French Cinema and the Great War

Marcelline Block,Barry Nevin,2016-02-04 Even a century after its conclusion the devastation of the Great War still echoes in the work of artists who try to make sense of the political moral ideological and economic changes and challenges it spawned France the military major power of the Western Front carries the legacy of battles on its own soil and countless French lives lost defending the nation from the Central Powers It is no surprise that the impact of the First World War can still be seen in French films into the present day French Cinema and the Great War Remembrance and Representation provides the first book length study of World War I as it is featured in French cinema from the silent era to contemporary films Presented in three thematic sections Recording and Remembering the Great War Women at the Front and Interrogating Commemoration the essays in this volume explore the ways in which French film contributes to the restoration and modification of memories of the war Films such as *La Grande Illusion* *King of Hearts* *A Very Long Engagement* and *Joyeux Noel* are among those discussed in the volume s examination of the various ways in which film mediates personal and collective memories of this critical historical event This volume will be an invaluable resource not only to those interested in French Cinema or the cinema of the Great War but also to those interested in the impacts of war more generally on the cultural output of nations torn by the violence death and destruction of military conflict

French Film History, 1895-1946 Richard

Neupert,2022-07-19 *French Film History 1895 1946* addresses the creative and often unexpected trajectory of French cinema which continues to be one of the most provocative and engaging cinemas in the world Tracing French film and its developments from the earliest days when France dominated world cinema up through the Occupation and Liberation Neupert outlines major players and films that made it so influential Paris held a privileged position as one of the world s hubs of scientific social and cultural experimentation it is no wonder that the cinema as we know it was born there in the nineteenth century This book presents French cinema s most significant creative filmmakers and movies but also details the intricate relations between technology economics and government that helped shape the unique conditions for cinematic experimentation in the country Neupert explains the contexts behind the rise of cinema in France including groundbreaking work by the Lumi re family Georges M li s and Alice Guy the powerhouse studios of Path and Gaumont directors such as Ren Clair Germaine Dulac Marcel Pagnol and Jean Renoir and an array of stars including Max Linder Jean Gabin Josephine Baker and Mich le Morgan The first fifty years of French film practice established cinema s cultural and artistic potential setting the stage for the global post World War II explosion in commercial movies and art cinema alike French film and its rich history remain at the heart of cinematic storytelling and our moviegoing pleasure

The French Cinema Book Michael Temple,Michael Witt,2018-01-18 This thoroughly revised and expanded edition of a key textbook offers an innovative and accessible account of the richness and diversity of French film history and culture from the 1890s to the present day The

contributors who include leading historians and film scholars provide an indispensable introduction to key topics and debates in French film history Each chronological section addresses seven key themes people business technology forms representations spectators and debates providing an essential overview of the cinema industry the people who worked in it including technicians and actors as well as directors and the culture of cinema going in France from the beginnings of cinema to the contemporary period *The Classic French Cinema, 1930-1960* C. G. Crisp, 1993 Colin Crisp re evaluates the stylistic evolution of the classic French cinema and represents the New Wave film makers as its natural heirs rather than the mould breakers they perceived themselves to be *Emile Cohl, Caricature, and Film* Donald Crafton, 2014-07-14 This is the definitive biography of Emile Cohl 1857 1938 one of the most important pioneers of the art of the animated cartoon and an innovative contributor to popular graphic humor at a critical moment when it changed from traditional caricature to the modern comic strip This profusely illustrated book provides not only a wealth of information on Cohl's life but also an analysis of his contribution to the development of the animation film in both France and the United States and an interpretation of how the new genre fit into the historical shift from a primitive to a classical cinema Beautiful in look and design with stunning reproductions from films and newspapers *Emile Cohl Caricature and Film* offers a biography of a figure who virtually created the European art of animation In its theory and history the book is one of the most important contributions to the field of animated film But it is central for film study per se offering a fresh exciting look at the complicated world of early cinema Dana Polan *Film Quarterly* Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Stars and Stardom in French Cinema Ginette Vincendeau, 2000-11-01 French cinema is second only to Hollywood in the number of its movie stars who have emerged to achieve international fame France is in fact arguably the only country other than the United States to have an international star system Yet these glamorous and charismatic stars differ from their U S counterparts in that they maintain more freedom to control their own images and often straddle both mainstream and auteur cinema Ginette Vincendeau a leading authority on French cinema analyzes the phenomenon of French film stardom and provides brilliant in depth studies of the major popular stars of the French cinema Max Linder Jean Gabin Brigitte Bardot Jeanne Moreau Louis de Funès Jean Paul Belmondo Alain Delon Catherine Deneuve Gérard Depardieu and Juliette Binoche This volume analyzes these stars images and performance styles in the context of the French film industry but also in relation to national culture and society In the country where Brigitte Bardot and Catherine Deneuve have modeled for Marianne the effigy of the Republic and left wing politicians have held up Jean Gabin as a role model Vincendeau examines the unusual

relationship between French film stars and national identity Ginette Vincendeau is professor of film studies at the University of Warwick She is the author and editor of a number of books on cinema Understanding Barthes, Understanding Modernism Jeffrey R. Di Leo, Zahi Zalloua, 2022-07-14 Understanding Barthes Understanding Modernism is a general assessment of the modern literary and philosophical contributions of Roland Barthes The first part of the volume focuses on work published prior to Barthes's death in 1980 covering the major periods of his development from Writing Degree Zero 1953 to Camera Lucida Reflections on Photography 1980 The second part focuses both on the posthumously published material and the legacies of his work after his death in 1980 This later work has attracted attention for example in conjunction with notions of the neutral gay writing and critiques of everyday life The third part is devoted to some of the critical vocabulary of Barthes in both the work he published during his lifetime and that which was published posthumously
