**Armin A. Brott**

### **Else Marie And Her Seven Little Daddies:**

**Else-Marie and Her Seven Little Daddies** Gabrielle Charbonnet, Pija Lindenbaum, 1991 Lindenbaum salutes the unconventional in the wacky debut a Swedish import about a girl with a happy though decidedly odd home life Publishers Weekly  
**Else Marie Her Seven Little** Pija Lindenbaum, 1991-09-01 Else Marie has seven little daddies instead of one big one and she worries how the other children will react when her daddies come to pick her up at afternoon playgroup

**Border Sexualities, Border Families in Schools** Maria Pallotta-Chiarolli, 2010-06-16 All educators all families need this book It asks questions that must be asked yet have not been asked and shares thoughtful perceptions and suggestions in ways that may help humanity grow more whole Loraine Hutchins coeditor BiAny Other Name cofounder BiNet USA instructor LGBT studies at Towson University  
**LGBT-Parent Families** Abbie E. Goldberg, Katherine R. Allen, 2012-10-11 LGBT Parent Families is the first handbook to provide a comprehensive examination of this underserved area Reflecting the nature of this issue the volume is notably interdisciplinary with contributions from scholars in psychology sociology human development family studies gender studies sexuality studies legal studies social work and anthropology Additionally scholarship from regions beyond the U S including England Australia Canada and South Africa is presented In addition to gender and sexuality all contributors address issues of social class race and ethnicity in their chapters  
*Children's Books from Other Countries* Carl M. Tomlinson, 1998-01-15 Every child is entranced by the magic of story regardless of national boundaries Many of the most memorable childhood stories have their origins in other countries Exposing children to this multi national body of literature introduces them to the great diversity of people and cultures that populate the world at a young age enabling them to become more thoughtful and generous individuals Children s Books from Other Countries is a complete and current guide to international children s literature The concept of a bibliography of international children s literature is not new In the past many books have accomplished this task The last two decades however have not yet produced a current reference source devoted to international children s books Children s Books from Other Countries wonderfully rectifies this lack of attention An introductory essay provides an overview of the field including a discussion on the rationale of sharing international books with children a brief history of the children s literature movement related books and awards and basic information about the International Board on Books for Young People IBBY and its American branch the United States Board on Books for Young People USBBY An annotated bibliography contains over 700 titles from 29 different countries printed between 1950 and 1996 All titles are available in English many have been translated and others have originated in other English speaking countries The titles are organized by genre and have been selected for their high quality They are primarily targeted for children ages 0 14 although a few outstanding young adult titles are included Winners of the Mildred Batchelder Award and the Hans Christian Andersen Medal are listed in the appendix Indexes include Author Title Index Country of Origin Index and Subject Index Affordable and readable this timely resource is certainly a must for

librarians and teachers and other professionals working with children Sponsored by the United State Children's Literature Gems Betsy Bird, Elizabeth Bird, 2009 Master the huge array of quality children's books from the past and the present with this must have resource from children's librarian Elizabeth Bird **Polyamorous** Jenny Yuen, 2018-11-17 A look at how people are giving themselves a choice to love another way More people than ever are exploring the possibility of opening up their relationships and not only that they are fighting for their legal rights to love however and whomever they choose In **Polyamorous** reporter Jenny Yuen digs into how polyamory affects underrepresented communities why these unions are becoming more normalized and how relationships with multiple partners can be a practical alternative to monogamy and an intriguing expedition through uncharted emotional territory Pairing off is no longer the default option for many For some polyamory is just a part of who they are The Spaces and Places of Canadian Popular Culture Victoria Kannen, Neil Shyminsky, 2019-08-28 An exclusively Canadian textbook this collection investigates the relationships between identity geography and popular culture that are produced and consumed in this sprawling country Expanding beyond the clichés of friendliness and snow this text provides a fresh perspective on what it means to be Canadian both nationally and transnationally Scholars look at historical subjects like Québécois identity and Indigenous self representation and explore issues in contemporary media including music film television comic books video games and social media From Drake to the Tragically Hip Trailer Park Boys to The Amazing Race Canada and poutine to maple syrup mainstream icons and trends are studied in the interdisciplinary context of race gender sexuality politics and patriotism Contributing to the location of Canadian popular culture this unique resource will engage students and scholars of communication studies cultural studies and Canadian studies **FEATURES** Includes key concepts and theories and a glossary Engages students with relatable historical and contemporary examples of Canadiana through a breadth of media including television shows websites journals celebrities newspapers literature comic books video games music and films Ensures equal representation of a national and transnational Canada which includes examples of race gender sexuality and ethnicity with particular attention to geographical intricacies that contain all provinces and territories Comparative Children's Literature Emer O'Sullivan, 2005-03-05 Emer O'Sullivan traces the history of children's literature studies from the enthusiastic internationalism of the post war period which set out from the idea of a world republic of childhood to modern comparative criticism How Picturebooks Work Maria Nikolajeva, Carole Scott, 2013-02-01 **How Picturebooks Work** is an innovative and engaging look at the interplay between text and image in picturebooks The authors explore picturebooks as a specific medium or genre in literature and culture one that prepares children for other media of communication and they argue that picturebooks may be the most influential media of all in the socialization and representation of children Spanning an international range of children's books this book examines such favorites as Curious George and Frog and Toad Are Friends along with the works of authors and illustrators including Maurice Sendak and Tove Jansson among others With 116

