

The French Revolution

Edited by Ronald Schechter

French Revolution The Essential Readings

David Andress

French Revolution The Essential Readings:

The French Revolution Ronald Schechter, 2001 This book presents ten selections from the most important scholarship on the French Revolution over the past quarter century introduced and contextualized for student readers Historians typically categorize the historiography of the French Revolution according to each author's approval or disapproval of the Revolution political agenda for example Marxist liberal conservative or feminist or methodology for example social political or cultural history This book demonstrates the inadequacy of these categories of analysis for a nuanced understanding of the Revolution and emphasizes the surprising connections between historians typically seen simply as opponents in a debate In its thorough introduction *The French Revolution The Essential Readings* demonstrates the success of an eclectic interdisciplinary approach to this central period in modern European history and the larger relevance of the historiography to the humanities more generally *The French Revolution* Ronald Schechter, 2001

The French Revolution and the People David Andress, 2006-08-23 The French Revolution of 1789 was the central event of modern history For the first time a major nation fell prey to political and then social revolution with civil war and the Reign of Terror following the execution of Louis XVI in January 1793 Although the Revolution started with the resistance of a minority to absolutist government it soon spread to involve the whole nation including the men and women who made up by far the largest part of it the peasantry as well as towns and craftsmen the poor and those living on the margins of society *The French Revolution and the People* is a portrait of the common people of France in the towns and in the countryside in Paris and Lyon in the Vendée Brittany Provence Popular grievances and reactions affected the events and outcome of the Revolution at all stages and in turn everyone in France was affected by the Revolution *The French Revolution and the People* is a vivid story of conflict violence and death but there were winners as well as losers and not all the suffering was in vain as the injustices of the Ancien Régime were thrown off

The Oxford History of the French Revolution, 1990-07-26 This is the most authoritative comprehensive history of the French Revolution of 1789 Published to mark the bicentenary of its outbreak this survey draws on a generation of extensive research and scholarly debate to reappraise the most famous of all revolutions Opening with the accession of Louis XVI in 1774 the book traces the history of France through revolution terror and counter revolution to the triumph of Napoleon in 1802 and analyses the impact of events both in France itself and the rest of Europe William Doyle shows how a movement which began with optimism and general enthusiasm soon became a tragedy not only for the ruling orders but for the millions of ordinary people all over Europe whose lives were disrupted by religious upheaval and civil and international war It was they who paid the price for the destruction of the old political order and the struggle to establish a new one based on the ideals of liberty and revolution in the face of widespread indifference and hostility *The Routledge Companion to the French Revolution in World History* Alan Forrest, Matthias Middell, 2015-09-16 The *Routledge Companion to the French Revolution in World History* engages with some of the most recent trends in French revolutionary scholarship

by considering the Revolution in its global context Across seventeen chapters an international team of contributors examine the impact of the Revolution not only on its European neighbours but on Latin America North America and Africa assess how far events there impacted on the Revolution in France and suggest something of the Revolution's enduring legacy in the modern world The Companion views the French Revolution through a deliberately wide lens The first section deals with its global repercussions from the Mediterranean to the Caribbean and includes a discussion of major insurrections such as those in Haiti and Venezuela Three chapters then dissect the often complex and entangled relations with other revolutionary movements in seventeenth century Britain the American colonies and Meiji Japan The focus then switches to international involvement in the events of 1789 and the circulation of ideas people goods and capital In a final section contributors throw light on how the Revolution was and is still remembered across the globe with chapters on Russia China and Australasia An introduction by the editors places the Revolution in its political historical and historiographical context The Routledge Companion to the French Revolution in World History is a timely and important contribution to scholarship of the French Revolution

