Edvard Kardelj The Historical Roots Of Non Alignment:

Edvard Kardelj, the Historical Roots of Non-alignment Edvard Kardelj,1985 Edvard Kardelj, the Historical Roots of Non-alignment Edvard Kardelj,1985 **The historical roots of non-alignment** Edvard Kardelj,1975 **The Search for a Cold War Legitimacy: Foreign Policy and Tito's Yugoslavia** Robert Edward Niebuhr,2018-01-03 Titoist Yugoslavia is a particularly interesting setting to examine the integrity of the modern nation state especially the viability of distinctly multi ethnic nation building projects Scholarly literature on the brutal civil wars that destroyed Yugoslavia during the 1990s emphasizes divisive nationalism and dysfunctional politics to explain why the state disintegrated But the larger question remains unanswered just how did Tito s state function so successfully for the preceding forty six years In an attempt to understand better what united the stable multi ethnic and globally important Yugoslavia that existed before 1991 Robert Niebuhr argues that we should pay special attention to the dynamic and robust foreign policy that helped shape the Cold War

Socialist Yugoslavia and the Non-Aligned Movement Paul Stubbs,2023-01-15 After a summit in Belgrade in September 1961 socialist Yugoslavia led by President Josip Broz Tito until his death in 1980 initiated a movement with states in the Global South The Non Aligned Movement not only offered an alternative to the Cold War polarization between NATO and the Warsaw Pact but also expressed the hopes of a world emerging from colonial domination Socialist Yugoslavia and the Non Aligned Movement investigates the Non Aligned Movement both as a top down interstate initiative and as a site for transnational exchange in science art and culture architecture education and industry Re invigorating older debates by consulting newly available sources the volume challenges studies that marginalize the role of socialist Yugoslavia in the Non Aligned Movement Contributors address topics such as women s involvement antifascism and anti imperialism cultural and educational exchange tensions in Yugoslav diplomacy competing understandings of economic development the role of the Yugoslav construction company Energoprojekt Yugoslav relations with Latin America and Africa and contemporary support for refugees and asylum seekers as a kind of practical and affective afterlife of Yugoslavia s non aligned commitments Socialist Yugoslavia and the Non Aligned Movement offers an innovative approach to one of the twentieth century s most important international movements and confronts issues of economic social and cultural rights that remain relevant today

Non-alignment and Its Origins in Cold War Europe Rinna Kullaa,2012-03-13 After World War II Europe stood divided between two clearly defined and competing ideologies and systems of government Within this context of confrontation and mutual hostility between the United States and the Soviet Union Rinna Kullaa provides a unique analysis of the attempts of two European states to successfully avoid absorption into the Soviet bloc This book explores the relations of Yugoslavia and Finland both with the Soviet Union and with each other as they strove to preserve and create their independence Whilst at first attempting the neutralism strategy employed by Finland in the face of Soviet hostility Tito s Yugoslavia instead led the way to the founding of the Non Aligned Movement in 1961 Kullaa s crucial analysis of the formative period of the Cold War

will be of vital interest to students and researchers of International Relations European History the Cold War and diplomacy

The Non-Aligned Movement: Genesis, Organization and Politics (1927-1992) Jürgen Dinkel, 2018-11-26 The Non Aligned Movement had an important impact on the history of decolonization South South cooperation the Global Cold War and the North South conflict During the 20th century nearly all Asian African and Latin American countries joined the movement to make their voice heard in global politics In The Non Aligned Movement Jürgen Dinkel examines for the first time the history of the NAM since the interwar period as a special reaction of the Global South to changing global orders The study shows breaks and caesurae as well as continuities in the history of globalization and analyses the history of international relations from a non western perspective For this book empirical research was undertaken in Germany Great Britain Indonesia Russia Serbia and the United States

Bandung, Global History, and International Law Luis Eslava, Michael Fakhri, Vasuki Nesiah, 2017-11-30 In 1955 a conference was held in Bandung Indonesia that was attended by representatives from twenty nine developing nations Against the backdrop of crumbling European colonies Asian and African leaders forged a new alliance and established anti imperial principles for a new world order The conference captured the popular imagination across the Global South Bandung's larger significance as counterpoint to the dominant world order was both an act of collective imagination and a practical political project for decolonization that inspired a range of social movements diplomatic efforts institutional experiments and heterodox visions of the history and future of the world This book explores what the spirit of Bandung has meant to people across the world over the past decades and what it means today Experts from a wide range of fields show how despite the complicated legacy of the conference international law was never the same after Bandung

Revolutionary States, Leaders, and Foreign Relations Houman A. Sadri, 1997-04-16 This book compares and contrasts the foreign relations strategies of China Cuba and Iran in the first decade of their post revolutionary periods Among a variety of explanatory variables leadership particularly the type of revolutionary leaders played a significant role in explaining the outcome of the policymaking process in each case Three distinct patterns of foreign relations strategies are evident among all three revolutionary regimes in the ten year period Two Track Conflictual and Conciliatory This book is a valuable source for both experts and non experts alike in providing insight into the foreign relations of revolutionary regimes in developing countries and in helping U S policymakers anticipate behaviors of future revolutionary leaders A focal point of this book is the examination of the nonalignment strategies of these prominent developing countries during the infancy of their regimes Each state's particular strategy is described and explained in detail and then contrasted and compared Although there are differences among their foreign policies considering their geographic locations size wealth military capabilities leadership characteristics and political institutions there are significant similarities regarding their foreign policy goals and trends in their foreign relations with the Great Powers Among explanatory factors leadership played a significant role in the policy making process although the foreign relations strategies of these revolutionary regimes were fed by a

combination of national and international variables In all three states the tone of foreign policy was set by revolutionary leaders who were either idealists or realists Idealists tended to take a more active and conflictual approach toward one or both of the superpowers while Realists were more cautious and less willing to resort to a conflictual posture This book also investigates the gap between the theoretical and practical nonalignment stance of each state This cross regional study provides policy analysts with clues about the foreign policies of other revolutionary developing countries in similar situations Finally it makes suggestions about how a Great Power may relate to a developing country during its first post revolution decade

Readings from Edvard Kardelj Edvard Kardelj, Bogdan Trifunović, 1980 **Europe and the Collapse of Yugoslavia**

Branislav Radeljic, 2016-05-11 In 1992 Yugoslavia finally succumbed to civil war collapsing under the pressure of its inherent ethnic tensions Existing accounts of Yugoslavia's dissolution however pay little regard to the troubled relationship between the Yugoslav Federation and the European Community EC prior to the crisis in the early 1990s and the instability this created Here Branislav Radeljic offers an empirical analysis of the EC's relations with Yugoslavia from the late sixties when Yugoslavia was under the presidency of Josip Broz Tito through to the collapse of the Yugoslav federation in 1992 after the rise of Slobodan Milošević and the beginning of the Yugoslav Wars Radeljic explores the economic political and social elements of these discords and also places emphasis on the role of Slovenes Croats and other diasporas focusing on their capacity to affect policy making at a Europe wide level Radeljic argues convincingly that a lack of direction and inadequate political mechanisms within the EC enabled these non state actors to take centre stage and shows how EC paralysis precipitated a bloody conflict in the Balkan region *Historical Dictionary of Slovenia* Leopoldina Plut-Pregelj, Gregor Kranjc, Žarko
