Contrarian Ripple Trading
Aidan J. McNamara, Martha A. Brozyna, 2007-09-10 Contrarian Ripple Trading Contrarian Ripple Trading is a well written and well documented observation for stock traders I especially enjoyed hearing the commonsense behind McNamara and Brozyna's method For those individuals looking to cut through the huge amount of poor information out there I think you will thoroughly appreciate this book I found the high percentage of winning trades hard to argue with Jason Alan Jankovsky FOREX trader and author of Trading Rules That Work Making money in today's stock market can be a difficult endeavor especially if you're not an expert in the worlds of finance or business Authors Aidan McNamara and Martha Brozyna a married couple who work outside the investment world but who happen to be active traders can relate to this situation That's why they've created Contrarian Ripple Trading Written in a straightforward and accessible style this reliable resource outlines the approach they've successfully used to capture profits from the stock market for many years With this book as your guide you'll quickly discover how you too can effectively implement a low risk trading technique that consistently generates short term profits on trades in large capitalization stocks regardless of whether the market is moving up down or sideways Throughout the book and in accompanying Appendixes McNamara and Brozyna refer to examples of their flawless trading record 1 225 profitable round trip trades over a twenty six month period to illustrate how contrarian ripple trading can produce a regular stream of profits in many different market conditions By combining aspects of investing notably the

need for safety and decent returns with characteristics of short term speculation Contrarian Ripple Trading arms you with a technique that can be used to generate a reliable extra income stream through low risk short term stock trading
