In 1975 Elton John released Captain Fantastic and the Brown Dirt Cowboy the first ever album to debut straight at number one on the Billboard charts. A few days before the concert he'd release another number one album Rock of the Westies. His fame was at an all time high and Elton John was well known for his outlandish live performances. The biggest rock star in the world was going to stage two nights in one of America's most beloved and famous venues. This was sure to become a significant note in the history of 20th century music. Terry O'Neill by then already known as a world class photographer whose images of The Beatles The Rolling Stones and David Bowie were considered iconic was on hand to capture every moment. Days before the event Elton John left London in trademark style. Friends family and the next door neighbors boarded what would become a flying back stage complete with a piano from London to LAX. The build up to the event was feverish and the world's press was watching. Through his lens Terry O'Neill records the exuberance anxiety and pressure as the star readies himself for the show of a lifetime. Through private moments as well as public ones including Elton backstage with super fans as diverse as Cary Grant and Billie Jean King O'Neill creates a visual record that will forever help define this moment of time when music's most outlandish performer overcame his personal and professional demons to create two days of performance legend all leading up to the ultimate moment Elton John on stage in a Bob Mackie designed Dodger's uniform complete with Elton 1 emblazoned on the back raising a baseball bat high in the air. It was a home run. O'Neill captures all of this and more in Elton John Live at Dodger Stadium. Two days that shook the World. Including an introduction by Billie Jean King this incredible book will feature more than 150 photographs along with O'Neill's own memories of the event itself. This book
