Seven Decades of Commentary

Ella Fitzgerald Companion Six Years Of Commentary

Aaron Lefkovitz

Ella Fitzgerald Companion Six Years Of Commentary:

Ella Fitzgerald J. Wilfred Johnson, 2001-01-01 Ella Fitzgerald was one of America's greatest jazz singers. This volume is as complete a discography of her recorded songs as currently seems possible to compile. This volume also contains a complete discography 1927-1939 for drummer and bandleader Chick Webb with whom Ella began her recording career in 1935. Part One includes a chronological listing of all known recorded performances of both Chick Webb and Ella. Part Two gives the complete contents of Ella's LPs and CDs including track listings, titles with lyricists and composers, and timings. Part Three is an annotated alphabetical listing of all songs contained on all of Fitzgerald's records with detailed information on each song's composer, lyricist, and history. Reviews of the movies in which Ella appeared and surveys of her career with the Decca, Verve, and Pablo music companies are included. The book also has an index of album and CD recordings and composers, lyricists, and musicians.

The Ella Fitzgerald Companion Norman David, 2004-03-30 Examines the career and influences of Ella Fitzgerald as well as those of top accompanists, bandleaders, and musical directors with whom she collaborated.

The Ella Fitzgerald Companion Leslie Gourse, 1998 *Forgotten African American Firsts* Hans Ostrom, J. David Macey Jr., 2023-03-16 Winner of the 2024 RUSA Outstanding Reference Award. This book introduces students to African American innovators and their contributions to art, entertainment, sports, politics, religion, business, and popular culture. While the achievements of such individuals as Barack Obama, Toni Morrison, and Thurgood Marshall are well known, many accomplished African Americans have been largely forgotten or deliberately erased from the historical record in America. This volume introduces students to those African Americans whose successes in entertainment, business, sports, politics, and other fields remain poorly understood. Dr. Charles Drew, whose pioneering research on blood transfusions saved thousands of lives during World War II; Mae Jemison, an engineer who in 1992 became the first African American woman to travel in outer space; and Ethel Waters, the first African American to star in her own television show, are among those chronicled in *Forgotten African American Firsts*. With nearly 150 entries across 17 categories, this book has been carefully curated to showcase the inspiring stories of African Americans whose hard work, courage, and talent have led the course of history in the United States and around the world.

Becoming Ella Fitzgerald: The Jazz Singer Who Transformed American Song Judith

Tick, 2023-12-05 An NPR Books We Love Pick of the Year. A Kirkus Best Nonfiction Book of the Year. A radiant, rich, no stone unturned biography. Paula J. Giddings, author of *When and Where I Enter*, a landmark biography that reclaims Ella Fitzgerald as a major American artist and modernist innovator. Ella Fitzgerald (1917-1996) possessed one of the twentieth century's most astonishing voices. In this first major biography since Fitzgerald's death, historian Judith Tick offers a sublime portrait of this ambitious risk taker whose exceptional musical spontaneity made her a transformational artist. *Becoming Ella Fitzgerald*

clears up long enduring mysteries Archival research and in depth family interviews shed new light on the singer s difficult childhood in Yonkers New York the tragic death of her mother and the year she spent in a girls reformatory school where she sang in its renowned choir and dreamed of being a dancer Rarely seen profiles from the Black press offer precious glimpses of Fitzgerald s tense experiences of racial discrimination and her struggles with constricting models of Black and white femininity at midcentury Tick s compelling narrative depicts Fitzgerald s complicated career in fresh and original detail upending the traditional view that segregates vocal jazz from the genre s mainstream As she navigated the shifting tides between jazz and pop she used her originality to pioneer modernist vocal jazz Interpreting long lost setlists reviews from both white and Black newspapers and newly released footage and recordings the book explores how Ella s transcendence as an improviser produced onstage performances every bit as significant as her historic recorded oeuvre From the singer s first performance at the Apollo Theatre s famous Amateur Night to the Savoy Ballroom where Fitzgerald broke through with Chick Webb s big band in the 1930s Tick evokes the jazz world in riveting detail She describes how Ella helped shape the bebop movement in the 1940s as she joined Dizzy Gillespie and her then husband Ray Brown in the world touring Jazz at the Philharmonic one of the first moments of high culture acceptance for the disreputable art form Breaking ground as a female bandleader Fitzgerald refuted expectations of musical Blackness deftly balancing artistic ambition and market expectations Her legendary exploration of the Great American Songbook in the 1950s fused a Black vocal aesthetic and jazz improvisation to revolutionize the popular repertoire This hybridity often confounded critics yet throughout the 1970s and 1980s Ella reached audiences around the world electrifying concert halls and sold millions of records A masterful biography Becoming Ella Fitzgerald describes a powerful woman who set a standard for American excellence nearly unmatched in the twentieth century

Transnational Cinematic and Popular Music Icons Aaron Lefkovitz,2017-09-08 Transnational Cinematic s and Queen Latifah s transnational popular cultural struggles between domination and autonomy with a particular emphasis on their films and popular music Linking each performer to twentieth century U S African American and global gender histories and noting the intersections of race gender sexuality class and empire in their overlapping transnational biographies Transnational Cinematic Popular Music Icons Lena Horne Dorothy Dandridge Queen Latifah 1917 2017 connects Horne Dandridge and Latifah to each other and legacies of Hollywood stereotypes and popular music s internationally routed politics Through a close reading of Horne s Dandridge s and Latifah s films and popular music the performers tie to historic black transnational caricatures from the tragic mulatto to Sapphire Mammy and Jezebel and additional non white female performers from Josephine Baker to Halle Berry maneuvering within transnational popular culture industrial matrices and against white supremacist and hetero patriarchal forces The Publishers Weekly ,1997 **The Virgin Encyclopedia of**

