Fresh Voices:

Fresh Voices from the Periphery Susan M. Papp,2022-07-28 Fresh Voices from the Periphery is evidence that history matters not only the study of the past but also by shedding light on how events of the past have impacted lives in the present You are holding in your hands a collection of thought provoking essays written by young people whose families have lived as minorities in various countries in east central Europe for four generations They became minorities not because their families migrated to different parts of Europe but because the borders were changed overnight by the Treaty of Trianon after the end of the First World War Much has been written about the outcomes of Trianon but this book is very different These essays are the result of a competition for students and young professionals who live in minority status in four different countries surrounding Hungary Transylvania in Romania Slovakia Transcarpathia in Ukraine and Vojvodina in Serbia The writings of several Canadian students on this topic are included as well Voices from the Periphery examines how the current generation of young people perceive the impact of the treaty that has had such a long term effect on their lives Their essays not only examine the painful legacy of the past but also recommend pathways to a more positive future Their voices must be heard

Fresh Voices .2003 The Handbook of Academic Writing: a Fresh Approach Rowena Murray, Sarah Moore, 2006-10-16 The Handbook of Academic Writing offers practical advice to busy academics who want and are often required to integrate writing into their working lives It defines what academic writing is and the process of getting started through to completion covering topics such as Gaining momentum Reviewing and revising Self discipline Writing regularly Writers groups and retreats Academic writing is one of the most demanding tasks that all academics and researchers face In some disciplines there is guidance on what is needed to be productive successful writers but in other disciplines there is no training support or mentoring of any kind This book helps those in both groups not only to improve their writing skills and strategies but equally importantly to find satisfaction in engaging in regular and productive writing Underpinned by a diverse range of literature this book addresses the different dimensions of writing The fresh approach that Murray and Moore explore in this book includes developing rhetorical knowledge focusing on writing behaviours and understanding writing contexts This book will help writers in academic contexts to develop a productive writing strategy not only for research monitoring exercises but also for the long term **A Field of Voices** James E. Clemens, David Wright, 2010-06 This collection of thirty hymns and songs are suitable for all age Christian worship in a variety of settings house churches small congregations formal and informal The contemporary texts by poet David Wright are either based on scripture or highlight such themes as community Eucharist hospitality repentance justice healing and blessing The music by composer James Clemens is fresh and well constructed for congregational singing in a variety of styles from standard hymnody to folk Native American gospel early American and chant About a third of the selections may be learned and performed without paper
