Sufrin, 2020-08-04 Extraordinarily rich lively and illuminating The editors have succeeded magnificently in achieving their goal Jewish Journal The late twentieth and early twenty first centuries have been a period of mass production and proliferation of Jewish ideas and have witnessed major changes in Jewish life and stimulated major debates The New Jewish Canon offers a conceptual roadmap to make sense of such rapid change With over eighty excerpts from key primary source texts and insightful corresponding essays by leading scholars on topics of history and memory Jewish politics and the public square religion and religiosity and identities and communities The New Jewish Canon promises to start conversations from the seminar room to the dinner table The New Jewish Canon is both text and textbook of the Jewish intellectual and communal zeitgeist for the contemporary period and the recent past canonizing our most important ideas and debates of the past two generations and just as importantly stimulating debate and scholarship about what is yet to come *Radical Lutherans/Lutheran Radicals* Jason A. Mahn, 2017-06-09 Can a Lutheran be sociopolitically radical Can a radical be theologically and faithfully Lutheran This book answers yes Written by teacher scholars from five ELCA colleges Radical Lutherans Lutheran Radicals follows Martin Luther Søren Kierkegaard Dietrich Bonhoeffer Dorothee Soelle and others as they sink deep roots in the Lutheran Christian tradition while simultaneously resisting the status quo with their words their deeds and sometimes their very lives Each chapter shows how the Lutheran theologian returns to the roots of Luther s life and writing and puts them toward radical social and political ends including critiques of cultured Christianity resistance to state or market preferential options for the poor and suffering deep commitments to peace justice and ecological sustainability and direct nonviolent resistance The book highlights theological themes popularized by Luther justification by grace two kingdoms thinking theology of the cross and vocation and then shows how these theological staples when deeply and creatively retrieved can inform political protest intentional living and other countercultural movements The compelling claim throughout is that Luther s theology at its root has resources for radical political participation and social transformation as exemplified by the writings and lives of these radical Lutherans Lutheran radicals Professional Journal
