**Freshwater Saga** Eric W. Morse, 1987-01-01 Morse loved canoeing This memoir is a celebration of his ruling passion and the friends who shared it with him *Inheriting a Canoe Paddle* Misao Dean, 2013-01-01 Inheriting a Canoe Paddle emphasizes the importance of self consciously evaluating the meaning we give to canoes as objects and to canoeing as an activity

**Canoe Country** Roy MacGregor, 2016-05-10 One of our favourite chroniclers of all things Canadian presents a rollicking personal photo filled history of the relationship between a country and its canoes From the earliest explorers on the Columbia River in BC or the Mattawa in Ontario to a doomed expedition of voyageurs up the Nile to rescue Khartoum from the author s family roots deep in the Algonquin wilderness to modern families who have canoed across the country kids and dogs included Canoe Country is Roy MacGregor s celebration of the essential and enduring love affair Canadians have with our first and still favourite means of getting around Famous paddlers have been so enchanted with the canoe that one swore God made Canada as the perfect country in which to paddle it Drawing on MacGregor s own decades spent whenever possible with a paddle in his hand this is a story of high adventure on white water and the sweetest peace in nature s quietest corners from the author best able and most eager to tell it

**Canoe Nation** Bruce Erickson, 2013-06-15 More than an ancient means of transportation and trade the canoe has come to be a symbol of Canada itself In Canoe Nation Bruce Erickson argues that the canoe s sentimental power has come about through a set of narratives that attempt to legitimize a particular vision of Canada that overvalues the nation s connection to nature From Alexander Mackenzie to Grey Owl to Pierre Elliott Trudeau the canoe authenticates Canada s reputation as a tolerant environmentalist nation even when there is abundant evidence to the contrary Ultimately the stories we tell about the canoe need to be understood as moments in the ever contested field of cultural politics

**Thelon** David F. Pelly, 1996-06-30 David Pelly tells the Thelon s story exploring the mystery of Man s relationship with this special place in the heart of Canada s vast Arctic barrenlands From Thanadelthur and Telaruk to J W Tyrrell John Hornby and Eric Morse the history is detailed complete and exciting The Thelon is the setting for a compelling Canadian adventure tale with all its drama intrigue joy and tragedy But the writer goes beyond that to contemplate the significance of the Thelon wilderness and to examine its uncertain future It is the richness of human experience layered on top of the natural splendour of the river valley and its wildlife that really sets the Thelon apart The place has a history both Native and non Native which gives it standing beyond the intrinsic value of wilderness itself David Pelly writes as one who has been there time and again He knows the Thelon from personal experience As a freelance writer for 20 years he has travelled many parts of the Arctic but claims that nowhere draws me back more powerfully than the Thelon

**Tourism and Leisure Mobilities** Jillian Rickly, Kevin Hannam, Mary Mostafanezhad, 2016-07-15 This book reframes tourism as well as leisure within mobilities studies to challenge the limitations that dichotomous understandings of home away work leisure and host guest bring A mobilities approach to tourism and leisure encourages us to think beyond the

mobilities of tourists to ways in which tourism and leisure experiences bring other mobilities into sync or disorder and as a result re conceptualizes social theory The proposed anthology stretches across academic disciplines and fields of study to illustrate the advantages of multi disciplinary conversation and in so doing it challenges how we approach studies of movement based phenomena and the concept of scale Part One examines the ways in which mobility informs and is informed by leisure from everyday practices to leisure inspired mobile lifestyles Part Two investigates individuals and communities that become entrepreneurial in the face of changing tourism contexts and reflects on the performance of work through multiple mobilities Part Three turns to issues of development with attention to the cultural politics that frame development encounters in the context of tourism The varied ways that people move into and out of development projects is mediated by geopolitical discourses that can both challenge and perpetuate geographic imaginations of tourism destinations

**The Lure of Faraway Places** Herb Pohl, 2007-05-11 The Lure of Faraway Places is the publication canoeist Herb Pohl 1930 2006 did not live to see published But Pohl's words and images provide a unique portrait of Canada by one who was happiest when travelling our northern waterways alone Austrian born Herb Pohl died at the mouth of the Michipicoten River on July 17 2006 He is remembered as Canada's most remarkable solo traveller While mourning their loss Herb Pohl's friends found to their surprise and delight a manuscript of wilderness writings on his desk in his lakeside apartment in Burlington Ontario He had hoped one day to publish his work as a book With help and commentary from best selling canoe author and editor James Raffan Natural Heritage is proud to present that book Herb's book The Lure of Faraway Places There's nothing like it in canoeing literature says Raffan It's part journal part memoir part wilderness philosophy and part tips and tricks of the most pragmatic kind written about parts of the country most of us will never see by the most committed and ambitious solo canoeist in Canadian history

**The Northern Horizons of Guy Blanchet** Gwyneth Hoyle, 2007-10-31 The working life of the distinguished surveyor Guy Blanchet reflects the story of northern Canada in the first half of the twentieth century Beginning his career in the boreal forests of Alberta and Saskatchewan using pack horses and dog teams Blanchet went north to map large areas of the Barrens by canoe and soon became caught up in pioneer northern aviation His story encompasses the Great Depression and the Second World War which in turn led to his work finding the routes for oil pipelines His life was rich in contacts with First Nations people and his friendships included most of the well known northern travellers of the time While Blanchet did not seek adventure adventure often found him and he had many narrow escapes While Blanchet published a number of articles about his experiences this is the first time his fascinating life story has been told in book form

**A Cold Colonialism** Tina Adcock, 2025-06-01 Exploration has long been pivotal to southern engagements with northern Canada but it is most often associated with the nineteenth century or earlier A Cold Colonialism offers the first extended examination of twentieth century exploration in the Canadian North Modern exploration helped southerners establish and maintain distinctive kinds of colonial and settler colonial power over northern Indigenous homelands Who explored the North

between 1918 and 1965 What forms did exploration take What did it mean to explorers and others affected by it Tina Adcock focuses on four representative explorers with richly documented careers mining engineer George Douglas surveyor Guy Blanchet ethnologist Vilhjalmur Stefansson and filmmaker Richard Finnie Despite limited experience in and knowledge of the Canadian North these explorers helped southern militaries industries and governments exert control over northern peoples and their lands Each also claimed belonging in and authority over the North in ways that still resonate among southern settlers in Canada today
