure you can trust them Or could they be tricking you into doing something which would be disastrous for you but which they d find hilarious Then there s the temptation of time travel It seems so simple to nip back into the past alter a few things to make your present life exactly as you d like it to be Unfortunately there are always unforeseen consequences and things never turn out as you hope Also space travel is more complicated than you expect because time goes at different speeds depending on how fast you are travelling So your journey may only take a year but when you get back everyone else could be a century older Nothing but problems but entertaining for those who like sci fi stories like the ones in this book

Have a good time **The Big Sniff** Eric Johns,2016-01-21 There are 2 stories in this book 1 The Big Sniff When Abby sniffs she can smell things that aren t there such as horses when the road is full of cars which is very worrying She decides to sniff very carefully but one day she forgets and takes a huge sniff and sees men on horseback charging towards her Then something terrible happens 2 The Last Quarryman John wants to explore the tunnels where quarrymen like his great grandfather used to quarry stone He s been warned never to go down the old tunnels because they are dangerous But that s just what he plans to do Then his snobby cousin Elaine comes to stay and that messes up everything and things get more dangerous than he ever imagined possible and it s up to him to put things right but he s not sure he has the courage to do that 3 There are also two poems in this book which are really very short stories Home Front Eric Johns,2012-04-01 In the Second World War everyone was on the front line No one was too young to fight and you didn t even have to leave home That s why it was called the Home Front The war came to you Young people found their homes bombed and their countries occupied by foreign armies Home Front tells how the war turned them into evacuees resistance fighters fugitives and heroes

THE OOSER Eric Johns,2011-01-27 Quernstone is our valley It s a different world from what most people know But Fay is different from everyone else in Quernstone It s as though she s two people in one When someone threatened to kidnap Fay she turned to the Ooser to save her and ordered Gavin to wear the ancient mask What happened next meant disaster if anyone found out As usual Gavin felt it was Fay or the Ooser in control of his life He could have done without more problems because he had enough of his own like a stepfather who was trying to destroy him *The Oldest Snowman in the World* Eric Johns,2011-08-04 When Amanda and Timmy build themselves a snowman called Mr Crystal they want him to live forever But warm weather is coming and Mr Crystal begins to melt As he gets smaller he becomes sillier and puts himself in danger How can they stop him melting Can Father Christmas help There are five Mr Crystal adventures involving the children who made him also Father Christmas Jack Frost reindeer a lost penguin a camel elves As The Mail on Sunday said of the first story
