Elvis - Word for Word Jerry Osborne,1999-08 *Elvis* Jerry Osborne,2000 **Counting Down Elvis** Mark Duffett,2018-02-23 Over the course of the last six decades Elvis Presley has sold more than a billion records his music has touched nearly every modern listener Despite an avalanche of books on his life there are surprisingly few about his musical creativity In *Counting Down Elvis His 100 Finest Songs* Mark Duffett urges readers to put aside the misleading stereotypes and rumor filled debates about Elvis and listen once again to the legend who emerged from Memphis Elvis had a unique approach to music one that was both powerful and versatile In a career stretching across more than twenty years Presley changed the face of popular music drawing together genres from country and blues to contemporary folk and placing a unique stamp on all of them *Counting Down Elvis His 100 Finest Songs* explores the full range of Presley recordings from his earliest numbers to posthumous hits combing through gold records and unpolished gems to distill the best that Presley has to offer *The Girls' Guide to Elvis* Kim Adelman,2002-07-09 Can t get enough of the King A lively romp through all things Presley this sassy guide covers what you really want to know about the man who continues to leave generations of females All Shook Up It s just like being in junior high again This book offers the scoop on Elvis s way with women the wives the girlfriends the screaming fans and leaves plenty of room for ever important hair and wardrobe discussions and films and concert highlights too Time The first book explicitly fashioned for Elvis Presley s largest fan base *The Girls Guide to Elvis* offers a fabulously fun look at the man who begged us to love him tender This kitschy dishy gossip filled guidebook is packed with never before seen photographs and tasty tidbits about the King of Rock and Roll and his insatiable appetite for females finery and good old down home food Discover Elvis s bedroom do s and don ts Dig into details about his relationships with Priscilla Ann Margret and Nancy Sinatra Peek at snapshots of Presley on dates with local girls we never even knew about Delve into his infamous shopping sprees and analyze his predilection for jewel encrusted jumpsuits Get the skinny on how Elvis felt about his weight and even learn to cook low fat versions of his favorite foods Plus much much more For Elvis fans of all ages from those who screamed at Elvis the Pelvis in concert to those who know the immortal icon from CDs and DVDs *The Girls Guide to Elvis* is a must have keepsake *Inventing Elvis* Mathias Haeussler,2020-12-10 Elvis Presley stands tall as perhaps the supreme icon of 20th century U S culture But he was perceived to be deeply un American in his early years as his controversial adaptation of rhythm and blues music and gyrating on stage performances sent shockwaves through Eisenhower s conservative America and far beyond This book explores Elvis Presley s global transformation from a teenage rebel figure into one of the U S s major pop cultural embodiments from a historical perspective It shows how Elvis s rise was part of an emerging transnational youth culture whose political impact was heavily conditioned by the Cold War As well as this the book analyses Elvis s stint as G I soldier in West Germany where he acted as an informal ambassador for the so called American way of life and was turned into a deeply patriotic figure almost overnight Yet it also suggests that Elvis s

increasingly synonymous identity with U S culture ultimately proved to be a double edged sword as the excesses of his superstardom and personal decline seemingly vindicated long held stereotypes about the allegedly materialistic nature of U S society Tracing Elvis s story from his unlikely rise in the 1950s right up to his tragic death in August 1977 this book offers a riveting account of changing U S identities during the Cold War shedding fresh light on the powerful role of popular music and consumerism in shaping images of the United States during the cultural struggle between East and West *Fortunate Son* Charles L. Ponce de Leon,2007-08-07 Elvis Presley was celebrity s perfect storm His sole but substantial contribution was talent a fact Charles L Ponce de Leon is careful to demonstrate throughout his wonderfully contextual *Fortunate Son* Even as the moments of lucidity necessary to exercise that talent grew rarer and rarer Elvis proved his musical gifts right up to the end of his life Beyond that however he was fortune s child *Fortunate Son* succinctly traces out the larger shifts that repeatedly redefined the cultural landscape during the 1950s 1960s and 1970s using Elvis s life to present a brief history of American popular culture during these tumultuous decades **Elvis Has Left the Building** Dylan Jones,2014-08-14 An interesting look at how 1977 marked the explosion of punk alongside this heartbreaking though not altogether surprising loss of a legend *USA Today* In the late 1970s punk music was setting out to destroy everything Elvis Presley had come to represent But punk couldn t destroy The King himself he had already done that succumbing to his excesses at Graceland on August 16 1977 Ever since Elvis has permeated the world in ways that are bizarre and inexplicable a pop icon while alive he has become almost a religious icon in death a modern day martyr crucified on the wheel of drugs celebrity culture junk food and sex In *Elvis Has Left the Building* Dylan Jones takes us back to those heady days around the time of his death and the simultaneous rise of punk Evoking the hysteria and devotion of The King s numerous disciples and imitators Jones offers a uniquely insightful commentary on Elvis s life times and outrageous demise Recounting how the artist single handedly changed the course of popular music and culture he also delves deep into the cult of The King and reveals what Elvis s death meant and still means to us today I m not sure punk would have existed without Elvis In fact I m not sure a lot of things would have existed without him Dylan Jones is the right man to ponder such questions Bono A gripping tale of impossible success and terrible waste and lost beauty that veers from Memphis to Las Vegas and all the way to the broken backstreets of London Tony Parsons author of *The Hanging Club* **Elvis Ignited** Bob Kealing,2017-03-07 A persuasive argument that Presley s moonshot to fame could not have happened without Florida Deftly captures a pre Interstate Florida where an anonymous Presley would be traveling for grueling hours down every two laner in the state in his signature automobile *Palm Beach Post* I don t think there was a better time and place to be a teenager than in Florida in the 1950s It was such a magical place Elvis is part of what contributed to that excitement Bob Graham former Florida governor and United States senator Kealing tells us the story of what happened when Elvis arrived in Florida and what role the Sunshine State played in his life and musical career This is a critical era in the Elvis Saga William McKeen editor of *Rock and Roll Is Here to Stay* An