illustrations How Picturebooks Work offers the student of children's literature a new methodology, new theories and a new set of critical tools for examining the picturebook form What Do Children and Young Adults Read Next? Janis Ansell, Pam Spencer Holley, 2002 Lists books by subject and title and recommends what book children and young adults should read next based on their previous likes and dislikes Beyond Babar Sandra L. Beckett, Maria Nikolajeva, 2006-08-19 All too often attention is paid only to those children's novels that were written in English with non-English language works being passed over and neglected Beyond Babar The European Tradition in Children's Literature examines eleven of the most celebrated European children's novels in substantial critical essays written by well-known international scholars This approach provides a comprehensive discussion of the selected works from a variety of theoretical perspectives Each essay offers a critical introduction to the text that can serve as a point of departure for literary scholars, professors of children's literature, primary and secondary school teachers and librarians who are interested in texts that cross languages and cultures Beyond Babar is especially meant to assist instructors of children's literature who would like to use these texts in the classroom in order to begin to redress the English language dominance of many children's literature courses This volume will also be of interest to the general public as its ultimate aim is to bring to the attention of all English-speaking readers the literature from other parts of the world in this case from Europe Beyond Babar helps to facilitate the border crossings of these European masterpieces of children's literature into the English-speaking world Something about the Author Kevin S. Hile, 1995 Series covers individuals ranging from established award winners to authors and illustrators who are just beginning their careers Entries cover personal life, career writings and works in progress, adaptations, additional sources and photographs

**Fathering Your School-Age Child** Armin A. Brott, 2007-04-13 A practical handbook on all aspects of fatherhood during the third to the ninth year, pre-K through the fourth grade by the best-selling, critically acclaimed author of *The Expectant Father* Following the success of the three previous volumes in this series *The Expectant Father*, *The New Father*, *A Dad's Guide to the First Year* and *Fathering Your Toddler*, this book is similarly packed with facts, tips and advice on all aspects of fatherhood When is it the best time to encourage a child's independence? What's the difference between daycare vs preschool? What are the unique ways fathers impact their youngster's life? The answers to these questions and hundreds more are found in the pages of this easy-to-follow, informative volume With wisdom, compassion and humor, author Armin Brott devotes a chapter to each school year from prekindergarten through the fourth grade In each chapter he outlines the physical, intellectual, emotional and social changes the child is going through and examines the emotional and psychological development the father may be experiencing He also discusses issues that develop between dad and mom as well as matters that involve the whole family In addition, each chapter contains a section called *You and Your Child* in which activities and issues appropriate to the given age are discussed Other topics cover the latest research on child development including brain growth, good and bad news about watching television and the use of computers and other technology There is ample advice

for dads who are older single divorced in the military stepfathers and stay at home dads and the book incorporates the author's and other fathers' personal experiences as well as the advice of top researchers in the field. Illustrated throughout with delightful New Yorker cartoons that underscore the universality of the joys and woes of parenting. *Fathering Your School Age Child* is an essential sourcebook for every dad. It's certain to give every mom helpful insights as well.

**Keywords for Children's Literature, Second Edition** Philip Nel, Lissa Paul, Nina Christensen, 2021-01-12. Introduces key terms, global concepts, debates, and histories for Children's Literature in an updated edition. Over the past decade, there has been a proliferation of exciting new work across many areas of children's literature and culture. Mapping this vibrant scholarship, the Second Edition of *Keywords for Children's Literature* presents original essays on essential terms and concepts in the field. Covering ideas from Aesthetics to Voice, an impressive multidisciplinary cast of scholars explores and expands on the vocabulary central to the study of children's literature. The second edition of this *Keywords* volume goes beyond disciplinary and national boundaries. Across fifty-nine print essays and nineteen online essays, it includes contributors from twelve countries and an international advisory board from over a dozen more. The fully revised and updated selection of critical writing: more than half of the essays are new to this edition. Reflects an intentionally multinational perspective, taking into account non-English traditions and what childhood looks like in an age of globalization. All authors trace their keyword's uses and meanings from translation to poetry, taboo to diversity and trauma to nostalgia. The book's scope, clarity, and interdisciplinary play between concepts make this new edition of *Keywords for Children's Literature* essential reading for scholars and students alike.

*Children's Literature Comes of Age* Maria Nikolajeva, 2015-08-27. Originally published in 1996. A detailed analysis of the art of children's literature covering world literature for children. Children's literature as a canonical art form: the history of children's literature from a semiotic perspective and epic polyphony, chronotope, intertextuality, and metafiction in children's literature.

*Literature Connection* Kathy Everts Danielson, 1994-07.

*Bulletin of the Center for Children's Books*, 2001.

***School Library Journal***, 1991.

***Children's Literature*** Barbara D. Stoodt, Linda B. Amspaugh, Jane Hunt, 1996.
