Alegre, Jan-Ake Alvarsson, Nikolaj Christensen, Tommy Davidsson, 2024-12-12 The invisibility of women in historical research is a problem that requires dedicated attention and concrete efforts to overcome This book aims to make a small contribution toward this goal by shedding light on the significant contributions of Scandinavian women in early Pentecostalism The authors of this volume bring to light the stories of mostly unknown female Pentecostal pioneers and how they shaped their respective movements and Pentecostalism internationally The stories range from key leaders like Laura Barratt and Anna Larssen Bjørner in Norway and Denmark to obscure apostles in the Arctic regions like Alma Halse and Gerda Ström to missionaries in Africa and Brazil like Hilda Backlund Linnea Halldorf Ingrid Løkken Chawner and Frida Vingren The stories provide a window into the challenges and possibilities of Pentecostal women at the turn of the twentieth century These empowered voices have finally received an audience that they so deeply deserve **Fisheries Review**, 1995

Many Peoples, One Land Alethea K. Helbig, Agnes Regan Perkins, 2000-10-30. Celebrating the wealth of quality multicultural literature recently published for children and young adults, this valuable resource examines the fiction, oral tradition, and poetry from four major ethnic groups in the United States: African Americans, Asian Americans, Hispanic Americans, and Native American Indians. Taking up where their earlier volume *This Land is Our Land* left off, Helbig and Perkins have teamed up once again to identify and expertly evaluate more than 500 multicultural books published from 1994 through 1999. Both considered authorities in the field of children's literature, the two of them personally selected, read, and evaluated all the books included here. Their insightful annotations help readers carefully consider both literary standards such as plot development, characterization, and style, as well as

cultural values as they are represented in these cited works Each entry also indicates the suggested age and grade level appropriateness of the work With the proliferation and ever increasing popularity of multicultural literature for children and young adults this sensitively written volume will serve as an invaluable collection development tool Teachers as well as librarians will find the comprehensiveness and organization of this bibliography helpful as a guide in selecting appropriate materials for classroom use Even students will find this book easy to use with its five indexes identifying works by title writer illustrator grade level and subject Public libraries and school media centers will find much use for Many Peoples One Land
