Elvis Costello And The Attractions Georg Purvis,2025-07-30 Whether you know him as Howard Coward Napoleon Dynamite or the Emotional Toothpaste and are familiar with his work with The Attractions The Confederates or The Imposters Elvis Costello s career has always been about reinvention and his vast catalogue of over 30 studio albums since 1977 is a testament to his prolificacy However this book focuses on his most acclaimed and accessible work recorded mostly with The Attractions Steve Nieve Pete Thomas and Bruce Thomas between 1977 and 1986 although some other high profile friends Nick Lowe Billy Sherrill and T Bone Burnett among others show up along the way From his modest solo beginnings as a pub rocker with attitude on *My Aim Is True* to his cacophonous epitaph to The Attractions on *Blood Chocolate* this book follows a hectic and at times baffling career trajectory that often ignored commercial fame and fortune in favour of artistic freedom and expression

Elvis Costello and The Attractions On Track explores every album every song and every non album B side or contemporary cast off from the band s all too brief whirlwind decade of existence Georg Purvis is the author of *Queen The Complete Works* and *Pink Floyd In the 1970s* His first Elvis Costello albums were *This Year s Model* and *When I Was Cruel* both purchased at the same time in 2002 He has seen Elvis live about a dozen times since 2007 and is always thrilled to report that each concert had been spectacularly different from the previous one He lives in Philadelphia with his wife Meredith and their two cats Spencer and William

Hepworth,2019-03-21 _____ Hepworth s knowledge and understanding of rock history is prodigious a hugely entertaining study of the LP s golden age The Times _____ The era of the LP began in 1967 with Sgt Pepper The Beatles didn t just collect together a bunch of songs they Made An Album Henceforth everybody else wanted to Make An Album The end came only fifteen years later coinciding with the release of Michael Jackson s Thriller By then the Walkman had taken music out of the home and into the streets and the record business had begun trying to reverse engineer the creative process in order to make big money Nobody would play music or listen to it in quite the same way ever again It was a short but transformative time Musicians became artists and we the people patrons of the arts The LP itself had been a mark of sophistication a measure of wealth an instrument of education a poster saying things you dare not say yourself a means of attracting the opposite sex and for many the single most desirable object in their lives This is the story of that time it takes us from recording studios where musicians were doing things that had never been done before to the sparsely furnished apartments where their efforts would be received like visitations from a higher power This is the story of how LPs saved our lives
