of literature and the meaning of cultural literacy in a mass democracy He presents lively discussions of such topics as the newspaper treatment of the Lindbergh kidnapping issues of race in coverage of the 1936 Olympic games domestic dynamics and gender politics in cartoons and magazines Superman's evolution from a radical outsider to a spokesman for the people and the popular consumption of such novels as the Ellery Queen mysteries *Gone with the Wind* and *The Good Earth* Through these close readings Welky uncovers the subtle relationship between the messages that mainstream media strategically crafted and those that their target audience wished to hear
