

A large, gnarled tree with a bright starburst light in its branches, casting a warm glow over a vast field of people. The scene is set in a hazy, golden light, suggesting a sunrise or sunset. The tree's trunk is thick and textured, with its branches spreading out across the top of the frame. The starburst light is a bright, multi-pointed star shape, emanating from a point in the upper left. The field below is filled with a dense crowd of people, their heads visible in the foreground, creating a sense of a large gathering. The overall atmosphere is one of hope and enlightenment.
