understand the unique needs of single parent families and do a better job of welcoming valuing and loving them The book begins with Anna s story and then presents information about single parent families in America providing an understanding of their unique needs and complex dynamics The chapters that follow each focus on a particular area of need and contain Exegesis of Scripture demonstrating the character of God in relationship with his people Short narratives collected through interviews with single parents from a variety of backgrounds Suggestions for how the church can serve God and families This book is written for all Christians married or single parent or childless It s written for widows divorcees and those who never married And it s written for the congregants pastors leaders and church family who wants to embrace every family and learn how to serve them well By addressing families and the church together God s Grace for Every Family opens the door for gracious conversations and greater unity in the family of God

Life In the Balance Joni Eareckson Tada,2010-08-11 Never before has it been so important for Christians to discover the answers God s Word holds to our culture s biggest ethical and social dilemmas Every day the 24 hour news cycle offers stories from around the world of unimaginable physical mental and emotional suffering Yet more often than not these stories and the underlying problems they represent are reported with no suggestions for resolution Can it really be true that there are no solutions to our world s biggest crises Joni Eareckson Tada refuses to believe it On her TV show she has interviewed scores of people who have faced life s toughest battles and emerged victorious In Life in the Balance Joni and her friends take on some of the most difficult issues covered by the evening news such as street violence abortion autism genocide and stem cell research But they won t just tell the stories they ll dig deep into the Word of God to find real and lasting solutions to so called unsolvable problems This workbook designed for participants in a Life in the Balance individual and group study Leader Guide with DVD sold separately will guide readers to apply the timeless yet timely truth of God s Word to society s greatest challenges

**Adopted for Life (Updated and Expanded Edition)** Russell Moore,2015-10-14 The doctrine of adoption God s decision to adopt sinful men and women into his family stands at the heart of Christianity In light of this Christians efforts to adopt beautifully illustrate the truth of the gospel In this popular level and practical manifesto Russell Moore encourages Christians to adopt children and to help other Christian families to do the same He shows that adoption is not just about couples who have struggled to have children Rather it s about an entire culture within evangelicalism a culture that sees adoption as part of the Great Commission mandate and as a sign of the gospel itself

**Go and Do Likewise** Mia Crosthwaite,2006-03 Our call as Christians is to live as neighbor to everyone to treat each person with mercy and compassion is part of the call to discipleship But how do we do this In clear concise language the author discusses each of the principles of the Church s social teaching then offers a wide variety of creative ideas for living them out Some of the ideas take only five minutes others take ten minutes and still others take twenty minutes This is an excellent resource for both individuals and family members for peace and justice committees for RCIA teams catechists teachers and parish ministers

**Unification Faith Parenting: 13 Best Practices** Michael H. Kiely,Jennifer P. Tanabe,2019-12-07 Six Unification families share their experiences and strategies raising second generation children who have ultimately made their family s faith their own as young adults Their testimonies about what did not work as well as what worked are fascinating funny heartbreaking and very enlightening Of course the best part is that they adjusted what they did to something that can be called a Best Practice Through their words this book covers what not to do as well as what to do in faith parenting your kids

**From Pariahs to Partners** David Tobis,2013-06-06 In the early 1990s 50 000 children were in New York City s foster care system By 2011 there were fewer than 15 000 In his book David Tobis shows how such radical change was driven largely by a movement of mothers whose children had been placed into foster care who fought to become advocates and stakeholders in a system that had previously viewed them as part of the problem This book serves as an example of how advocates can change a system as told from the perspective of key figures change agents and the parent advocates themselves
