- First group consists of Herrick, Lovelace and Suckling (wrote according to the conventions of Elizabethan lyricists)
- Second group consists of Donne, Herbert and Vaughan who produced works by 'intense feeling combined with ingenious thought; elaborate, witty images; an interest in mathematics, science and geography; an overriding interest in the soul; and direct, colloquial expression even sonnets and lyrics'

The New Cambridge Bibliography of English Literature: Volume 1, 600-1660 George Watson, Ian Roy Willison, 1974-08-29 More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries The Art of Marvell's Poetry J. B. Leishman, 2021-10-29 First Published in 1966 The Art of Marvell s Poetry presents J B Leishman s appreciation of Andrew Marvell s poems by demonstrating a sensitive understanding of attitudes peculiar to the seventeenth century and to Marvell Leishman calls Marvell an inveterate imitator and experimenter His success depended on originality of combination rather than originality of invention But while such phrases as Musick the Mosaique of the Air Desarts of vast Eternity and a green Thought in a green shade were certainly inspired by others they are distinctively and unquestionably Marvell s own Marvell s poetry is shown to be the work of a man living at a certain moment in history it is poetry which could not have been written at any other time and its affinities to the work of contemporary poets are clearly demonstrated The Art of Marvell s Poetry is a must read for scholars and researchers of English poetry English literature and European literature **Annual Report ...
