After Everest Paul Little,Carolyn Meng-Yee,2012-10 Well if you have a big life a lot of stuff happens Dad had a big life Peter Hillary Edmund Hillary is a towering figure among adventurers His conquest of Everest and his dedication to the welfare of the Nepalese people is well known While much has been written about what Sir Edmund Hillary did Ed the man behind the legend is less well known in large part because he controlled how his story was told The years leading up to Everest and the other great adventures are remarkable enough but it is the drama of Ed s later years that throws light onto the world of the private man the death of his wife and daughter in an air crash his remarriage to the widow of an old friend

and finally the falling out after his own death of family members and those in his inner circle Ed's image was that of a simple straightforward man but in reality he was a complex bundle of paradoxes He was an individualist who always worked with a team a young loner who came to be loved by millions a sometimes distant father who was seen as a surrogate parent by thousands of Nepalese and a left leaning thinker who accepted the highest order of chivalry from Queen Elizabeth II This is the story of the man behind the legend
