Embodied Care Jane Addams Maurice Merleau Ponty And Feminist Ethics:

Embodied Care Maurice Hamington, 2004-06-09 Embodied Care argues that the body is central to care ethics It develops the idea that our bodies are central to our morality paying particular attention to the ways we come to care for one another Hamington argues that human bodies are built to care as a result embodiment must be recognized as a central factor in moral consideration The ^AOxford Handbook of Feminist Philosophy Ásta, Kim Q. Hall, 2021-05-07 This Handbook offers an overview of the contemporary state of the field in feminist philosophy The editors introduction and forty five essays cover feminist critical engagements with and contributions to philosophy and other scholarly fields as well as feminist approaches to some of the current and crucial issues known across the world The volume provides a rigorous but accessible resource for students and scholars interested in diverse approaches within feminist philosophy and how feminist philosophers situate their work within the philosophical mainstream and other disciplines *Theorizing Feminist Ethics of Care in Early Childhood Practice* Rachel Langford, 2019-06-13 This open access book responds to a growing academic interest in theorizing care and care work in the early childhood education and care ECEC sector The contributors theorize a new feminist ethics of care in everyday early childhood practice revealing its complexities and importance Drawing on feminist theories and philosophies the chapter authors show how the caring practices of early childhood educators involve values emotions decision making action and work Using cutting edge theory authors address the social locations and the inclusion and exclusion of both care givers and care receivers With contributions from Belgium Canada New Zealand the UK and the USA the volume brings together early childhood studies sociology psychology philosophy and critical disability studies to offer diverse perspectives on feminist ethics of care in early childhood practice and its possibilities and dangers The ebook editions of this book are available open access under a CC BY NC ND 3 0 licence on bloomsburycollections com

Intertwinings Gail Weiss, 2008-11-05 Intertwinings presents exciting interdisciplinary scholarship on twentieth century French philosopher Maurice Merleau Ponty The contributors break new ground by bringing Merleau Ponty's work into conversation with literary theory architecture cultural studies critical race studies and current feminist theory and practice Spanning Merleau Ponty's early and late thought this volume focuses on the ontological ethical and political implications of his unique emphasis on the constitutive intertwinings of inside and outside self and other language and gesture body and world and identity and difference Intertwinings affirms Merleau Ponty's insight that we should not eradicate but rather celebrate the corporeal differences that make our encounters with both human and nonhuman others a source of inexplicable richness and endless fascination Ethics and Phenomenology Mark Sanders, J. Jeremy Wisniewski, 2012-03-22 Ethics and Phenomenology is a collection of essays that explore the relationship between moral philosophy and the phenomenological tradition Phenomenology is a vast and rich philosophical tradition which seeks to explain how we perceive the world This in turn involves questions about one's relationship to the world and how one both acts and should act in the world For this

reason phenomenology entails an ethics even if such an ethics is not always apparent in the work of phenomenological thinkers The book is devoted to two central tasks Section One offers essays exploring the resources available to moral philosophy in the work of the major phenomenologists of the 20th century including Husserl Heidegger Merleau Ponty Sartre and others Part Two consists of essays demonstrating the way that the phenomenological method can facilitate advances in our thinking through the exploration of contemporary ethical issues including environmentalism intellectual property parenting and others

Towards a Transformative Pedagogy for Early Childhood Care and Education Naseema Shaik, Trevor Moodley, 2024-07-12 This book addresses the priorities and possibilities towards developing transformative pedagogies in post apartheid South Africa To this end the book has assembled a group of researchers who interrogated and engaged with a variety of dimensions that warrant pedagogical change in early childhood in South Africa The book focuses on young children practitioners and leaders with intersecting discussions about envisaged systemic changes to promote transformative pedagogies The collection highlights the importance of beliefs ways of knowing and ways of being as framings that impact on pedagogical approaches The book discusses the challenges that interplay between priorities and possibilities that practitioners face in a diverse and multi cultural society like South Africa The work uses a variety of examples to show priorities One example is about how practitioners have limited knowledge about how music as a culturally responsive tool can be used to transform pedagogy in Early Childhood Care and Education The book opens up dimensions as priorities that lead to thinking about possibilities that recast adults and young children as transformative agents in a dimension for transformative pedagogies

