The Scandal of Pentecost Wolfgang Vondey, 2023-10-19 Through a systematic

analysis of the conflicts emerging when the public church encounters the public world The Scandal of Pentecost argues that the public advent of the church stands in continuity with the public scandal of the incarnate and crucified Christ The book traces the contours of this scandal in the confrontation of the dominant ruling hermeneutic of authority with a Christian hermeneutic of resistance This highlights the brokenness of the human condition manifested by the church in the drunkenness of the disciples the speaking in other tongues the baptism with the Spirit the empowerment of the flesh and its public witness to a scandalized world The effects of the scandal transform both the disciples individual and communal witness and their public recognition as the church Through the lens of a symbolic hermeneutic the public witness of the church at Pentecost reveals a Christian scandal of anthropological proportions with the outpouring of the Spirit on all flesh the church emerges as the symbol of humanity **The Flaming Sword** ,1924 *The Power of Eve* Deanna Manley,2006-10 Manley reveals the power women possess through the story of Eve Readers will discover how to become better equipped to face the challenges of being a woman Practical Life **From Solomon to the Captivity** David Gregg,Lewis Ward Mudge,1890 Shifting Shadows of Supernatural Power Julia C. prophets Elijah and Elisha still raise many questions and rich symbolic allusion This book re considers some of these and uncovers new perspectives on the themes arising from the crucial contribution of the Books of Samuel and Kings to both the Bible and wider Christian thought *The Power of the Holy Spirit in You* Pat Robertson,2022-01-11 Who Is the Holy Spirit and Why Do You Need Him in Your Life After His crucifixion and resurrection Jesus gave His disciples an assignment to change the world but told them to wait until the power of the Holy Spirit had come upon them before setting out His charge to modern day believers is no different To do the works that Jesus did and even greater ones as He said it is imperative that we operate from the indwelling power of the Holy Spirit But Who is this mysterious Third Person of the Trinity How do we get this power and what are we to do with it when we receive it Pat Robertson founder of the Christian Broadcasting Network and beloved longtime host of The 700 Club tackles these questions and many others in this the final book of a life that is now in its ninth decade Robertson traces the path of the Holy Spirit through both the Old and New Testaments and shares stories from his own life and that of many 700 Club viewers testifying to how the power of the Holy Spirit has miraculously freed and healed them today If you want a better understanding of the Holy Spirit and are hungry to know more about the power that is available through Him to every Christfollower today this book is for you *Telling God's Story* Preben Vang,Terry G. Carter,2013 Bridging the gaps for those who ve acquired their Bible knowledge in random order professors Vang and Carter help readers comprehend Scripture as one cohesive story from beginning to end Second edition with all supporting charts photographs and illustrations in full color *All Power to the Lamb* James R. Johnson,2010-12 Book Summary If you were God writing a book you wanted men to understand would you write it in such a way that men would have to make up meaning in order to understand it or would you write it in such a way that those that seek to understand could actually come to a knowledge of its truth Mt 7 7 The present commentary takes the position that God wrote Revelation in such a way that with sufficient effort and intellectual honesty readers can understand it Certainly there are symbols in Revelation but when God does use symbols He provides inspired interpretations of the symbols This commentary seeks to avoid the mistakes of the views that use the symbolical approach to Revelation preterist continuous historical spiritualist and idealist These approaches suffer from two basic flaws assuming the text is symbolical when it is not and making up meaning regarding the text based on stream of consciousness word association much as one would do looking at Rorschach inkblots This commentary seeks to avoid telling God what He should have said and strives to understand what God actually meant Of all the approaches to understanding Revelation this commentary is most closely aligned with the dispensationalist premillennialist view in that it views Revelation from a literalist futurist perspective It is different from the typical dispensationalist schema in that it views the seven seals as the powers of the Lamb understands the exercise of the powers of the seven seals to be simultaneous processes and casts chapters 8 22 as three parallel prophecies of the Lamb s power over the course of the histories of Israel the nations and the saints This commentary also makes use of many of the

non canonical works that provide insight into the spirit world and detail regarding the end of the present age
