Orczy, Montagu Barstow, 2023-12-12 THERE lies before me as I write a quaint old book from this little book torn and soiled its edges all gone nearly all the stories in this volume are drawn In their earliest childhood Hungarian children hear the story of Forget me Not Nfelejts the history of the Twin Hunchbacks A R t T rpe and the doings of the wicked Sultana in the Magic Cat A B vos Macska In my little book is the shell of these stories told simply and in few words Who was the originator of them I do not think any one knows for I have found in many instances the same incidents occurring in the fairy tales of most nations A modified form of the vain fairy Narcissa is revived in Little Snow White and Riquet with the Tuft has if I mistake not an incident similar to that in The Twin Hunchbacks But then again who has ever traced the origin of all the proverbs and jokes that exist and have existed for generations in two score or more Eastern and Western Latin Teutonic or Slavonic languages

Old Hungarian legends just like old Hungarian music have to the national mind no palpable origin though J kay or Gaal have rewritten the former and Liszt or Brahms have familiarized the world with the latter The following little collection has helped me in my childhood to pass many pleasant hours so I now give them to my little English readers embellished by many drawings in the hope that they may derive as much pleasure from this little volume of magic and adventure as I did from my old torn copy of N pmes k **Arthur Spiderwick's Field Guide to the Fantastical World Around You** Tony