The Oxford History of the French Revolution William Doyle, 1989-07-13 This is the most authoritative comprehensive history of the French Revolution of 1789 Published to mark the bicentenary of its outbreak this survey draws on a generation of extensive research and scholarly debate to reappraise the most famous of all revolutions Opening with the accession of Louis XVI in 1774 the book traces the history of France through revolution terror and counter revolution to the triumph of Napoleon in 1802 and analyses the impact of events both in France itself and the rest of Europe William Doyle shows how a movement which began with optimism and general enthusiasm soon became a tragedy not only for the ruling orders but for the millions of ordinary people all over Europe whose lives were disrupted by religious upheaval and civil and international war It was they who paid the price for the destruction of the old political order and the struggle to establish a new one based on the ideals of liberty and revolution in the face of widespread indifference and hostility France under Louis XVI A crisis of confidence The collapse of Government 1776 1788 The Estates General September 1788 July 1789 The principles of 1789 and the reform of France The breakdown of revolutionary consensus 1790 1792 Europe and the Revolution 1788 1791 The Republican Revolution 1791 January 1793 War against Europe 1792 1797 The revolt of the Provinces Government by terror 1793 1794 Thermidor 1794 1795 Counter revolution 1789 1795 The directory 1795 1799 Occupied Europe 1794 1799 An end to Revolution 1799 1802 The Revolution in perspective chronology annotated list of further reading

The French Revolution Peter Davies, 2012-12-01 Handy introduction to one of the most significant and studied events in world history Blending narrative with analysis Peter Davies explores a time of obscene opulence mass starvation and ground breaking ideals where the streets of Paris ran red with blood and the numbers requiring execution precipitated the invention of the guillotine Davies brings the subject up to date by considering the legacy of the revolution and how it continues to resonate in today's France

The French Revolution, 1789-1799 Peter McPhee, 2001-12-06 This book

provides a succinct yet up to date and challenging approach to the French Revolution of 1789 1799 and its consequences Peter McPhee provides an accessible and reliable overview and one which deliberately introduces students to central debates among historians The book has two main aims One aim is to consider the origins and nature of the Revolution of 1789 99 Why was there a Revolution in France in 1789 Why did the Revolution follow its particular course after 1789 When was it over A second aim is to examine the significance of the Revolutionary period in accelerating the decay of Ancien Regime society How revolutionary was the Revolution Was France fundamentally changed as a result of it Of particular interest to students will be the emphasis placed by the author on the repercussions of the Revolution on the practices of daily life the lived experience of the Revolution The author's recent work on the environmental impact of the Revolution is also incorporated to provide a lively modern and rounded picture of France during this critical phase in the development of modern Europe

The Making of the West, Volume B: 1340-1830 Lynn Hunt, 2012-01-04 Students of Western civilization need more than facts They need to understand the cross cultural global exchanges that shaped Western history to be able to draw connections between the social cultural political economic and intellectual happenings in a given era and to see the West not as a fixed region but a living evolving construct These needs have long been central to The Making of the West The book's chronological narrative emphasizes the wide variety of peoples and cultures that created Western civilization and places them together in a common context enabling students to witness the unfolding of Western history understand change over time and recognize fundamental relationships

French Society in Revolution, 1789-1799 David Andress, 1999-06-12 This study plots a narrative course through the French Revolution examining the elements behind the breakdown of the 18th century monarchic state It presents a picture of the tensions throughout the revolutionary decade

The Broadview Anthology of Social and Political Thought: Essential Readings Andrew Bailey, Samantha Brennan, Will Kymlicka, Jacob T. Levy, Alex Sager, Clark Wolf, 2012-02-17 This volume features a careful selection of major works in political and social philosophy from ancient times through to the present Every reading has been painstakingly annotated and each figure is given a substantial introduction highlighting his or her major contribution to the tradition The anthology offers both depth and breadth in its selection of material by central figures while also representing other currents of political thought Thirty two authors are represented including fourteen from the 20th century The editors have made every effort to include translations that are both readable and reliable In order to ensure the highest standards of accuracy and accessibility the editors have consulted dozens of leading academics during the course of the volume's development many of whom have contributed introductory material as well as advice The result is an anthology with unparalleled pedagogical benefits The Broadview Anthology of Social and Political Thought sets the new standard for social and political philosophy instruction

The Social Interpretation of the French Revolution Alfred Cobban, 1999-05-27 Alfred Cobban's The Social Interpretation of the French Revolution is one of the acknowledged classics of post war historiography This revisionist analysis of the

