Elijahs Mantle:

The Characters of Elijah and Elisha and the Deuteronomic Evaluation of Prophecy Roy L. Heller, 2018-01-11
Roy L Heller looks at the prophets Elijah and Elisha in the books of Kings charting a two fold characterization that portrays these prophetic figures in both positive and negative lights In the narratives of Kings Elijah and Elisha often parallel other prophetic figures from Israel s history they perform miraculous signs they speak in the name of God and they pronounce judgments upon the nation of Israel for its idolatrous worship There are however other stories which have troubled readers and scholars alike Elijah s cowardly running from the threats of Jezebel his self pitying complaint to God that he was the only true Israelite left and Elisha s cursing a group of little boys who in turn are slaughtered by two female bears Scholars have traditionally ignored or belittled the negative stories of the prophets seeing them as either late additions to the biblical text or as minor unimportant stories that can easily be dismissed Heller however argues that the dual characterization of Elijah and Elisha reflects an ambivalent attitude that the narrator of Kings has toward prophecy as a whole an attitude that is reflected in the book of Deuteronomy itself This forces readers of the biblical text to pose the question how may Israel best know and follow God The stories of Elijah and Elisha make the answer clear the words and lives of the prophets are a possible way for God to reveal how Israel is to live but those words and lives must always be considered with a degree of suspicion and must always be evaluated in light of the clear and straightforward teaching of Deuteronomy

Elijah's Despair Ahmed Musa, 2024-12-13 After a triumphant showdown on Mount Carmel Elijah finds himself fleeing for his life overcome by fear and despair Elijah s Despair A Whisper in the Wilderness captures the raw humanity of one of Israel s greatest prophets offering a powerful story of vulnerability divine encounter and renewal Worn out by persecution and isolation Elijah retreats to the wilderness seeking solace and questioning his purpose It is there in a moment of profound stillness that God speaks not in the wind earthquake or fire but in a gentle whisper This quiet revelation reaffirms Elijah s calling reminding him that even in his weakest moments he is never alone This poignant retelling explores themes of mental and spiritual fatigue the sustaining power of God s presence and the courage to rise again Elijah s Despair A Whisper in the Wilderness is a testament to the grace that meets us in our darkest moments and the strength found in the voice of God Perfect for readers seeking encouragement and a reminder of God s intimate care

A Fiery Chariot: Elijah's Ascension to Heaven Ahmed Musa, 2024-12-13 A prophet of fire A chariot of flames A journey from earth to glory Elijah the prophet who called down fire from heaven performed miracles and stood boldly before kings was about to face his greatest transition A Fiery Chariot Elijah's Ascension to Heaven captures the dramatic and awe inspiring moment when Elijah was taken up to heaven in a whirlwind accompanied by a chariot and horses of fire This incredible event marked the end of Elijah's earthly ministry but also the beginning of a new chapter for his successor Elisha and for the people of Israel The fiery chariot is not only a powerful symbol of God's divine authority but also a reminder of His constant presence in the lives of His faithful servants In A Fiery Chariot Elijah's Ascension to Heaven you will discover The significance of Elijah's life and ministry how he confronted false prophets restored the people of Israel to worship the one true God and boldly spoke God's truth regardless of the cost The miraculous moment when Elijah was taken up into heaven with the whirlwind and the fiery chariot symbolizing God's glorious power and the honor bestowed upon Elijah The lessons Elijah's ascension teaches us about God's sovereignty over

life and death and the way He fulfills His promises to His servants The powerful legacy Elijah left behind especially through the prophet Elisha who would continue the work Elijah began The deeper meaning of the fiery chariot how it represents God's divine presence the fulfillment of prophecy and the ultimate hope of eternal life for those who faithfully follow Him Elijah's ascension was not just a departure it was a testimony to God's power and the faithfulness of His servants As Elijah was taken up to heaven his earthly mission was complete but the story of his impact continues to echo in the lives of those who follow in his footsteps The fiery chariot reminds us that God's work on earth is never finished and that He will always equip those He calls to carry His message forward What does Elijah's ascension teach us about the eternal nature of God's calling and the power of His presence How does this miraculous event encourage us to live boldly for God knowing He has a glorious plan for our lives Elijah's journey to heaven reminds us that no act of faith is ever wasted and that our ultimate reward lies in the presence of God where we will be forever with Him in glory Step into A Fiery Chariot Elijah's Ascension to Heaven and be inspired by the prophet who lived with a passion for God and whose final moments on earth were as glorious and powerful as his life had been When we remain faithful to God's calling He will lead us to a place of eternal glory *Blake's Drama* Diane Piccitto, 2014-06-26 Blake's Drama challenges conventional views of William Blake's multimedia work by reinterpreting it as theatrical performance Viewed in its dramatic contexts this art form is shown to provoke an active spectatorship and to depict identity as paradoxically essential and constructed revealing Blake's investments in drama action and the body

Prophets and Prophecy Hibbard, J. Todd, This volume introduces readers to the prophets of ancient Israel by focusing on the variety of roles they played in ancient Israelite society Starting from the basic definition of prophets as mediators between God and the community the author explores the activities and messages of prophets in their various social historical political economic and religious contexts The basic question always before us is What did prophets do in ancient Israel To answer this Hibbard offers a close critical analysis of the biblical literature by and about prophets The result is an analysis of prophets as royal advisors political pundits religious specialists social critics miracle workers poets and scribes **Elijah the Tishbite ... Translated from the German. [Edited by R. F. Walker.]** Friedrich Wilhelm KRUMMACHER, 1836

The Second Book of Kings Martin Sicker, 2018-06-09 The subject of this study is the continuing story of the transition of the ancient Israelites from a loose confederation of ethnically related tribes into a territorially based nation and state and its subsequent transition to a monarchy as depicted in the biblical books of Samuel The work that follows begins with the succession of Ahaziah the son of Ahab to the throne of the kingdom of Israel and concludes with the end of the kingdom of Judah and the destruction of the Temple in Jerusalem in 586 The term prophetic history is employed to describe the subject because prophecy in biblical thought is not fatalistic and does not predict future events What it does is assert that the moral course a society chooses to follow in the present can determine its probable but not inevitable future The purpose of the biblical book is to inform the reader of the historical consequences of the failure to observe the terms of the divine covenant

entered into between God and the children of Israel at Mount Sinai following the exodus from Egypt Although the narrative is based on events that were believed to have taken place the primary focus of prophetic history is on the moral implications of the decisions taken by men rather than the factual accuracy of the details of the events described which have been studied exhaustively by archaeologists and historians of the ancient world *Feasting on the Word: Year C, Volume 3* David L.
