Selected Poems of Edna St. Vincent Millay Edna St. Vincent Millay, Holly Pippin, 2016-01-01 More than sixty years after her death the Pulitzer Prizewinning poet Edna St Vincent Millay continues to captivate new generations of readers. The twentieth century American author was catapulted to fame after the publication of *Renascence* her first major work and a poem written while she was still a teenager. Millay's frank attitude toward sexuality along with immortal lines such as "My candle burns at both ends" solidified her reputation as the quintessential liberated woman of the Jazz Age. In this authoritative volume Timothy F. Jackson has compiled and annotated a new selection that represents the full range of her published work alongside previously unpublished manuscript excerpts, poems, prose and correspondence. The poems appearing as they were printed in their first editions are complemented by Jackson's extensive illuminating notes which draw on archival sources and help situate her work in its historical and literary context. Two introductory essays, one by Jackson and the other by Millay's literary executor Holly Pippin, also help critically frame the poet's work.

The Selected Poetry of Edna St. Vincent Millay Edna St. Vincent Millay, 2002-09-10 An indispensable collection of the groundbreaking poet's most masterful and innovative work celebrating a bold early voice of female liberation, independence and queer sexuality featuring a new introduction by poet Olivia Gatwood, author of *Life of the Party*. Edna St Vincent Millay defined a generation as one of the most critically acclaimed poets of the Modernist era. Her work pushed boundaries within the literary canon for its lyrical expression of female embodiment and progressive feminist politics and she was honored as only the third woman to be awarded the Pulitzer Prize for Poetry. *The Selected Poetry of Edna St Vincent Millay* demonstrates Millay's legacy and influence on contemporary poetry. Sometimes satirical, often sharp and always striking, the poems in this collection span Millay's remarkable career from the success of *Renascence* and *Other Poems* to the sting of *A Few Figs from Thistles* and *Second April* as well as *The Ballad of the Harp Weaver* and eight sonnets from the early twenties. Millay's incandescent poetry continues to inspire today as broadly and deeply as during her lifetime. The Modern Library Torchbearers series.