French Revolution caused a furore on first publication in 1964 challenging as it did established orthodoxies during the crucial period of the Cold War Cobban saw the French Revolution as central to the grand narrative of modern history but provided a salutary corrective to many celebrated social explanations determinist and otherwise of its origins and development A generation later this concise but powerful intervention was reissued in this 1999 edition with an introduction by Gwynne Lewis providing students with both a context for Cobban s own arguments and assessing the course of Revolutionary studies in the wake of The Social Interpretation This book remains a handbook of revisionism for Anglo Saxon scholars and is essential reading for all students of French history at undergraduate level and above

Making of the West, Volume II: Since 1500 Lynn Hunt, Thomas R. Martin, Barbara H. Rosenwein, Bonnie G. Smith, 2012-01-04 Students of Western civilization need more than facts They need to understand the cross cultural global exchanges that shaped Western history to be able to draw connections between the social cultural political economic and intellectual happenings in a given era and to see the West not as a fixed region but a living evolving construct These needs have long been central to The Making of the West The book s chronological narrative emphasizes the wide variety of peoples and cultures that created Western civilization and places them together in a common context enabling students to witness the unfolding of Western history understand change over time and recognize fundamental relationships

Jansenism Shaun Blanchard, Richard T Yoder, 2024 Jansenism An International Anthology is the first comprehensive anthology of Jansenist texts in English translation Covering the full sweep of the Jansenist movement from the 1630s until the early nineteenth century this anthology is a major asset to historians of early modernity theologians advanced and beginner students and interested non specialists Readers of English can now directly hear the voices of the women and men nuns and priests and politicians and pamphleteers embroiled in some of the most dynamic controversies of early modern Christianity While giving due attention to France the anthology showcases the geographic breadth of Jansenism from Portugal to Lebanon Consequently a team of translators have provided texts translated not just from French and Latin selections from German Spanish Portuguese Italian and Arabic also appear here Blanchard and Yoder present a diverse range of texts including letters tracts periodical excerpts books treatises and synodal documents These readings cover the controversies over divine grace and penance for which Jansenism is infamous but they also show the widening scope of Jansenists reformist concerns as the movement developed and changed They address issues such as liturgical reform devotion to Mary and the saints politics religious toleration prayer gender and the role of women in the Church polemics and ecclesiastical reform The whole volume is introduced by an essay introducing Jansenism exposing the important themes summarizing the relevant scholarship and contextualizing the content that will follow Jansenism An International Anthology provides the first port of call for the study of Jansenism in English The anthology presents a diverse and rich selection of primary source texts and draws on the best recent research into the fascinating and controversial transnational phenomena called Jansenism

Encyclopedia of Women Social Reformers Helen

Rappaport,2001-12-06 The first comprehensive guide to women activists from every part of the world illuminating the broad range of women s struggles to reform society from the 18th century to the present Despite being marginalized disenfranchised impoverished and oppressed women have always stepped forward in disproportionate numbers to lead movements for social change This two volume encyclopedia documents the visions struggles and lives of women who have changed the world This encyclopedia celebrates the lives and achievements of nearly 300 women from around the globe women who have bravely insisted that the way things are is not the way they have to be Nadeshda Krupskaya the wife of Lenin spearheaded the drive against illiteracy in post revolutionary Russia American Dorothy Day founded the Catholic worker movement Begum Rokeya Hossain organized a girls school in Calcutta in 1911 Rachel Carson launched the modern environmental movement with her book Silent Spring The stories of these women and the hundreds of others collected here will restore missing pages to our history and inspire a new generation of women to change the world **The French**

Revolution Ian Davidson,2016-12-06 The French Revolution casts a long shadow one that reaches into our own time and influences our debates on freedom equality and authority Yet it remains an elusive perplexing historical event Its significance morphs according to the sympathies of the viewer who may see it as a series of gory tableaux a regrettable slide into uncontrolled anarchy or a radical reshaping of the political landscape In this riveting new book Ian Davidson provides a fresh look at this vital moment in European history He reveals how it was an immensely complicated and multifaceted revolution taking place in different places at different times and in different spheres and how subsequently it became weighted with political social and moral values Stirring and dramatic and filled with the larger than life players of the period and evoking the turbulence of this colorful time this is narrative history at its finest **Enlightenment: Oxford Bibliographies Online**

