Austin,2022-05-03 The Baboquivari Mountains long considered to be a sacred space by the Tohono O odham people who are native to the area are the westernmost of the so called Sky Islands The mountains form the border between the floristic regions of Chihuahua and Sonora This encyclopedic work describes the flora of this unique area in detail It includes descriptions identifications ecology and extensive etymologies of plant names in European and indigenous languages Daniel Austin also describes pollination biology and seed dispersal and explains how plants in the area have been used by humans beginning with Native Americans The term sky island was first used by Weldon Heald in 1967 to describe mountain ranges that are separated from each other by valleys of grassland or desert The valleys create barriers to the spread of plant species in a way that is similar to the separation of islands in an ocean The 70 000 square mile Sky Islands region of southeastern Arizona southwestern New Mexico and northwestern Mexico is of particular interest to botanists because of its striking diversity of plant species and habitats With more than 3 000 species of plants the region offers a surprising range of tropical and temperate zones Although others have written about the region this is the first book to focus exclusively on the plant life of the Baboquivari Mountains The book offers an introduction to the history of the region along with a discussion of human influences and includes a useful appendix that lists all of the plants known to be growing in the Baboquivari Mountain chain      **What Do I Read Next? 93** Gale Group,1993-09      **What Do I Read Next?** ,1994      **The New Yorker** ,1997      The Tonto Woman and Other Western Stories Elmore Leonard,1998 From a forbidden glance on a Miami night to a killer s slow burn on a Detroit street no one mixes passion scheming and violence better than Elmore Leonard But before he did it in Miami Beach or Motor City Elmore Leonard did it on the American frontier This raw hard bitten collection gathers together the best of Leonard s Western fiction In stories that burn with passion treachery and heroism the American frontier comes vividly magnificently to life In Only Good Ones we meet a fine man turned killer in one impossible moment Saint with a Six Gun pits a doomed prisoner against his young guard in a drama of deception and compassion that leads to a shocking act of courage and in The Colonel s Lady a brutal ambush puts a woman into the hands of a vicious renegade while a tracker attempts a rescue that cannot come in time Etching a harsh haunting landscape with razor sharp prose Elmore Leonard shows in nineteen brilliant stories why he has become the American poet laureate of the
