**K. A. Applegate**

## Ellimist Chronicles:

**The Ellimist Chronicles (Animorphs)** K. A. Applegate, 2018-03-27 He is called the Ellimist A being with the ability to alter space and time A being with a power that will never be fully understood He is the reason Elfangor came to Earth He is the reason the Earth now has a fighting chance And though his actions never seem quite right or wrong you can be certain they are never ever what anyone expects This is the beginning and the middle of the story A story that needs to be told in order to understand what might happen to the future The future of the Animorphs The future of humanity The future of Earth He is called the Ellimist And this is his story *The Andalite Chronicles (Animorphs)* K. A. Applegate, 2018-03-27 Elfangor Sirinial Shamtul is an Andalite war prince the one who gave the Animorphs the power to morph The Andalite Chronicles is the story of how this warrior cadet ended up on planet Earth Ages 9 12 Pub 12 97 **The Hork-Bajir Chronicles**

**(Animorphs)** K. A. Applegate, 2018-03-27 Dak Hamee is a unique Hork Bajir His people call him a seer He learns more quickly and completely than the rest of his docile race Hork Bajir like him are born once a generation Aldrea is a young Andalite Daughter of the notorious Prince Seerow It is only after she and her family are sent to the Hork Bajir home world that she begins to fight the Yeerks and with Dak s help ultimately discovers their hideous plan Esplin 9466 is the Yeerk that will become the feared Visser Three He has set out to defeat the Hork Bajir and begin the building of the Yeerk Empire This story chronicles the fierce Hork Bajir wars in a time before the Animorphs **Visser (Animorphs)** K. A.

Applegate, 2018-03-27 Her human name is Eva There was a time when she had a loving husband and a son Marco When she had a wonderful career But that was before she was infested by Edriss 562 Before the invasion of Earth Now Edriss 562 lives in Eva s head and controls her every movement And through Eva Edriss has become the highest ranking general in the Yeerk empire surpassing even her arch rival Visser Three She is Visser One But it has become known that Visser One s tactics for attaining her current position were less than acceptable even to the Yeerks Now she s on trial for treason If she s found innocent she ll continue to rule But if she s found guilty she ll lose her life and possibly the life of her host Eva Which will mean that Marco will never ever see his mother again Elfangor's Secret (Animorphs Megamorphs #3) K. A.

Applegate, 2018-03-27 We found out who Visser Four is And he has found the Time Matrix the machine Elfangor had hidden in the abandoned construction site The same place we met him on a night none of us will ever forget Especially me Now Visser Four has the Matrix and he plans to use it to become Visser One But Jake Rachel Cassie Marco Ax and I can t let that happen We can t let him alter time so that the Yeerks will win the invasion So we re prepared to make the ultimate sacrifice Eventually one of us will lose this fight In the Time of Dinosaurs (Animorphs Megamorphs #2) K. A.

Applegate, 2018-03-27 We could blame everything that happened on Marco He was the one who heard about the downed submarine He was the one who thought we should check it out And everyone knows that if Marco s up to a challenge I m definitely there Everything was going fine Until the explosion An explosion that blew us millions of years back in time to the

age of dinosaurs Now Tobias Cassie Marco Ax Jake and I are fighting for our lives with every step we take But that s not our biggest problem Our biggest problem is we have no idea how to get back to our own time *Back to Before (Animorphs Megamorphs #4)* K. A. Applegate,2018-03-27 What would you do if you had the opportunity to change your life Not just where you live or who you hang out with but your past present and future Sounds like it might be pretty cool right Well that s what Jake thought He thought it might be easier if the Animorphs had never existed If they d never met Elfangor If they all had the chance to be normal kids Jake gets his wish But things aren t quite as simple as they seem Just because the Animorphs no longer exist doesn t mean the Yeerks no longer exist Except now Jake Rachel Tobias Cassie and Marco can t morph They don t even know the Yeerks are out there And it s not such a wonderful life *The Andalite's Gift (Animorphs Megamorphs #1)* K. A. Applegate,2018-03-27 We never should have done it But we needed a break Some time off from the superhero stuff A chance to act like normal kids Well as normal as four kids who can morph into animals a boy trapped in a hawk s body and a bright blue alien can be Everything should have been cool Now Rachel is missing And there s this this thing that s after us But it s not up to me to tell the whole story Tobias Cassie Marco and Ax were there too Even Rachel has some info to add So go ahead and check this out And remember not to tell anyone what we re about to tell you It could mean the difference between life and death Or worse **Floating Islands** Richard J. Heggen,2021-01-01 Floating Islands in science history the arts and any number of sightings elsewhere **Contemporary Authors New Revision Series** Tracey Watson,2005-06 In response to the escalating need for up to date information on writers Contemporary Authors R New Revision Series brings researchers the most recent data on the worlds most popular authors These exciting and unique author profiles are essential to your holdings because sketches are entirely revised and up to date and completely replace the original Contemporary Authors R entries For your convenience a soft cover cumulative index is sent biannually The Writers Directory ,2013 Popular Series Fiction for K-6 Readers Rebecca L.
