Educational Policies Of Catherine II:

The Educational Policies of Catherine II George K. Epp, 1984 The author of this work investigates the origin of Russian educational efforts focusing especially on the era of Catherine II and the Russian Enlightenment In the process of his investigation he discovers the significant contribution of a woman whose personality and achievement demand a new interpretation for our time The reign of Catherine II 1762 1796 may be seen as the era of Russian Enlightenment

The Educational Policies of Catherine II. George Epp, 2012 A History of Education in Modern Russia Wayne Dowler, 2021-08-12 A History of Education in Modern Russia is the first book to trace the significance of education in Russia from Peter the Great's reign all the way through to Vladimir Putin and the present day Individual chapters open with an overview of the political social diplomatic and cultural environment of the period in order to orient the reader Dowler then goes on to analyse the aims of education initiatives in each era before considering the ways in which Russians experienced education both as students and as teachers Each chapter concludes with an assessment of the outcomes and consequences of education policies in the period both the successes and failures as well as the impact of education on the cultural social economic and ultimately political environments The chronologically arranged book also traces and then summarises underlying key themes like the tension between an open system of education and an estate based system the push and pull between utility and the broader goal of human development and the effects of centralized authoritarian control that for much of the period limited local initiative and starved the regions of adequate resources