Jeansonne,David Lührssen,Dan Sokolovic,2011-02-18 This fresh interpretation explains how an untutored musician changed music while at the same time playing an inadvertent role in the youth rebellion that has shaped the Baby Boomer generation into the 21st century Elvis Aaron Presley was born in a two room house in Tupelo MS on January 8 1935 He died at his Memphis home Graceland on August 16 1977 In those 42 years Elvis made an indelible impression on pop culture the world over Elvis Presley Reluctant Rebel His Life and Our Times probes both the man and his influence delving deeply into the personality of its protagonist his needs and motivations and the social and musical forces that shaped his career Elvis s musical talents and liabilities are explored as are his records films and live performances and his relationship with his manager Colonel Tom Parker whom he allowed to manipulate him as a money making machine Readers will learn about Elvis s personal life his devotion to conventional religious and political beliefs and his decline into self destruction and death Finally the book explores Elvis s impact on the musical and racial revolutions of the 1950s and 1960s his legacy and his importance in shaping a generation of Baby Boomers

Let's Rock! Richard Aquila,2016-10-28 Rock roll was one of the most important cultural developments in post World War II America yet its origins are shrouded in myth and legend Let s Rock reclaims the lost history of rock roll Based on years of research as well as interviews with Bo Diddley Pat Boone and other rock roll pioneers the book offers new information and fresh perspectives about Elvis the rise of rock roll and 1950s America Rock roll is intertwined with the rise of a post World War II youth culture the emergence of African Americans in society the growth of consumer culture technological change the expansion of mass media and the rise of a Cold War culture that endorsed traditional values to guard against communism Richard Aquila s book demonstrates that early rock roll was not as rebellious as common wisdom has it The new sound reflected the conservatism and conformity of the 1950s as much as it did the era s conflict Rock roll supported centrist politics traditional values and mainstream attitudes toward race gender class and ethnicity The musical evidence proves that most teenagers of the 1950s were not that different from their parents and grandparents when it came to basic beliefs interests and pastimes Young and old alike were preoccupied by the same concerns tensions and insecurities Rock roll continues to permeate the fabric of modern life and understanding the music s origins reminds us of the common history we all share Music lovers who grew up during rock roll s early years as well as those who have come to it more recently will find Let s Rock an exciting historical and musical adventure

From Frank Sinatra in the 1940s to Harry Styles in the 2020s many of the biggest male stars in the world built their early careers on their romantic appeal to young women The lovestruck teenager gazing at pictures of her idol in magazines or screaming in hordes at a concert is a stock character in the textbooks of fame And yet no history book has until now told her story from the start Swoon revisits six defining moments in book film and music history to uncover the story of how the fangirl became the most enduring yet disdained icon of pop culture From the Byromaniacs of Regency London to the screamers of Beatlemania these women were tastemakers visionaries and cultural disruptors Their obsessions shaped literary canons built Hollywood icons and turned musicians into messiahs long before social media came along But with power came panic Fandom became a moral and cultural battleground What was at stake was women s right to want things they weren t supposed to want feel things they weren t supposed to feel and express these things loudly shamelessly and in public Part cultural history part joyful reclamation Swoon returns the silly swooning screaming girl to her rightful place in feminist history because behind every sigh and every squeal the seeds of a revolution were stirring *Southern Crossroads* Walter Conser,2010-09-12