Adulthood, Morality, and the Fully Human John J. Shea, 2018-05-07 In Adulthood Morality and the Fully Human John J Shea describes an adult moral and fully human self in terms of integrity and mutuality Those who are fully human are caring and just Violence is the absence of care and justice Peace the pinnacle of human development is their embodiment Integrity and mutuality together beget care and justice and care and justice together beget peace Shea shows the practical importance of the fully human self for education psychotherapy and spirituality This book is especially recommended for scholars and those in helping professions

Decentering Epistemologies and Challenging Privilege Sophie Bourgault, Maggie FitzGerald, Fiona Robinson, 2024-09-13 Care ethics first emerged as an attempt to decenter ethics feminist scholars like Carol Gilligan argued that women s moral experiences were not reflected in the dominant masculinist approaches to ethics which were centered on a rational disembodied atomistic moral subject Care ethics challenged this model by positing ethics as relational contextualized embodied and realized through practices rather than principles Over the past decades many care ethics scholars have sought to further this project by considering care politically and epistemologically in relation to various intersecting hierarchies of power and knowledge This book advances this project by discussing the ways care ethics contributes to the decentering of dominant epistemologies and to the challenging of privilege and by considering how to decenter care ethics itself via an encounter with non Western philosophical traditions and

alternative epistemologies Written by scholars from different countries disciplines and intellectual traditions the volume offers original care ethics contributions on epistemic injustice privileged irresponsibility ecofeminism settler colonialism social movements such as BLM and various racialized and gendered inequities tied to care work *People, Care and Work in the Home* Mohamed Gamal Abdelmonem, Antonio Argandoña, 2020-05-18 Introducing novel theoretical empirical and practical investigations with case studies from UK Europe South America and South East Asia the book offers a novel global outlook on how contemporary homes are facing genuine challenges from operational economic spatial social and wellbeing perspectives The changing demographics of our modern society have inevitably impacted the dynamics and relationships within the home from being personal and private to that of multiple work relationships domestic work care for older people or supporting people with special needs Whilst the home is a concept universally experienced permeating every aspect of our lives it remains an entity whose influence on health and wellbeing is poorly understood This book brings together 17 different contributions from scholars researchers and practitioners from different disciplinary and professional backgrounds including three feature articles by leading figures such as Lord Best and Baroness Hollins The chapters are organised within three parts that look at the triangle of people work care in the home At a time when homes are increasingly becoming local hubs for care and wellbeing this volume is a critical and useful addition to current literature in the social sciences humanities economics culture care and wellbeing in the domestic sphere **Pets and People** Christine Overall, 2017-02-01 The book offers eighteen ground breaking articles written by an international group of philosophers on companion animal ethics It explores the ethical foundations of our relationships with pets in particular dogs and cats and specific moral issues including breeding reproduction sterilization cloning adoption feeding training working sexual interactions longevity dying and euthanasia *Disability Politics and Care* Christine Kelly, 2016-01-15 Disability Politics and Care examines a provincial direct funding program to illuminate what happens when people with disabilities take control of their own care arrangements In addition to investigating responses from a wide range of stakeholders Christine Kelly reflects on the broader social and political implications of these types of programs She probes the divide that exists between rejections of care by disability activists on the one hand and attempts by feminists to value gendered forms of labour on the other Rather than trying to find common ground between these viewpoints Kelly explores how maintaining a tension between them could positively transform the understanding and practice of care Enlivened by the voices of disabled people attendants and informal supports this book uses one independent living program as a starting point for untangling much larger philosophical theoretical and material questions about self determination inter dependence governance and justice **The Bloomsbury Handbook of Care Ethics** Matilda Carter, 2025-07-24 Emphasising the vulnerability and interdependence of humans care ethics has emerged in recent years as a powerful alternative to dominant modes of thinking in moral philosophy Bringing together the theoretical and applied dimensions of care ethics this pioneering volume provides an authoritative overview of what care ethics is and

the contributions it can make to pressing contemporary problems Divided into two parts Part I of The Bloomsbury Handbook of Care Ethics traces the development of care ethics how it interacts with other central components of moral reasoning such as freedom and normative justification and the ongoing discussions among care ethicists about the direction scope and underlying mechanisms of the theory Part II then showcases the varied contributions care ethics can make to key areas of applied philosophy and to research in the social sciences from disability and care medical ethics and feminist ethics to timely issues such as maternity care and public administration With an international team of experts providing interdisciplinary approaches to care this is the place to start if you want to gain an in depth insight into the field of care ethics and its crucial role in addressing worldwide vulnerabilities