Research Guide Mark Knights,2010-06 This ebook is a selective guide designed to help scholars and students of the ancient world find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated This ebook is just one of many articles from Oxford Bibliographies Online Atlantic History a continuously updated and growing online resource designed to provide authoritative guidance through the scholarship and other materials relevant to the study of Atlantic History the study of the transnational interconnections between Europe North America South America and Africa particularly in the early modern and colonial period Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit www.oxfordbibliographies.com

The Making of the West, Combined Volume Lynn Hunt,2012-01-04 Students of Western civilization need more than facts They need to understand the cross cultural global exchanges that shaped Western history to be able to draw

connections between the social cultural political economic and intellectual happenings in a given era and to see the West not as a fixed region but a living evolving construct These needs have long been central to *The Making of the West* The book's chronological narrative emphasizes the wide variety of peoples and cultures that created Western civilization and places them together in a common context enabling students to witness the unfolding of Western history understand change over time and recognize fundamental relationships Read the preface

Rethinking Revolutionary Change in Europe Bailey Stone, 2020-02-17 Reconsidering the English French and Russian Revolutions this book offers an important new approach to the theoretical and comparative study of revolutions Bailey Stone proposes an innovative neostructuralist integration of competing structuralist and postmodernist theory Providing a balanced and nuanced critique of both sides he presents new ways of understanding radical change in the European polities that created the concept and the dramatic realities of modern revolution He focuses on the central issues of modernizers versus traditionalists old regime bourgeoisies regicides terror and state legitimacy By reconciling political and cultural theories of revolutionary causation and process Stone's synthesis marks a critical advance in our understanding of revolution

Royalists, Radicals, and les Misérables Eric Martone, 2014-10-02 The year of 1832 marked a turning point in France as the country struggled to find its way in the wake of the French Revolution Following the Revolution of 1830 Legitimists supporters of the recently ousted Bourbon dynasty's claim to the throne continued to plot against King Louis Philippe and his July Monarchy In early 1832 after failing to launch a coup in Southern France Legitimists plotted an unsuccessful uprising in the Vendée a region in Western France that had supported the royalist cause during the French Revolution The Duchesse de Berry led the rebellion in the hopes of placing her son the Bourbon heir on the French throne The revolt marked the last attempt by the Bourbons to retake the throne by force and helped solidify the end of the Bourbon dynasty During the cholera outbreak which also spread throughout France in 1832 lower income areas suffered higher losses to the disease for they were more likely to have contaminated water supplies The lower classes spread rumors that the outbreak was an elitist plot to subdue the masses and the epidemic exacerbated class tensions Meanwhile conditions in France continued to be characterized by violence during the early 1830s as Louis Philippe attempted to establish his regime's authority The most significant of these uprisings was the republican dominated June Revolution of 1832 Victor Hugo and other contemporaries perceived the barricades of June as natural extensions of the cholera epidemic or the political continuation of a biological crisis The sad fate of the uprising however prompted republicans to regroup and develop new strategies for success As a whole then 1832 helped solidify the end of the Bourbon monarchy and class identities and was a crucial moment in the reorganization and growing solidification of French republicanism that paved the way for the Revolution of 1848 This edited collection examines these three pivotal events in French history in 1832 a royal Legitimist uprising led by the Duchesse de Berry the cholera epidemic and the June Revolution featured in the climax of Hugo's novel *Les Misérables* within the context of the legacy of the French Revolution While the events of 1832 are

significant they have been relatively ignored because scholars have been distracted by the Revolutions of 1830 and 1848 This collection is the first piece of scholarship to examine these three events in an interconnected pattern to better examine France as it transitioned from a monarchy to a republic As a result this collection will be of value to both historians and academics studying diverse subfields within French and European studies

Recognizing the habit ways to acquire this books **French Revolution The Essential Readings** is additionally useful. You have remained in right site to begin getting this info. acquire the French Revolution The Essential Readings member that we allow here and check out the link.

French Revolution The Essential Readings Introduction

In today's digital age, the availability of French Revolution The Essential Readings books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of French Revolution The Essential Readings books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of French Revolution The Essential Readings books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing French Revolution The Essential Readings versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, French Revolution The Essential Readings books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing French Revolution The Essential Readings books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for French Revolution The Essential Readings books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, French Revolution The Essential Readings books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of French Revolution The Essential Readings books and manuals for download and embark on your journey of knowledge?

FAQs About French Revolution The Essential Readings Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
