Elmas Children:

The Battle of Kokkina Nejla Clements, 2018-08-21 The riveting true story of the 13 year battle for the village of Kokkina in Northern Cyprus The first book in English to detail this story Written by someone who not only lived through but also participated in these events The Battle of Kokkina is the English Translation of Erenk y ve Hayat which is the extraordinary autobiography of Fadil Elmasoglu It is a compulsive read describing how Mr Elmasoglu lead a motley crew of men to form a resistance group that helped defend their coastal village in Northern Cyprus The vivid descriptions of day to day life of a besieged community and their courage and determination to survive the state s attempts to annihilate them are riveting Amongst all the mayhem of various battles the village folk some of whom lived in caves for shelter still pursued a normal life The isolation of Kokkina continued for thirteen years but not once did the inhabitants consider giving up Normal cultural practices still continued socialising matchmaking weddings babies being born educating their young All this while men concentrated on fighting the armed attacks on their village from the hills behind them and the sea to their front Not to mention the gathering and ceremonial burying of their dead during the fighting There are details of numerous gun smuggling trips to Turkey how these were organised and put into action the incredible risks taken by the men who participated and the perils of the sea when sailing in a small arms laden boat There is humour too Like the time when Mr Elmasoglu after years of walking around almost barefoot was given a pair of boots by a journalist one of many who periodically descended into Kokkina His description of how he felt he could fly although touching does not contain any self pity only delight and amazement

In Honor of Fadime Unni Wikan, 2008-09-15 In 2002 young Fadime Sahindal was brutally murdered by her own father She belonged to a family of Kurdish immigrants who had lived in Sweden for almost two decades But Fadime s relationship with a man outside of their community had deeply dishonored her family and only her death could remove the stain This abhorrent crime shocked the world and her name soon became a rallying cry in the struggle to combat so called honor killings Unni Wikan narrates Fadime s heartbreaking story through her own eloquent words along with the testimonies

of her father mother and two sisters What unfolds is a tale of courage and betrayal loyalty and love power and humiliation and a nearly unfathomable clash of cultures Despite enduring years of threats over her emancipated life Fadime advocated compassion for her killer to the end believing him to be trapped by an unyielding code of honor Wikan puts this shocking event in context by analyzing similar honor killings throughout Europe Canada and the United States She also examines the concept of honor in historical and cross cultural depth concluding that Islam itself is not to blame indeed honor killings occur across religious and ethnic traditions but rather the way that many cultures have resolutely linked honor with violence In Honor of Fadime holds profound and timely insights into conservative Kurdish culture but ultimately the heart of this powerful book is Fadime s courageous and tragic story and Wikan s telling of it is riveting **Double Vision** Ben H. Women and Turkish Cinema Eylem Atakav,2013 Since 2000 there has been a considerable effort in Turkish cinema to come to terms with the military's intervention in politics and subsequent national trauma It has resulted in an outpouring of cinematic texts This book focuses on women and Turkish cinema in the context of gender politics cultural identity and representation The central proposition of this book is that enforced depoliticisation introduced after the coup is responsible for uniting feminism and film in 1980s Turkey The feminist movement was able to flourish precisely because it was not perceived as political or politically significant In a parallel move in the films of the 1980s there was an increased tendency to focus on the individual on women's issues and lives in order to avoid the overtly political Women and Turkish Cinema provides a comprehensive view of cinema's approach to women in a country which straddles European and Middle Eastern cultural conceptions identities and religious values and will be an invaluable resource for students and scholars of Film Studies Gender Studies and Middle East Studies amongst others

Swallows and Armenians Karen Babayan,2019-03-09 The fictional Walker children are much loved characters in Arthur Ransome's Swallows and Amazons a quintessentially English family in an archetypal English children's classic However it was an Anglo Armenian family from Aleppo who were the catalyst and inspiration Swallows and Armenians is a book of short stories and essays which firmly re-establishes the connection using newly appraised correspondence and diaries With her beautifully researched complement to Arthur Ransome's classic and still best selling series Karen Babayan has opened a much loved children's adventure epic set in the iconically British Lake District to an enriching cross cultural re worlding By revealing the Anglo Armenian identity of the

children who inspired the gripping tale of sailing piracy and intrigue she has created new stories resonant in our own times of conflict displacement and dangerous nationalisms Unveiling Ransome's anglicization of the Altounyan children Karen Babayan restores them to their central place in British literature She also links their crossing of Syrian Aleppo and Armenian cuisine with a once Viking Cumbria to her own bi-cultural identity and traumatic familial experience of displacement and migration loss and adaptation all shadowed by the terror of the Armenian genocide 1915-17 By creative storytelling Swallows and Armenians intervenes as much in diasporic Armenian as British cultural memory by vibrantly reanimating the voices of these extraordinary children who speak back across her pages from a past she has recreated to a present that needs them now Professor Griselda Pollock Laureate of the Holberg Prize for Arts and Humanities 2020 **Genealogy of the Wells**