Disability in American Life Tamar Heller, Sarah Parker Harris, Carol J. Gill, Robert Gould, 2018-12-07 Disability as with other marginalized topics in social policy is at risk for exclusion from social debate This multivolume reference work provides an overview of challenges and opportunities for people with disabilities and their families at all stages of life Once primarily thought of as a medical issue disability is now more widely recognized as a critical issue of identity personhood and social justice By discussing challenges confronting people with disabilities and their families and by collecting numerous accounts of disability experiences this volume firmly situates disability within broader social movements policy and areas of marginalization providing a critical examination into the lived experiences of people with disabilities and how disability can affect identity A foundational introduction to disability for a wide audience from those intimately connected with a person with a disability to those interested in the science behind disability this collection covers all aspects of disability critical to understanding disability in the United States Topics covered include characteristics of disability disability concepts models and theories important historical developments and milestones for people with disabilities prominent individuals organizations and agencies notable policies and services and intersections of disability policy with other policy

Democratic Responsibility Nora Hanagan, 2019-08-31 American society is often described as one that celebrates self reliance and personal responsibility However abolitionists progressive reformers civil rights activists and numerous others often held their fellow citizens responsible for shared problems such as economic exploitation and white supremacy Moreover they viewed recognizing and responding to shared problems as essential to achieving democratic ideals In Democratic Responsibility Nora Hanagan examines American thinkers and activists who offered an alternative to individualistic conceptions of responsibility and puts them in dialogue with contemporary philosophers who write about shared responsibility Drawing on the political theory and practice of Henry David Thoreau Jane Addams Martin Luther King Jr and Audre Lorde Hanagan develops a distinctly democratic approach to shared responsibility Cooperative democracy is especially relevant in an age of globalization and hyperconnectivity where societies are continually threatened with harms such as climate change global sweatshop labor and structural racism that result from the combined interactions of multiple individuals and institutions and which therefore cannot be resolved without collective action Democratic Responsibility offers

insight into how political actors might confront seemingly intractable problems and challenges conventional understandings of what commitment to democratic ideals entails This book will be of interest to scholars and students of political science especially those who look to the history of political thought for resources that might promote social justice in the present

The Global and Social Consequences of the COVID-19 Pandemic Gottfried Schweiger, 2022-06-30 This book directly addresses the social and economic consequences of the COVID 19 pandemic It does so by focusing on both the immediate effects during the pandemic and the lockdowns as well as the issues related to the long term social consequences that are likely to result from the economic crisis in the coming years To date most philosophical essays and books have focused on the health aspects of the pandemic and in particular on the fields of medical ethics and public health ethics Containing a truly international and interdisciplinary group of scholars a unique and global perspective is offered on the rarely discussed social and economic consequences of the pandemic This book is of great interest to academic philosophers but also to researchers from the social sciences

Care and Design Charlotte Bates, Rob Imrie, Kim Kullman, 2016-11-14 Care and Design Bodies Buildings Cities connects the study of design with care and explores how concepts of care may have relevance for the ways in which urban environments are designed It explores how practices and spaces of care are sustained specifically in urban settings thereby throwing light on an important arena of care that current work has rarely discussed in detail

Care of Souls, Care of Polis Ryan LaMothe, 2017-07-25 In the fields of pastoral care and pastoral theology there are times when a book signals a paradigm shift This is one such book LaMothe develops a political pastoral theology that is used to examine critically political economic and societal structures and practices In the first part of the book LaMothe argues that care and pastoral care are political concepts which along with the notion of justice can be used as a hermeneutical framework to assess macropolitical and macroeconomic realities Included in this section is the notion of civil and redemptive discourse necessary for the survival and flourishing of persons and polis The last section of the book examines U S Empire capitalism class classism and other pressing political issues using the hermeneutical lens of care