Jazz Colin Larkin, 2004 From boogie woogie to bebop and beyond the sounds and rhythms of Jazz is mercurial always creative seldom static frequently cultish and often contentious The latest edition of The Virgin Encyclopedia of Jazz is the essential companion to making an acquaintance with Jazz It will inform you and it will not talk down to you There are over 3 500 entries detailing every artist who has had an impact on the development of jazz since it headed out from New Orleans and spread to New York London Paris Montreux Munich and way beyond Here are all the legends whose genius is evoked in a single name Ella Duke Satchmo Bird Miles Trane the Hawk Monk and Diz together with all the younger talent Brad Mehldau Jacky Terrasson Nicholas Payton and the youngest phenomenon of them all Norah Jones They line up with modern day giants of the genre such as John Schofield Dave Holland Joe Lovano and Keith Jarrett All entries have a detailed album chronology together with a five star rating system The text is non pompous non judgemental yet friendly and constructive All the text has been taken from the gigantic database of The Encyclopedia of Popular Music first published in 1992 the EPM and its spin off series swiftly and firmly established itself as the undisputed champion of all contemporary music reference books *The British National Bibliography* Arthur James Wells, 2005

The Billie Holiday Companion Leslie Gourse, 1997 One of the most troubling and troubled artists in the history of jazz Billie Holiday remains an enigma despite numerous attempts to eulogize analyze and criticize her life and career This new addition to Schirmer's Companion Series provides an objective assessment of Lady Day's life talent and of her place among the legends of jazz Critical Companion to F. Scott Fitzgerald Mary Jo Tate, 2007 The Great Gatsby and its criticism of American society during the 1920s F Scott Fitzgerald claimed the distinction of writing what many consider to be the great American novel Critical Companion to F

Essays on Music Theodor Adorno, 2002-08-08 A book of landmark importance It is unprecedented in its design a brilliantly selected group of essays on music coupled with lucid deeply incisive and in every way masterly analysis of Adorno's thinking about music No one who studies Adorno and music will be able to dispense with it and if they can afford only one book on Adorno and music this will be the one For in miniature it contains everything one needs a collection of exceptionally important writings on all the principal aspects of music and musical life with which Adorno dealt totally reliable scholarship and powerfully illuminating commentary that will help readers at all levels read and re read the essays in question Rose Rosengard Subotnik author of Deconstructive Variations Music and Reason in Western Society An invaluable contribution to Adorno scholarship with well chosen essays on composers works the culture industry popular music kitsch and technology Leppert's introduction and commentaries are consistently useful his attention to secondary literature remarkable his interpretation responsible The new translations by Susan Gillespie and others are outstanding not only for their care and readability but also for their sensitivity to Adorno's forms and styles Lydia Goehr author of The Quest for Voice Music Politics and the Limits of Philosophy With its careful full edition of Adorno's important musical texts and its exhaustive yet eminently readable commentaries Richard Leppert's magisterial book represents a brilliant solution to the age old dilemma of bringing together primary text

and interpretation in one volume James Deaville Director School of the Arts McMaster University The developing variations of Adorno's life long involvement with musical themes are fully audible in this remarkable collection What might be called his literature on notes brilliantly complements the notes to literature he devoted to the written word Richard Leppert's superb commentaries constitute a book length contribution in their own right which will enlighten and challenge even the most learned of Adorno scholars Martin Jay author of *The Dialectical Imagination A History of The Frankfurt School and the Institute of Social Research* There is afoot in Anglo American musicology today the first wholesale reconsideration of Adorno's thought since the pioneering work of Rose Rosengard Subotnik around 1980 *Essays on Music* will play a central role in this effort It will do so because Richard Leppert has culled Adorno's writings so as to make clear to musicologists the place of music in the broad critique of modernity that was Adorno's overarching project and it will do so because Leppert has explained these writings in commentaries that amount to a book length study so as to reveal to non musicologists the essentially musical foundation of this project No one interested in Adorno from any perspective or for that matter in modernity and music all told can afford to ignore *Essays on Music* Gary Tomlinson author of *Metaphysical Song An Essay on Opera* This book is both a major achievement by its author editor and a remarkable act of scholarly generosity for the rest of us Until now English translations of Adorno's major essays on music have been scattered and often unreliable Until now there has been no comprehensive scholarly treatment of Adorno's musical thinking This volume remedies both problems at a single stroke It will be read equally and eagerly for Adorno's texts and for Richard Leppert's commentary on them both of which will continue to be essential resources as musical scholarship seeks increasingly to come to grips with the social contexts and effects of music No one knows Adorno better than Leppert and no one is better equipped to clarify the complex interweaving of sociology philosophy and musical aesthetics that is central to Adorno's work From now on everyone who reads Adorno on music whether a beginner or an expert is in Richard Leppert's debt for devoting his exceptional gifts of learning and lucidity to this project Lawrence Kramer author of *Musical Meaning Toward a Critical History* *Glory to God: A Companion* Carl P. Jr. Daw, 2016-05-25 This informative resource provides a brief history of each hymn in the popular hymnal *Glory to God* Written by one of the foremost hymn scholars today the *Companion* explains when and why each hymn was written and provides biographical information about the hymn writers Church leaders will benefit from this book when choosing hymn texts for every worship occasion Several indexes will be included making this a valuable reference tool for pastors worship planners scholars and students as well as an interesting and engaging resource for music lovers

Bibliographic Guide to Music New York Public Library. Music Division, 1999 *Vocal Racial Crossover in the Song Performance of Three Iconic American Vocalists* Eden Elizabeth Kainer, 2008 *Notes* Music Library Association, 1998
